POSTAGE AND MAILING EQUIPMENT AND SOLUTIONS

1. University Response to Supplier Questions:

Supplier Question:	University Response:
1. Please clarify if it is the intent to award a single or multiple vendors contracts as a result of the responses you receive to this RFP.	The University intends to award to a single bidder, however per Section 8 of University of Nebraska Request for Proposal Terms and Conditions, the University reserves the right to award to multiple bidders.
2. On RFP Attachment A, Section 1.3 Estimated Volume, it states the annual volume estimated from the Master Agreement is \$50,000,000.00. Please help us understand how that was arrived at and confirm that the number does not include actual postage amounts.	The estimated volume is projected based on the current annual volumes among the Lead Public Agency, other Participating Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners. The number does not include actual postage amounts.
3. The Agreement requires Contract Sales Reports to be submitted by the 10th day of the month following each calendar month. Would OMNIA Partners consider it acceptable for the Supplier to submit the Contract Sales Report within 30 days after the end of each calendar month, rather than by the 10th day, while still using the required Exhibit C format?	Exceptions to any portion of the OMNIA Partners Administration Agreement may be submitted in Section 2.19 Attachment A, Exhibit B exceptions – OMNIA Partners Response for National Cooperative of the proposal.
4. Due to the extensive nature of this bid, can the due date be adjusted to May 29th?	Please see “Updated Schedule of Events - POSTAGE AND MAILING EQUIPMENT AND SOLUTIONS RFP – Addendum 3” in Section 2.6 Updated Schedule of Events.
