Dear Fred,

Please accept this letter outlining Irwin Seating Company’s Best and Final Offer in regards to RFP-15006FL Educational Furniture.

Final pricing is 50% off list FOB Destination Freight Prepaid and Added. Please note the change in FOB terms, based on feedback during our oral presentation.

Please note that tiered pricing based on chair quantity (or number of rows for bleacher systems) is available within the price list. We can also offer extended discounts on “major projects” with over 2500 chairs sold direct through our Regional Sales Managers.

If awarded the contract, we would be happy to extend contract pricing to a Designer, General Contractor or Sub-Contractor for product used by Norfolk Public Schools or National-IPA member organization, at the direction of Norfolk Public Schools or the National-IPA member organization.

Attached please find all documents used in our presentation on January 14, 2015.

Thank you for your consideration. We look forward to extending our relationship with Norfolk Public Schools.

Sincerely,

Bill MacLeod
Director of Marketing
Irwin Seating Company
Amended Responses to General Questions

1- Agreement extensions
   a. Discounts would be honored for 4 renewal periods
   b. Price reductions based on marketplace changes and other factors would be reflected in annual price list updates
   c. Prices offered under this agreement will continue to reflect best customer pricing

2- System design, space planning and layout is always provided, typically via our distributor, as part of the project procurement process. This includes guidance in selecting appropriate products for the application, design assistance for aesthetic selections such as fabric and finishes, identification of site conditions that need to be accommodated, review of construction documents and providing seating layouts to verify seating design and capacity. There are no costs to the customer for these services.

3- Design turn-around time varies by the service. Typically, most design assistance can be provided immediately when meeting with the customer. Seating layouts typically take around two weeks.

4- Quotation turn-around time is typically two or three days.

5- Scope of solicitation
   a. All current products are covered in our proposal
   b. All future products are covered at the same discount rate
   c. We would anticipate that any other changes to the product line would be covered at the same terms under this agreement
   d. Custom products are also covered

6- FOB Destination
   a. Our products are priced FOB Destination Freight Prepaid and Added
   b. Delivery & installation costs vary widely based on size of the project and location. We do offer a price configurator in the Excel price book, which offers published “not to exceed” truckload prices for freight and per chair prices for installation. However, we recommend getting actual freight and installation quotes, which may be lower and are passed along to the customer.

7- On line order tracking is not available. Typically, we are proactively managing delivery and installation with the customer weekly.

8- We are in agreement with the National IPA Master Agreement and Administrative Fee

9- We understand that RFP response documentation will be posted on the NIPA website for public viewing. We would like to review the summary page, as we there was some confusion regarding freight and install in 2014.

Responses to Customer Specific Questions

1- Orders are typically placed through a distributor, although some areas are serviced by a factory agent or representative
   a. Each geographic territory is serviced by a single distributor or representative
   b. Best pricing can be verified through a Regional Sales Manager, who is responsible for consistent pricing under the contract

2- Attached is a list of current authorized dealers and distributors. Contact your Regional Sales Manager to identify the correct representative for a specific location.

3- We employ approximately 500 employees at our two manufacturing locations

4- Custom designed product is not returnable. We will repair or replace any defective product.

Irwin Seating Company is pleased to present our proposal in response to RFP-15006FL, for the National IPA Educational Furniture purchase contract.

Executive Summary

Irwin Seating Company has been servicing the public seating market since 1907. We offer the broadest fixed seating product line in the industry, as well as the most extensive and experienced distribution network.

We are bidding this contract as the manufacturer of the products offered. Customers are serviced by a network of localized distributors and agents to provide the hands on assistance needed for successful projects. Many distributors provide installation services using factory trained and certified installation crews. We also offer services of factory trained and certified installation subcontractors.

This offer encompasses two product categories – fixed seating and telescopic platforms. Fixed seating includes fixed chairs for auditoriums, lecture rooms, arenas and stadiums, while telescopic platforms also include gym bleachers.

