Polarity™ Magnetic Steel DRY ERASE WHITE BOARD

ABOUT

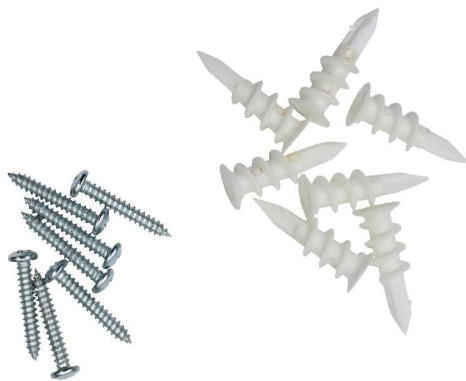

Versatility, form and modularity. Use it alone or mix and match with other Polarity™ boards or the Polarity™ Adjustable Height Flipchart Easel to create a full collaborative or teaching wall.

FEATURES

- The minimal aluminum frame allows for flush side-by-side mounting creating a nearly seamless expansion while the superior coated steel surface resists staining and ghosting for easy cleaning.
- The magnetic surface doubles as a bulletin board for posting notes and reminders.
- Built-in channel brackets provide flexible, secure flush wall mounting.
- Additional features include an integrated marker ledge and an adjustable eraser tray.
- Use with Iceberg's Aluminum Eraser as the perfect complement to the modern aesthetic of our Polarity™ line of boards.

15 YEAR
WARRANTY

INGENUITY™ PRESENTATION FLIPCHART EASEL

ABOUT

A stylish easel with smarts! Sturdy structure, smart design, easy setup, and portability are just a few of the features that make this easel a must for conference and meeting rooms, training and seminars, offices and schools. Combined with a dry erase surface this item makes an effective collaboration and communication tool for all occasions.

FEATURES

- Contains a melamine dry-erase writing surface, which ensures that this is an effective collaboration and communication tool.
- Securely mount an easel pad to this board with thumbscrews.
- The body is constructed of dent- and scratch-resistant blow-molded high-density polyethylene.
- Moving this easel is easy with side grab handles and steel legs that fold and lock into the back cavity for protection and storage.
- Easy-access side marker holder and accessory compartment complete the features.
