

Sport Surface Specialties

A **PLAYCORE** Company

Region 4 Education Service Center has awarded a cooperative purchasing agreement for sport surfaces, installation, and related material. This competitively solicited and publicly awarded contract is available to agencies nationwide via National IPA.

ABOUT NATIONAL IPA

National IPA is redefining the future of cooperative purchasing. The cooperative purchasing organization is dedicated to serving public agencies and educational institutions nationwide. All cooperative agreements have been competitively solicited and publicly awarded by a public agency/governmental entity.

SPORT SURFACE SPECIALTIES

Sport Surface Specialties, a PlayCore Company, has been selected as an approved surfacing material and service provider by Region 4 Education Service Center and has named National IPA as the cooperative. The company, known for expert, compliant safety surfaces for recreational spaces, was awarded the contract after a competitively solicited contracting process. The three year sport surfaces, installation, and related material contract agreement will provide ease of selection, improved costs, and reduced administrative costs for participating government entities.

The contract provides the full line of surfacing solutions, plus all related services to participating agencies within the National IPA cooperative purchasing organization. This includes state, county, city and municipal agencies, public and private educational institutions, special districts and nonprofit organizations