Our products are made to order, so each project is custom. Our products must be configured for the specific styles (wood back versus plastic back, for example), options (writing surfaces, aisle lights, number tags, etc.) & finish selections (fabric, paint color etc.). Product is also configured to fit the space, which includes manufacturing the correct parts for proper chairs widths, back to back spacing, floor slope, etc. This often requires special parts to accommodate site conditions.

Product built to customized specifications and configurations are not returnable. Defective product will be repaired or replaced per the warranty.

Our offering includes unlimited service for assistance with product selection, samples, product configuration, seating layouts and specials engineering at no cost to the member. Lead time for samples will vary dependent on product specification and finish selections. A site survey is required for all projects, and will be provided by Irwin Seating Company or its local distributor and is included at no additional cost to the member. After the sale, our distributor will work with Irwin Seating Company’s Customer Technical Service Department to assure that the end user is 100% satisfied with an installation.

Due to the complexity of the product and installation, we typically provide product through our local distributors. They can work directly with the customer at the job site to make sure that all their needs are being met and to walk them through the product catalog, assist with product and finish selections, review site conditions and all the other details that lead to a successful installation.

Our sales organization is organized around our Regional Sales Manager (RSM). Each RSM has responsibility for distributors and agents in a geographic area. RSM also service larger “major projects” directly.
The attached price list covers specific product as configured in our Irwin Difference catalog, and provides a representative selection of our product line. Due to the breadth of our product line, there is virtually no limit to the number of configurations we can provide. We will extend our contract discount to any configuration the end user may choose.

We are offering a 50% discount off list price to product FOB factory. (Tiered pricing is offered in the price list based on chair quantity or number of rows in telescopic system.) We can offer extended discounts on projects with over 2500 chairs that are sold directly through our RSMs.

We are also happy to provide delivery and installation services. Installation is provided either by local distributors, or subcontracted to certified installation specialists. Costs vary wildly based on product selection, chairs quantity, site conditions and the local labor rate, so NET pricing for installation and freight is priced separately in our pricing book.

(Alternately, we can offer produced at 45% list price delivered. However, because of the wide range of costs for delivery, this method is not advantageous for the customer, so we strongly recommend the 50% off FOB factory method, and base our proposal on it.)

We also offer parts and service for installed products. We have service parts for Irwin product, plus parts from a number of other manufacturers, including some who are no longer in business. Members should contact our parts department for pricing and availability.

The Irwin Difference

2. Product
Our expertise has brought to the market the broadest product offering available, including custom and special products for special needs. Of our broad product offering the Marquee, Citation and Millennium Chairs are the most often selected for the Education market. We simply offer products for every fixed seating need in an indoor or outdoor setting. We are the largest manufacturer of such products in the world.

3. Service
Our customers rely on us to provide exceptional service, both before and after the sale. In addition to seating layout services, we offer sight line services and ADA recommendations. Chair customization and design consultation assures our customers that the seating they select suits the venue. Irwin Seating Company offers full restoration services to return old, worn chairs to their original beauty. And we coordinate project installation with the construction contractor using factory certified installers.
Experience, Resources and Qualification

Irwin Seating Company World Headquarters is in Grand Rapids, Michigan. We manufacture and assemble all products for North America in our 400,000 sq. ft. Seating Division facility in Grand Rapids, as well as our Telescopic Division manufacturing facility in Altamont, Illinois.

In addition to providing products to the K-12 and Higher Ed markets, Irwin Seating Company provides products to the arena, stadium, cinema, performing arts and worship markets.

Support Methodology and Approach

Irwin Seating Company has 8 Regional Sales Managers and approximately 50 distributor field partners and agents, with over 200 salespeople, which cover every state of the union and Canada.

This contract will be supported by local distribution that will assess a project and provide the following:
- Seating specification built in collaboration with the member for the appropriate model chair for each specific projects.
- Samples of agreed upon model of seating.
- Assistance with layout and configuration utilizing the most current building and safety codes.
- Provide layout of specific product configuration for approval.
- Can provide removal of existing and installation of new seating.

