ProDesk® 48 Electric WHITE

VARIDESK.com

We created the ProDesk® 48 Electric with contract-grade materials and designed it to do something no other electric standing desk can do – assemble in under 5 minutes while being incredibly stable at any height. Each desk is designed to last, featuring a sturdy frame with stability crossbar for enhanced stability and a heavy-duty laminate finish. Its unique legs, with our patent-pending, easy-to-attach feature, mean it takes less than 5 minutes to assemble. Memory settings and an LED display make it easy to adjust to any height from 25.5" – 50.5". With multiple finishes that showcase its stylish chamfered edges, there's a look that's sure to fit your style.

Stand2Learn™ Desk K-5

VARIDESK.com

The research-backed design of the K-5 model of the VARIDESK® Stand2Learn Desk keeps young students engaged, focused, and healthy in the classroom. Designed for students in kindergarten through 5th grade, it can be set anywhere between 26 to 36 inches high during assembly, and the work surface is slightly angled to reduce eye strain for young readers. The dual-level footrest offers ergonomic comfort and the smooth, rounded desktop edges and corners make it safe and comfortable in any active classroom. The durable, sealed laminate desktop includes a convenient pencil groove and can also be used as a whiteboard for note taking and collaboration.

QuickPro™ Meeting Table BUTCHER BLOCK

Item No
46188

VARIDESK.com

Make the most of your meetings with the QuickPro Meeting Table. Whether you prefer to have your meetings sitting or standing, each table can be set to three different heights and you can easily link multiple tables together to add more meeting space when you need it. With our QuickGrip hand-bolt, each table only takes minutes to put together, and like all of our products, each table is crafted with commercial-grade materials so it will last a lifetime.

QuickPro™ Conference RECLAIMED WOOD

VARIDESK.com

The generous work surface easily accommodates up to 8 people, and the lower shelf is perfect for storage or resting a foot. We also offer tall conference chairs for seating options. Like all QuickPro products, the QuickPro Conference assembles in minutes thanks to our QuickGrip hand-bolt system. Its sturdy and durable frame makes it a heavy duty meeting table, but our roll-and-lock casters make it easy to move when necessary.

QuickPro™ Desk 60x24 DARKWOOD

VARIDESK.com

The QuickPro Desk 60x24 gives anyone a complete base of operations, with plenty of room for a dual-monitor setup, keyboard, mouse, and more. It can be assembled in minutes and used as an individual workstation or paired with another desk as a return for more space. This desk also features legs that can link multiple desks together through our QuickGrip hand-bolt system, easily creating a seamless benching application of workstations.
