#### ONLINE BOOKING TOOLS

We have strong relationships with a number of online booking tool suppliers and will provide complete support to your organization. This includes a technical team that handles all customized travel site builds, aligning your travel policy to the site, as well as a dedicated traveler support team. Our support team members are highly qualified and will assist the traveler to complete a booking, and share helpful tips on how to best use the tool in the future.

#### CONSULTING SERVICES

ALTOUR's Business Travel Consulting team is comprised of vendor relations experts from across not only all travel verticals – air, car, hotel, etc. – but also across various channels within our own organization. This multi-divisional approach allows us to provide our clients with collectively hundreds of years' worth of experience.

#### ALTOUR24 AFTER-HOURS SERVICE

Travel can be unpredictable. When the best-laid plans go astray, we're available, around the clock and around the world. ALTOUR24 is wholly owned and available during non-business hours, 365 days a year.

#### DUTY OF CARE

ALTOUR is committed to helping our clients meet their Duty of Care responsibilities. Our strategy is to work with our clients to align a risk management program to meet each customer's individual needs.

#### SUSTAINABILITY

ALTOUR has partnered with industry leader, Thrust Carbon, which allows our clients to have access to market-leading consultancy and calculations covering all elements of a trip.

#### MEETINGS & INCENTIVES

Whether it's a national sales meeting, trade show, customer conference, incentive program, or a full SMM solution, our M&I team discovers, designs, and delivers.

We combine customized technology with scalable pricing to ensure your program fits your desired outcome. We find, select, negotiate, coordinate, plan, promote, create, transport, staff, reconcile, measure, track, and audit every detail.