National Program Response

Irwin Seating Company is currently offering products under the National IPA contract, and anticipates continuing to build on our efforts to sell under the contract:
- Experienced sales force familiar with the advantages of using the NIPA contract.
- Extensive selling efforts through our network of sales managers, distributors and agents.

Irwin Seating Company has nationwide distribution through Regional Sales Managers and distribution field partners and agents. We market our products at trade shows local and national and advertise in trade papers. We require our field partners to have a good working relationship with local architects, contractors and school decision makers. This creates a business model that is second to none!
Other Proposal Notes

We do not believe that projects will be successful without personalized service from an experienced sales representative before the sale. Therefore, we do not have any facilities for e-commerce and online ordering. We do have a wealth of product information on our website, and have the facilities to create National IPA specific content within the website.

Products offered on the Specification for Evaluation Worksheet meet all functional specifications, although some manufacturing details do not match specifications exactly. Any deviations are not material.

See attached list of past National IPA contract projects.

We look forward to working with you to clarify any questions that may arise, and anticipate a long and mutually beneficial relationship going forward.

A. PURPOSE
Norfolk Public Schools (NPS) is seeking to establish a Master Agreement for Educational Furniture for use by this District and other public agencies, including K-12 and Higher Education which would be made available to Participating Public Agencies through the National Intergovernmental Purchasing Alliance Company (Attachment 5, Exhibits A-F).

B. STATEMENT OF WORK
1. BACKGROUND:

Norfolk Public Schools (“NPS”), as the Principal Procurement Agency, as defined in RFP# 15006FL, has partnered with the National Intergovernmental Purchasing Alliance Company (“National IPA”) to make the resultant contract (also known as the “Master Agreement” in materials distributed by National IPA) from this solicitation available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through National IPA’s cooperative purchasing program. Norfolk Public Schools is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with National IPA as a Participating Public Agency in National IPA’s cooperative purchasing program. Attachment 5 contains additional information on National IPA and the cooperative purchasing agreement.

National IPA is the public sector arm of Provista, a multi-industry supply chain improvement company providing group organization and business solutions in various markets nationwide. National IPA partners with a sister company, Novation, to leverage over $53 billion in annual supply spend to command the best prices on products and services. With corporate, pricing and sales commitments from the Supplier, National IPA provides marketing and administrative support for the Supplier that directly promotes the Supplier’s products and services to Participating Public Agencies though multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and competed. The Supplier benefits from a contract that allows Participating Public Agencies to directly purchase goods and services without the Supplier’s need to respond to additional competitive solicitations. As such, the Supplier must be able to accommodate a nationwide demand for services and to fulfill obligations as a nationwide Supplier and respond to the National IPA documents. Norfolk Public Schools, reserves the right to deem submissions that do not include a response to the National IPA documents as non-responsive.

Norfolk Public Schools anticipates spending $2.5 million over the full potential Master Agreement term for Educational Furniture. While no minimum volume is guaranteed to the Supplier, the estimated annual volume of Educational Furniture purchased under the Master Agreement through National IPA is approximately $20 million. This projection is based on the current annual volumes
among Norfolk Public Schools, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through National IPA, and volume growth into other Public Agencies through a coordinated marketing approach between the Supplier(s) and National IPA.

F. GENERAL TERMS & CONDITIONS

1. ANNOUNCEMENT OF AWARD

Upon the award or the announcement of the decision to award a contract as a result of this solicitation, the purchasing agency will publicly post such notice on the DGS/DPS eVA VBO (www.eva.virginia.gov) for a minimum of 10 days.

2. ANTI-DISCRIMINATION

By submitting their bids or proposals, contractors certify to Norfolk Public Schools that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the Virginia Public Procurement Act (VPPA). If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by Norfolk Public Schools. (Code of Virginia, § 2.2-4343.1E).

