Request for Vendor Contract Update

Pursuant to the terms of your awarded vendor contract, all vendors must notify and receive approval from Region 4/TCPN when there is an update in the contract. No request will be officially approved without the prior authorization of Region 4. Region 4 reserves the right to accept or reject any request.

VARIDESK, LLC hereby provides notice of the following update to
(Vendor Name)

TCPN contract number: R180404 for ERONOMIC SOLTUIONS on this date July 22, 2019.
Contract Title

Instructions: Vendors must check all that may apply and shall provide supporting documentation. Place your initials next to each item to confirm that documents are indeed included. Request received without supporting documentation will be returned. Be sure to sign prior to submitting your update for approval. **This form is not intended for use if there is a material change in operations, which may adversely affect members, i.e. assignment, bankruptcy, change of ownership, merger, etc. Please contact a member of the TCPN Contracting Team to request a "*Notice of Material Change to Vendor Contract*" form.**

ProPlus™ 32 Electric

VARIDESK®
WORK ELEVATED®

Plug into a better day with a standing-desk solution that adjusts with the touch of a button. This electric sit-stand desk converter has a smaller footprint that makes it a perfect fit for a home office or compact workspace, or for a flex space in the office. Like all VARIDESK desktop converters, this electric sit-stand solution requires no assembly. Place it on your desk, plug it in, add monitors, keyboard, and mouse, and get back to work, sitting or standing.

- **Continuous adjustable height settings up to 19 1/8" (48.5 cm)**
- **Control panel with press-and-hold up/down controls**
- **Comes fully assembled**
- **Works with your existing desk**
- **Supports up to 50 lbs. (22.7 kg)**

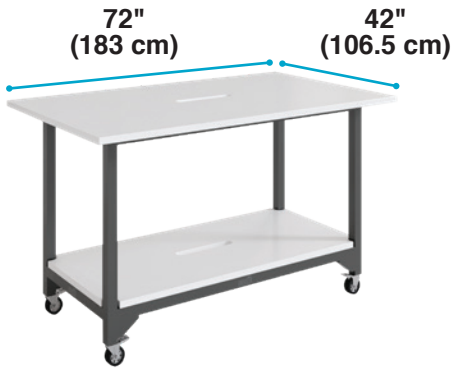
QuickPro™ Conference

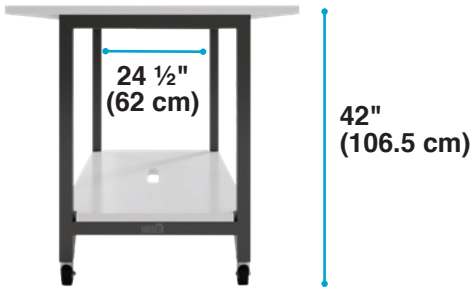
VARIDESK®
ACTIVE WORKSPACE™

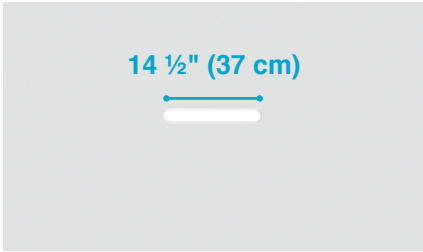
Finishes: Butcher Block | Reclaimed Wood | White

The generous work surface easily accommodates up to 8 people, and the lower shelf is perfect for storage or resting a foot. We also offer tall conference chairs for seating options. Like all QuickPro products, the QuickPro Conference assembles in minutes thanks to our QuickGrip hand-bolt system. Its sturdy and durable frame makes it a heavy-duty meeting table, but our roll-and-lock casters help you easily move it when necessary.

- **Lockable Casters**
- **Assembles Quickly and Easily**
- **Center Opening for Cable Management**
- **Durable Laminate Finish**
- **Supports up to 300 lb (136 kg)**







For patent and trademark information, visit VARIDESK.com/patents ©2019 VARIDESK®. All Rights Reserved.

QuickPro™ MeetingTable

VARIDESK® WORK ELEVATED®

Make the most of your meetings with the QuickPro Meeting Table. With easy assembly and the ability to link multiple tables together, you can create a meeting space that fits the size of your room or group in minutes. Each table is made from commercial-grade materials and can be set to one of three different heights. With the option to meet sitting or standing, it's perfect for quick meetings or long work sessions.

