

Striking the ideal balance

**Centralized
control you
demand.**

**Local
flexibility
you need.**

NETWORK[®] is a distribution solution for supply chain professionals handling multi-site programs. We strike the ideal balance between the centralized control you demand and the local flexibility you need to drive business success.

NETWORK is Distribution by Design[®]

Centralized control

NETWORK offers a powerful centralized management system that improves operations and reduces total overall costs. You set the terms, we deliver on them.

- TAILORED CONTRACTS AND PROGRAMS
- CONSISTENT NATIONAL SERVICE
- DEDICATED COMPLIANCE TEAM
- SOPHISTICATED ORDERING PLATFORM

Let's design the right solution for you.