In every contract over $10,000 the provisions in 1. and 2. below apply:

1. During the performance of this contract, the contractor agrees as follows:

a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

2. The contractor will include the provisions of 1. above in every subcontract or purchase order over $10,000, so that the provisions will be binding upon each subcontractor or vendor.
3. ANTITRUST

By entering into a contract, the contractor conveys, sells, assigns, and transfers to Norfolk Public Schools all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by Norfolk Public Schools under said contract.

4. APPLICABLE LAWS AND COURTS

This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. Norfolk Public Schools and the contractor are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using Alternative Dispute Resolution (ADR) procedures (Code of Virginia, § 2.2-4366 and NPS Vendors Manual). The contractor shall comply with all applicable federal, state and local laws, rules and regulations.

5. ASSIGNMENT OF CONTRACT

A contract shall not be assignable by the contractor in whole or in part without the written consent of Norfolk Public Schools.

6. AVAILABILITY OF FUNDS

It is understood and agreed between the parties herein that the Norfolk Public Schools shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

7. BID PRICE CURRENCY

Unless stated otherwise in the solicitation, bidders/offerors shall state bid/offer prices in US dollars.

8. CHANGES TO THE CONTRACT

Changes can be made to the contract in any of the following ways:

1. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.

2. Norfolk Public Schools may order changes within the general scope of the contract at any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt. The contractor shall be compensated for any additional costs incurred as the result of such order and shall give Norfolk Public Schools a credit for any savings. Said compensation shall be determined by one of the following methods:
a. By mutual agreement between the parties in writing; or

b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to Norfolk Public School’s right to audit the contractor’s records and/or to determine the correct number of units independently; or

c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present Norfolk Public Schools with all vouchers and records of expenses incurred and savings realized. Norfolk Public Schools shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to Norfolk Public Schools within thirty (30) days from the date of receipt of the written order from Norfolk Public Schools. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of Norfolk Public Schools Vendors Manual. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by Norfolk Public Schools or with the performance of the contract generally.

9. CLARIFICATION OF TERMS

If any prospective bidder/offeror has questions about the specifications or other solicitation documents, the prospective bidder/offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

Note: In accordance with Virginia Code § 22.1-296.1, any person making a materially false statement regarding such offense shall be guilty of a Class 1 misdemeanor and, upon the conviction, the fact of such conviction shall be grounds for the revocation of the contract to provide such services and, when relevant, the revocation to provide such services.

Negotiations shall be conducted with the
offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, NPS shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. NPS reserves the right to make multiple awards as a result of this solicitation. NPS may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous (Code of Virginia, § 2.2-4359D). Should NPS determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor’s proposal as negotiated.

4. BEST AND FINAL OFFER

At the conclusion of negotiations, the offeror(s) may be asked to submit in writing, a Best And Final Offer (BAFO). After the BAFO is submitted, no further negotiations shall be conducted with the offeror(s). The offeror’s proposal will be rescoring to combine and include the information contained in the BAFO. The decision to award will be based on the final evaluation including the BAFO.

5. CANCELLATION OF CONTRACT

Norfolk Public Schools reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.

6. CONTRACTOR’S TITLE TO MATERIALS

No materials or supplies for the work shall be purchased by the contractor or by any subcontractor subject to any chattel mortgage or under a conditional sales or other agreement by which an interest is retained by the seller. The contractor warrants that he has clear title to all materials and supplies for which he invoices for payment.

It is understood and agreed between the parties herein that the Norfolk Public Schools shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

10. FINAL INSPECTION

At the conclusion of any assembly or installation work, the contractor shall demonstrate to the authorized owner’s representative that the work is fully operational and in compliance with contract specifications and codes. Any deficiencies shall be promptly and permanently corrected by the contractor at the contractor’s sole expense prior to final acceptance of the work.

11. IDENTIFICATION OF BID/PROPOSAL ENVELOPE

If a special envelope is not furnished, or if return in the special envelope is not possible, the signed bid/proposal should be returned in a separate envelope or package, sealed and identified as directed in the solicitation.