- **Assembles Quickly and Easily**
- **Durable Laminate Finish**
- **Multiple Tables Can be Linked Together**
- **Center Grommet for Cable Managment**
- **3 Different Height Settings**
- **Supports up to 300 lb (136 kg)**

QuickPro™ Desk 60x24

VARIDESK® WORK ELEVATED®

The QuickPro Desk 60x24 gives anyone a complete base of operations, with plenty of room for a dual-monitor setup, keyboard, mouse, and more. It can be assembled in minutes and used as an individual workstation or paired with another desk as a return for more space. This desk also features legs that can link multiple desks together through our QuickGrip hand-bolt system, easily creating a seamless benching application of workstations.

- **Can Link Multiple Desks for Benching Configuration**
- **Assembles Quickly and Easily**
- **Cable Managment Tray**
- **Durable Laminate Finish**
- **Supports up to 300 lb (136 kg)**

DraftingChair

VARIDESK.com

For better comfort and better work, we've created a better chair. Not only does this stylish chair offer a sleek profile that can work in any office featuring a mesh seatback that's both durable and breathable, we've designed it to give you the best ergonomic seat in the house. It includes an adjustable footrest, the chair back can slide up and down, and the arms have multiple points of articulation, including up, down, forward, backward, and angled in and out, so you can adjust it to be the perfect fit for you. Assembled in only minutes, it's adjustable to heights of up to 36.5", so it pairs best with drafting desks, standing desks, and standing conference tables.

PRODUCT SPECIFICATIONS

- Multiple adjustment points allow for maximum adjustability
- Height adjustable from 26.5" – 36.5" (48 cm – 58.5 cm)
- Supports up to 250 lb (113.4 kg)

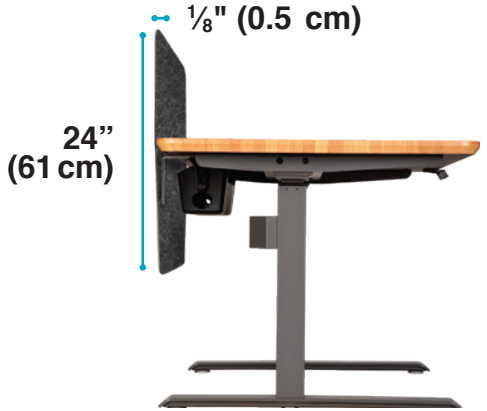
Privacy+Modesty Felt Panel 48

VARIDESK®
WORK ELEVATED®

The Privacy+Modesty Felt Panel 48 provides privacy and sound-dampening to your active workspace. Each felt panel mounts directly to your desk to reduce visual distractions and hides the desktop and underside of your desk, along with cords and cables. Attaching the panel is as easy as sliding the clamps onto the desk – it requires no additional tools and take only minutes.

- **Easily Attaches to Desk with Included Hardware – No Tools Required**
- **Durable PET Felt Material**
- **Works seamless with ProDesk® Electric 48 and QuickPro™ Desk 48x24**
- **Provides Privacy Above and Below Desk**



For patent and trademark information, visit VARIDESK.com/patents ©2019 VARIDESK®. All Rights Reserved.

SchoolDesk

VARIDESK®
WORK ELEVATED®

Research shows that moving more and sitting less can help keep students engaged, focused, and healthy. VARIDESK® makes it easy to add more movement into every classroom while still supporting a traditional classroom structure. Perfect for 5th-12th grade classrooms, these adjustable-height desks allow for students to select the standing height that works best for them with an easy spring-assisted lift. With an ergonomic footrest and a writable desktop surface, students have the freedom and flexibility to move more at their individual desks without disturbing the classmates around them.

- **Spring-Assisted Lift Adjustable to Heights Between 32”-46”**
- **Dual-Level Footrest**
- **Writable Desk Surface**

Sit-Stand SchoolDesk

VARIDESK®
WORK ELEVATED®

More movement, like standing during the day, has been linked to better focus, more energy, and other health benefits that every student should have access to. Ready for happier, healthier, more productive classrooms? The Sit-Stand SchoolDesk offers the simple setup and ease of use that VARIDESK® is known for and makes it available for classrooms everywhere. Perfect for students in grades 3-12, adjustable-height desks use a simple air piston-assisted lift to move up and down, giving everyone in the classroom the flexibility to sit or stand throughout the day.

- **Air Piston-Assisted Lift Adjustable to Heights Between 26”-42”**
- **Steel Crossbar for Enhanced Stability**
- **Writable Desk Surface**
- **Easily Assembles in Minutes**
