

April 1, 2019

**We have reviewed the responses for High Performance Building Consulting and Utility Management Solutions, Smart Technology and Related Products and Services and recommend that the following companies be awarded:**

**ABM Building Solutions LLC**

**Midstate Energy**

**The recommended vendors submitted offerings were determined to be most beneficial to members of National Cooperative Purchasing Alliance (NCPA), based upon the bid tabulation. All the recommended respondents were determined to be competitively priced and capable of providing good quality products and services as specified. We will monitor their performance and determine whether they are eligible for renewal with each new term.**

**This multiple award is recommended as most beneficial to NCPA's members. In order to serve the entire nation, a multiple award is recommended to provide any governmental agency with complete coverage of commodities, services and any other offering within the scope of proposal.**

**Sincerely,**

**Matthew Mackel**