If a bid/proposal not contained in the special envelope is mailed, the bidder or offeror takes the risk that the envelope, even if marked as described above, may be inadvertently opened and the information compromised which may cause the bid or proposal to be disqualified. Bids/proposals may be hand delivered to the designated location in the office issuing the solicitation. No other correspondence or other bids/proposals should be placed in the envelope. 21. STATE CORPORATION COMMISSION IDENTIFICATION NUMBER

Pursuant to Code of Virginia, §2.2-4311.2 subsection B, a bidder or offeror organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 is required to include in its bid or proposal the identification number issued to it by the State Corporation Commission (SCC). Any bidder or offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its bid or proposal a statement describing why the bidder or offeror is not required to be so authorized. Indicate the above information on the SCC Form provided. Contractor agrees that the process by which compliance with Titles 13.1 and 50 is checked during the solicitation stage (including without limitation the SCC Form provided) is streamlined and not definitive, and NPS’s use and acceptance of such form, or its acceptance of Contractor’s statement describing why the bidder or offeror was not legally required to be authorized to transact business in the Commonwealth, shall not be conclusive of the issue and shall not be relied upon by the Contractor as demonstrating compliance.

22. SUBCONTRACTS

No portion of the work shall be subcontracted without prior written consent of the purchasing agency. In the event that the contractor desires to subcontract some part of the work specified herein, the contractor shall furnish the purchasing agency the names, qualifications and experience of their proposed subcontractors. The contractor shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the contract.

23. WARRANTY

All materials and equipment shall be fully guaranteed against defects in material and workmanship for a period of [Vendor must provide warranty information for all offered items, however, no warranty period shall be for less than one (1) year] following date of delivery. Should any defect be noted by the owner, the Purchasing Office will notify the contractor of such defect or non-conformance. Notification will state either (1) that the contractor shall replace or correct, or (2) the owner does not require replacement or correction, but an equitable adjustment to the contract price will be negotiated. If the contractor is required to correct or replace, it shall be at no cost to the Norfolk Public Schools and shall be subject to all provisions of this clause to the same extent as materials initially delivered. If the contractor fails or refuses to replace or correct the deficiency, the office issuing the purchase order may have the materials corrected or replaced with similar items and charge the contractor the costs occasioned thereby or obtain an equitable adjustment in the contract price.
24. WORK ESTIMATES (TIME AND MATERIAL CONTRACTS)

Under this time and material contract, the contractor shall furnish the Norfolk Public Schools with a non-binding written estimate of the total costs to complete the work required. The estimate must include the labor category(ies), the contractor’s hourly rates specified in the contract, and the total material cost. Material costs shall be billed at contractor’s actual invoice costs (contractor shall furnish copies of all invoices for materials) or discount off the list price, whichever is specified in the contract. If the Norfolk Public Schools determines that the estimated price is not fair and reasonable, the Norfolk Public Schools has the right to ask the contractor to reevaluate the estimate. If the revised estimate is determined to be not fair and reasonable, the Norfolk Public Schools reserves the right to obtain additional quotes from other vendors. A work order will be issued to the contractor, as the authority to proceed with the work, which will incorporate the contractor’s estimate and the terms and conditions of the contract. The contractor and his/her personnel shall log in with the designated contract administrator each day before and after work to confirm labor hours.

25. WORK SITE DAMAGES

Any damage to existing utilities, equipment or finished surfaces resulting from the performance of this contract shall be repaired to the Norfolk Public Schools’ satisfaction at the contractor’s expense.

H. ORDERING

Electronic ordering is preferred with the use of purchase cards and purchase orders.

I. DELIVERIES, PERFORMANCE, INSPECTION, AND ACCEPTANCE

Deliveries shall be to district locations, during normal business hours, or as specified on the specific order.

J. METHOD OF PAYMENT

1. To Prime Contractor:

a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the NPS contract number and/or purchase order number.

b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

c. All goods or services provided under this contract or purchase orders, that are to be paid for with public funds, shall be billed by the contractor at the contract price.

d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
e. Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, NPS shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve NPS of its prompt payment obligations with respect to those charges which are not in dispute (Code of Virginia, § 2.2-4363).

