OMNIA/Region 4 Proposed Changes 09/20/2019

New Lines (reflected in all matrices):

- Holmris B8
- Quantum Storage

Product Pricing Revisions:

- Alumni – Changed discount structure and moved to freight paid. Therefore, we request to revised discount and freight matrices.
- AmTab - Revised pricing from AmTab resulting in better discounting to the customer
- Safeco – Our pricing terms have standardized with the manufacturer. Now all product types received the same discounting, instead of three different discount structures. We request to consolidate the pricing into one row of discounting.

Freight Revisions:

- Alumni – Revised freight terms. Moved to freight paid.
- Interior Concepts – Revised freight fee for tier 2.
- Mediatechnologies – Revised freight terms for tier 2. Standardized to match zone 4.
- National Office Furniture – Revised freight terms for tier 1
- Nexel - Revised freight terms. Nexel now offers more than just wire shelving. The free freight program still applies to their wire shelving. All non-wire products will have freight added at the attached proposed discount structure.
- USA Capitol - Revised freight terms. Standardized to match zone 4.

Install Revisions:

- Add Washington and Oregon states to note number 3.

ADDITIONAL SERVICES					
Miscellaneous Labor	Please see Additional Services Price List.				
MeTEOR Enhanced Installation	Personalized professional services which ensure site and end user readiness prior to installation, as well as best fit user training upon installation. Please see Additional Services Price List.				
Additional Support Services	Please see Additional Services Price List.				

NOTES:

1. Installation services may or may not include attachment to walls, floors, concrete, etc. Please confirm at time of quote.
2. This product is ideally for dry-wall application and if concrete block, dry-wall backer is recommended. These elements are not included in the contract pricing listed above.
3. Installations in the following cities/areas/states/regions will have an additional 5% installaton fee: California, New York, New Jersey, Washington, Oregon, Central Texas including San Antonio, Houston, TX, Dallas Fort Worth, Outer Areas of New Mexico, and rural areas nationwide (as defined as by US Census Bureau).
4. Quotes will be provided upon request.
5. Prevailing Wage - Prevailing wage rate as required by law will vary throughout the course of this contract. Per the requirements of the individual state, any time a government entity is required by law to abide by the prevailing wage rate clause for that state, MeTEOR will submit all support materials (ex: current prevailing wage rates, number of hours needed for installation, etc.) from the contractor or subcontractor before the project for an estimate and after for the final bill according the guidelines so that the install can be audited with firm pricing.

Find the right column

In order to illustrate which type of column is recommended in relation to the chosen classroom chair, we have prepared the below table as an auxiliary tool.

Lift point indicates the number of pounds that the seat is lifted within the tolerance range shown.

The lower point indicates the number of pounds that the seat is pressed down within the tolerance range shown.

Holmris B8 Warranty

9. Guarantee

9.1 HB8 offers a five-year manufacturing guarantee on new, self-manufactured articles against manufacturing defects in materials and constructions. In no circumstances shall the guarantee comprise ordinary wear, tear and age, damage to cover or surfaces (including surface treatment) or damage due to wrong and/or inadequate maintenance or use.
9.2 For mechanical and electronic parts, a two-year manufacturing guarantee is offered, subject to the content and limitations following from clause 9.1.
9.3 Any products manufactured subject to specifications by the customer are not comprised by HB8s test certificates for strength, durability and stability, and HB8 shall not provide any guarantees in these respects.
9.4 If the guarantee is invoked, HB8 shall be free to choose between (i) redelivery, (ii) repair, (iii) accepting return of the articles against crediting of the purchase price and (iv) offering the Buyer a proportionate reduction in the purchase price. In general, the provisions of clause 14 concerning limitation of liability shall apply to any liability for damages.

10. Defects and complaints

10.1 Complaints about errors or defects in the article shall be made in writing no later than 7 (seven) days after the time of delivery. Complaints made after the expiry of this time-limit shall have no legal effect unless the error or defect could not have been established by performing a prudent examination of the article immediately upon delivery. In the latter case, the complaint shall be made no later than 7 (seven) days after the error or defect is or should have been established. Under no circumstances may errors or defects be invoked later than 1 (one) year after delivery unless a guarantee has been provided in accordance with clause 9.
10.2 Complaints about transport damage or other errors and defects that are visible before unpacking the article shall be submitted in writing to the carrier by the Buyer upon receipt of the article and noted on the bill of carriage. Otherwise, the damage may not be claimed against HB8.
10.3 In case of timely complaints about errors and defects, clauses 9.4 and 14 shall apply.
