Large, Black (DOB 30501BO)

X-Large, Black (DOB 30502BO)

- Bunk weight (Large) 60 lbs.// (X-Large) 62.5 lbs.
- Weight tolerance – 500 lbs. per single cot
- Stretch out (Large) 28" wide//(X-Large) 35" wide
- Tool-free construction
- Can be quickly disassembled and stored in the included compact carry bag

BODY THERMOMETER

US2 MS-131002

- Non-contact infrared body thermometer
- Entire screen with change color to indicated Normal, Medium, or High temperature
- Measurement time: less than 2 seconds
- Measuring distance: .4-2"

ALCOHOL CLEANING WIPES

MAG ST100DNA

- 70% alcohol formula
- 100 towelettes per dispenser, 10 dispensers per case

DISCIDE ULTRA DISINFECTANT

PHC 3565Q (Quart Sprayer)

PHC 10DIS (Towelettes)

- Hospital-level, one-step, ready-to-use quaternary ammonium, intermediate high-level alcohol-based disinfectant
- Must remain wet for at least 60 seconds
- Cannot be diluted

SELF-HEATING EMERGENCY MEALS

AMQ 12400

- 12/CS
- Expiration date of 2024
- Stored at 70-80°F, you will still get the maximum life of the food for 36-40 months. These are only recommended dates and the food can still be palatable after this time
- No refrigeration required
- Lightweight, portable meals
- Durable, easy-open packaging
- Easy preparation
- Every APack™ Ready Meal pack contains an entrée, side dishes, seasoning packet, utensil, napkin, and self-heating unit

E-Z UP UTILITY SHELTER SYSTEM – Ideal for mobile screening

SFW EZE-BLK-GF (E-Z UP 10x10 Endeavor, Black, w/Flaps)

SFW EZE-BLK-NF (E-Z UP 10x10 Endeavor, Black, no Flaps)

SFW EZE-GRY-GF (E-Z UP 10x10 Endeavor, Gray, w/Flaps)

SFW EZE-GRY-NF (E-Z UP 10x10 Endeavor, Gray, no Flaps)

- 10' x 10'
- Ultra durable utility walls
- Easy to deploy and move
- Dual roll-up doors can be completely closed
- Mesh roll-up windows can be unzipped for visibility or closed for containment
- Utility port provides duct access for heating and cooling
- Power ports
- Water repellent ground flaps secure your walls in place

DEPLOYED LOGIX – Ideal for mobile hospitals and mobile command centers

ASAP-12 Rapid Shelter System (DLX SMRPA12)

- 16' x 12'
- Two-person, 60 second set-up
- Lightweight durability
- Mil Spec blackout vinyl with removable endwalls (2)
- Insulation liner with radiant barrier aluminized backing & removable endwalls (2)
- Waterproof vinyl floor with sealable exterior berm (4")

ASAP-18 Rapid Shelter System (DLX SMRPA18SW)

- 16' x 18'
- Two-person, 60 second set-up
- Lightweight durability
- Mil Spec blackout vinyl with removable endwalls (2)
- Insulation liner with radiant barrier aluminized backing & removable endwalls (2)
- Waterproof vinyl floor with sealable exterior berm (4")

ASAP-HUB SHELTER SYSTEM (DLX SMRPAHUB)

- 16' x 16'
- Two-person, 15 minute set-up
- Mil Spec blackout vinyl with removable endwalls (4)
- Insulation liner with removable endwalls (4) and protective vinyl wrap
- Waterproof vinyl floor with sealable exterior berm (4")
- Interchangeable connectivity
- Offered as a comprehensive package, complete with hard case, insulation liner, lights and more
- Withstands the harshest conditions
- Can stand on its own