2. To Subcontractors:
   a. A contractor awarded a contract under this solicitation is hereby obligated:

   (1) To pay the subcontractor(s) within seven (7) days of the contractor’s receipt of payment from NPS for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

   (2) To notify the agency and the subcontractor(s), in writing, of the contractor’s intention to withhold payment and the reason.

b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from NPS, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor’s obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of NPS.

3. Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWAM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.

4. NPS reserves the right to purchase goods and services using the NPS Purchasing Card.

1.0 Scope of National Cooperative Contract

1.1 Requirement

Norfolk Public Schools (hereinafter defined and referred to as “Principal Procurement Agency”), on behalf of itself and the National Intergovernmental Purchasing Alliance Company (“National IPA”), is requesting proposals for Educational Furniture. The intent of this Request for Proposal is that any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal (hereinafter defined and referred to as the “Master Agreement”) be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through National IPA’s cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with National IPA (an example of which is included as Exhibit D) and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency, including the Principal Procurement Agency, will be preceded by their registration with National IPA as a Participating Public Agency in National IPA’s cooperative purchasing program. Registration with National IPA as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through National IPA.

All transactions, purchase orders, etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither National IPA, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency.

This Exhibit A defines the expectations for qualifying Suppliers based on National IPA’s requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through National IPA.

These requirements are incorporated into and are considered an integral part of this RFP. National IPA reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies.
1.2 Marketing and Administrative Support

During the term of the Master Agreement National IPA intends to provide marketing and administrative support for Supplier pursuant to this section 1.2 that directly promotes the Supplier’s products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

The National IPA marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:
A. Marketing collateral (print, email, presentations)
B. Website support
C. Trade shows/conferences/meetings
D. Advertising

A. Individual sales calls
B. Joint sales calls
C. Communications/customer service
D. Training sessions for Public Agency teams
E. Training sessions for Supplier teams

The National IPA contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies prospective Public Agencies through:
A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams
C. Training sessions for Supplier teams
D. Regular business reviews to monitor program success
E. General contract administration

Suppliers are required to pay an administrative fee of 2% of the greater of the Contract Sales under the Master Agreement and guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the National IPA Administration Agreement (refer to Exhibit B).

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the National Intergovernmental Purchasing Alliance Company Administration Agreement between Supplier and National IPA (the “National IPA Administration Agreement”)

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately 20 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the
Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through National IPA, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and National IPA.

1.4 Award Basis
The basis of any contract award resulting from this RFP made by Principal Procurement Agency will be the basis of award on a national level through National IPA. If multiple suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same suppliers will be required to extend the Master Agreement to Participating Public Agencies through National IPA. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and National IPA shall agree.

1.5 Objectives of Cooperative Program
This RFP is intended to achieve the following objectives regarding availability through National IPA’s cooperative program:

Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.
2.2 Pricing Commitment
Supplier commits that the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, that the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits that all Master Agreement sales will be accurately and timely reported to National IPA in accordance with the National IPA Administration Agreement. NATIONAL PROMOTION

7. National IPA and Supplier shall publicize and promote the availability of the Master Agreement’s products and services to Public Agencies and such agencies’ employees. Supplier’s failure to maintain its covenants and commitments contained in this Agreement or any action of the Supplier which gives rise to a right by Principal Procurement Agency to terminate the Master Agreement shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of this Agreement at National IPA’s sole discretion. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate on the date of the termination or expiration of the Master Agreement.
8. Supplier shall require each Public Agency to register its participation in the National IPA program by either registering on the National IPA website, www.nationalipa.org, or executing a Master Intergovernmental Cooperative Purchasing Agreement prior to processing the Participating Public Agency’s first sales order.

