U.S. COMMUNITIES™
GOVERNMENT PURCHASING ALLIANCE

U.S. Communities is the leading national government purchasing cooperative, providing world class government procurement resources and solutions to local and state government agencies, school districts (K-12), higher education institutes, and nonprofits looking for the best overall supplier government pricing. Contract #12-JLH-011C.

SAFE SOLUTIONS

PROTECTIVE APPAREL

Help keep staff safe by providing protective apparel, including flame resistant uniforms and lab coats.

PERSONAL PROTECTIVE EQUIPMENT

Protect your employees from head to toe. From hard hats and ear plugs to safety glasses and gloves, count on Cintas to help you keep your PPE organized, inventoried and available with products from leading manufacturers as well as our own private label.

CLEAN SOLUTIONS

MICROFIBER SERVICE

Make cleaning more effective and efficient with RubberMaid® microfiber mops, towels and dusters — which remove 99.9% of surface contaminants in a fraction of the time. Plus, Cintas will thoroughly clean and deliver your microfiber on a scheduled basis, saving you from time spent managing inventory.

TILE & CARPET DEEP CLEANING

Revived floors say you're **Ready™** for business. Our platinum-certified process, recognized by the Carpet and Rug Institute, deep cleans more thoroughly than any other method — using greater heat, high-pressure steam and a four-step hot water extraction process.

IMAGE SOLUTIONS

CARHARTT® RENTAL UNIFORMS

Only Cintas can deliver Carhartt® in an easy, dependable and affordable rental program. Cintas will outfit your worker in genuine Carhartt gear — both flame resistant and non-flame resistant.

UNIFORM RENTAL

A uniform rental program makes life easier by providing durable, comfortable garments and hassle-free service to control employees' appearance.

MAT SERVICE

Protect your floors with professionally laundered rental mats — ranging from custom logo and scraper mats, to anti-fatigue and safety-message mats. With Cintas delivering fresh mats every week, you'll help keep your facility clean, you'll save time on mopping, and you'll reduce the likelihood of having to replace flooring.

AUTOMATED EXTERNAL DEFIBRILLATOR (AED)

If a cardiac emergency happens, are you prepared to take charge? Count on our AED programs that include industry leading devices, professional on-site service, online program management, medical direction and installation — giving you confidence that your batteries are charged, your pads are ready and your software is updated.

FIRST AID CABINETS

Be more prepared to respond to injury or illness with our scheduled onsite service. You choose the first aid supplies you'd like us to restock on a consistent basis — from bandages, gauze and antiseptics, to workplace medicine, burn care and more — and our certified professionals will deliver to your facility's first aid cabinet.

FIRE PROTECTION

Help protect your employees and business with our fire protections services, cutting-edge technology, detailed processes and trained technicians.

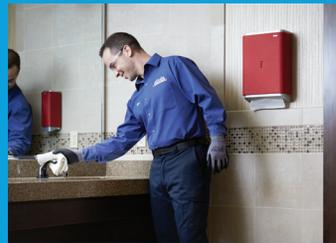

SIGNET® CLEANING CHEMICAL SERVICE

Be free from having to mix chemicals, store bulky containers or place orders. The Signet® Cleaning Chemical System automatically dispenses the perfect amount of properly diluted cleaning chemical to ensure effective cleaning, plus scheduled service visits help you keep product in stock without having to carry inventory.

CLEANROOM SUPPLIES

Contamination control for precision environments from a single supplier.

RESTROOM SUPPLIES

No more running the risk of customers finding empty restroom dispensers. With our routine restocking service, you'll always have essential hand care, paper and air freshener products on hand — and your restrooms will be Ready™ for a customer visit any time during the workday.

MOP SERVICES

Dirty mops breed germs and bacteria. But with the Cintas rental mop service, you'll have peace of mind knowing your mops will be picked up, professionally cleaned and sanitized, and returned every week. And you can choose the mops that best meet your needs — from microfiber tube mops

WOMEN'S GARMENTS

Our women's uniforms have been designed with a woman's body in mind so that you'll always look and feel great.

UNIFORM PURCHASE AND SHOEMOBILE

For garments that you are unable to rent from Cintas, you can purchase. The Cintas Shoemobile is a shoe retail on wheels. We come to you with top industrial footwear brands for your employees.

SIGNATURE SERIES® DISPENSERS

An exclusive line of designer restroom dispensers that delivers a sleek, functional and customizable design.

CULINARY SOLUTIONS

In the foodservice business, it's important to display a consistent and professional impression at all times. Our complete line of uniforms, linens and cleaning supplies will help enhance the dining experience.

SUSTAINABILITY

Cintas is committed to improving the lives of our customers, partners and communities by integrating environmentally sustainable practices, principles and solutions across our business lines.

SUPPLIER DIVERSITY

Cintas has a robust commitment to supplier diversity. We believe it's essential to give diverse suppliers equal access to business relationships with Cintas, so we can successfully strengthen our supply chain, enhance our value as a company and drive a competitive advantage. We're also continuing to diversify our supply chain because the face of our markets is ever changing. It's our responsibility to accurately reflect those changes.

SAFETY

We know how important it is for safety principles and practices to be fully embedded in our corporate culture, and at Cintas, our employee-partners always act with safety in mind.

Getting your facility **Ready for the Workday®** is easier than you might think.
