Accurate Background

accurate.

Helping clients make quick, compliant and informed hiring decisions

Academic institutions are tasked with ensuring a safe environment for students and staff, while simultaneously delivering quality education. Doing so requires complex staffing decisions based on a wide variety of job types including faculty, staff, janitorial, security, maintenance and extra-curricular staff as well as statuses including full-time, part-time, contract and intern.

Accurate is a leading provider of compliant, automated workforce screening solutions that put people first by optimizing every part of the candidate and client experience. We leverage proprietary technology and superior service to help organizations mitigate risk, drive efficiency and deliver a positive candidate experience.

- 24/7 U.S. based client and candidate support
- Speed that doesn't compromise quality
- Integrated compliance technology
- Industry leading verification rates
- Seamless integration with leading ATS (Applicant Tracking Systems)
- Mobile optimized candidate experience
- LiveChat support from any device