9. Upon request, Supplier shall make available to interested Public Agencies a copy of the Master Agreement and such price lists or quotes as may be necessary for such Public Agencies to evaluate potential purchases. In addition, Supplier shall provide such marketing and administrative support as set forth in the solicitation resulting in the Master Agreement, including assisting in development of marketing materials as reasonably requested by Principal Procurement Agency and National IPA. Supplier and National IPA shall provide each respective party with its logo (“Logo”) and the standard terms of use for its general use in marketing the Master Agreement. Both parties shall obtain written approval from the other party prior to use of such party’s Logo. Notwithstanding, the parties understand and agree that except as provided herein neither party shall have any right, title or interest in the other party’s Logo. Upon termination of this Agreement, each party shall immediately cease use of the other party’s Logo.

**MONTHLY REPORTING & FEES**

10. Supplier shall pay National IPA an administrative fee in the amount of 2% of the total purchase amount paid to Supplier, less refunds, credits on returns, rebates and discounts, for the sale of products and/or services to Principal Procurement Agency and Participating Public Agencies pursuant to the Master Agreement (as amended from time to time and including any renewal thereof) (“Contract Sales”). Supplier shall provide National IPA with an electronic accounting report, in Microsoft Excel, in the format prescribed by National IPA, on a monthly basis summarizing all Contract Sales for the applicable month. A sample of the Contract Sales reporting format is provided as Exhibit E, attached hereto and incorporated herein by reference.

11. Reports of Contract Sales for Principal Procurement Agency and Participating Public Agencies in each calendar month shall be provided by Supplier to National IPA by the 10th day of the following month. Such reports shall be accompanied by an administrative fee payment in the amount indicated on the report as being due. Administrative fee payments are to be paid by the Supplier to National IPA via Automated Clearing House (ACH) to the National IPA designated financial institution identified in Exhibit D. Failure to provide a monthly report or payment of the administrative fees within the time and manner specified herein shall constitute a material breach of this Agreement and if not cured within thirty (30) days of written notice to Supplier shall be deemed a cause for termination of the Master Agreement, at Principal Procurement Agency’s sole discretion, and/or this Agreement, at National IPA’s sole discretion. All administrative fees not paid when due shall bear interest at a rate equal to the lesser of 1 1/2% per month or the maximum rate permitted by law until paid in full.

12. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. National IPA, or its designee, in National IPA’s sole discretion, reserves the right to compare Participating Public Agency records with monthly reports submitted by Supplier for a period of four (4) years from the date National IPA receives such monthly report. National IPA may engage a third party to conduct an independent audit of Supplier’s monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by National IPA at the location designated by National IPA. In the event an underreporting of Contract Sales and a resulting underpayment of administrative fees is revealed, National IPA will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to National IPA’s reasonable satisfaction, including payment of any administrative fees due and owing, together with interest.
thereon in accordance with Section 11, and reimbursement of National IPA's costs and expenses related to such audit.

GENERAL PROVISIONS

13. This Agreement, the Master Agreement and the exhibits referenced herein supersede any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereto and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained or incorporated herein shall be valid or binding. In the event of any conflict between the provisions of this Agreement and the Master Agreement, as between National IPA and Supplier, the provisions of this Agreement shall prevail.

14. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement or to recover any administrative fee and accrued interest, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which it may be entitled.

15. This Agreement and National IPA’s rights and obligations hereunder may be assigned at National IPA’s sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform National IPA’s obligations hereunder. Supplier may not assign its obligations hereunder without the prior written consent of National IPA.

16. All written communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery on receipt to the addresses as set forth below:

17. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever, and this Agreement will be construed by limiting or invalidating such provision to the minimum extent necessary to make such provision valid, legal and enforceable.

18. This Agreement may not be amended, changed, modified, or altered without the prior written consent of the parties hereto, and no provision of this Agreement may be discharged or waived, except by a writing signed by the parties. A waiver of any particular provision will not be deemed a waiver of any other provision, nor will a waiver given on one occasion be deemed to apply to any other occasion.

19. This Agreement shall inure to the benefit of and shall be binding upon National IPA, the Supplier and any respective successor and assign thereto; subject, however, to the limitations contained herein.
20. This Agreement will be construed under and governed by the laws of the state of Delaware, excluding its conflicts of law provisions.

