

SAVINGS REPORTS

ONLY OFFERED THROUGH NATIONAL IPA

National IPA provides exclusive Savings Reports only offered to the public sector and educational institutions on contract #112917-USF.

Our powerful and highly innovative portfolio of web-based reporting tools allows our customers to focus on qualitative and financial objectives at the product level.

There are four (4) separate and distinctive

Savings Reports:

- **Savings:** Identifies savings opportunities and coordinates sampling opportunities
- **Standardization:** Provides direction on maximizing standardization savings
- **Inflation:** Tracks inflation, spotlights problem areas, identifies product level opportunities
- **Scorecard:** Details all cost metrics including landed cost, mark-up, deviations, freight, etc.

“The program offered exclusively by National IPA, provides valuable data that my team can utilize to continually improve our food purchases. It is a fabulous tool that provides comparisons and recommendations that drive additional savings and value. I use it to prepare reports and documentation purposes on a regular basis. The National IPA Savings Reports have made the process of purchasing food so much easier..... and generated real savings for our institution.”

- Jon Brubacher, Director of Procurement & Contracts
Miami University of Ohio

About National IPA

National IPA is a cooperative purchasing organization dedicated to serving public agencies and educational institutions nationwide. National IPA participants using our food contract with US Foods have access to the most competitive and extensive contract portfolio available, leveraging more than \$100 billion in purchasing power, of which \$1.5 Billion is food.

What differentiates us from other cooperatives? We have a robust portfolio and the most experienced team in public procurement and cooperative purchasing. We have the fastest growing participant list in the market, resulting in the largest purchasing power. Our supplier partners are nationally-recognized industry leaders and our principal lead agencies are considered the best in public procurement. All contract documentation can be found on our website at www.nationalipa.org.