This Master Intergovernmental Cooperative Purchasing Agreement (the “Agreement”) is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate with National Intergovernmental Purchasing Alliance Company (“National IPA”) (“Principal Procurement Agencies”) to be appended and made a part hereof and such other public agencies who register to participate in the National IPA program by either registering on the National IPA website, www.nationalipa.org, or executing a Master Intergovernmental Cooperative Purchasing Agreement with National IPA (“Participating Public Agencies”) to be appended and made a part hereof.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, a number of suppliers (each a “Supplier”) have entered into Master Supplier Agreements to provide a variety of goods, products and services (herein “Products”) to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Supplier Agreements are made available by Principal Procurement Agencies through National IPA and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase;

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties agree as follows:

1. That each party will facilitate the cooperative procurement of Products.

2. That the procurement of Products by Participating Public Agencies subject to this Agreement shall be conducted in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency’s procurement practices.

3. That the cooperative use of solicitations obtained by the parties to this Agreement shall be in accordance with the terms and conditions of the Master Supplier Agreement, except as modification of those terms and conditions is otherwise allowed or required by applicable federal, state or local law.

4. That the Principal Procurement Agencies will make available, upon reasonable request and subject to convenience, information which may assist in improving the procurement of Products by the Participating Public Agencies.

5. That the Participating Public Agencies that procure Products through any Master Supplier Agreement (each a, “Procuring Party”) will make timely payments to the Supplier for Products received in accordance with the terms and conditions of the Master Supplier Agreement. Payment for Products and inspections and acceptance of Products ordered by
the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase.

6. The Procuring Party shall not use this agreement as a method for obtaining additional concessions or reduced prices for similar products or services.

7. The procuring party shall be responsible for the ordering of Products under this agreement. A non-procuring party shall not be liable in any fashion for any violation by a procuring party, and the procuring party shall hold non-procuring party harmless from any liability that may arise from action or inaction of the procuring party.

8. This agreement shall remain in effect until termination by a party giving 30 days written notice to the other party. The provisions of paragraphs 5, 6 and 7 hereof shall survive any such termination.

9. This agreement shall take effect after execution of the Principal Procurement Agency Certificate or Participating Public Agency Registration, as applicable.
PRINCIPAL PROCUREMENT AGENCY CERTIFICATE

In its capacity as Principal Procurement Agency for National IPA, NAME OF PPA agrees to pursue Master Agreements for Products as specified in the attached exhibits to this Principal Procurement Agency Certificate.

I hereby acknowledge, in my capacity as _______ of and on behalf of NAME OF PPA (“Principal Procurement Agency”), that I have read and hereby agree to the general terms and conditions set forth in the attached Master Intergovernmental Cooperative Purchasing Agreement regulating the use of the Master Agreements and purchase of Products that from time to time are made available by Principal Procurement Agencies to Participating Public Agencies nationwide through National Intergovernmental Purchasing Alliance Company (“National IPA”) pursuant to the terms of the Administrative Agreement by and between National IPA and the applicable supplier.

Questions/Comments resulting from the pre-proposal conference held on 11/14/2014:

1. Must the responding supplier be able to support all geographical areas that are listed in the RFP? Answer: Suppliers are encouraged to respond with the geographic areas they are able to support effectively and efficiently. Suppliers' responses will be evaluated based on the Award Criteria to determine the response(s) that provides the best value.

2. My product shipping and installation costs may vary depending on the delivery location. Is it acceptable to charge additional amounts for service to select areas or States? Answer: It is permissible to provide a pricing structure with separate ancillary or add-on charges, however, the response must be very clear as to when the additional charges apply and how the charges are established. The pricing structure should be easily understood and easy to apply and evaluate.

3. Must the responding supplier be able to support all categories that are listed in the RFP? Answer: No. There are 18 categories and it is understood that some of these items may be a niche product and not provided by all suppliers.
