RE: Allsteel Inc. request for price adjustment for Region 4 Furniture, Installation and Related Services
 Contract R191802

Dear Mr. Zingelmann:

Allsteel remains focused on controlling costs and furnishing the industry's best product lines at the most competitive prices to you. Several external market factors impact our pricing, including economic inflation and general labor cost increases.

We have and will continue to aggressively manage and minimize the impacts of these items to our cost structure through ongoing productivity projects and cost-savings initiatives.

The above actions only partially offset the material increases we have incurred, and therefore we will implement a 2.5% price adjustment effective June 6, 2020 to keep pace with base inflationary pressures. The 2.5% core adjustment encompasses both furniture and architectural product lines for Allsteel, including previously approved specially engineered products, varying slightly depending on product line and type. Orders at current pricing will be accepted until 9pm CDT 30 days after the April 2020 List Pricer goes into effect.

We would also like to update the Gunlocke pricing to the January 1, 2020 List pricers. These products are increasing as follows:

| Category | | 0% | +3% | +10% |
|-----------|------------|--|--|-------------------------|
| Casegoods | | Silea ^{EH} , Medley ^{EH} , Trio ^{EH} | Credentials | |
| | Conference | | Briefing, Letchworth, Medley, Saranac, Trio | Converge |
| Tables | Training | | Briefing, Trio | |
| | Occasional | | Briefing, Calm | Cylinder/Cube, Kenna |
| Seating | Lounge | | Calm, Ciji, Iris, Urbana | |

Allsteel®

| | | | |
|--------|-----|---|---------|
| Swivel | | Avoca, Edition, Genesee, Geneva, Olla, Washington | Attract |
| Guest | LIV | Bank of England, Calia, Camille, Lily, Metta, Multi, Savor, Tia | Stretto |
| Stool | LIV | Convo, Multi, Tia, Trillia | |

Additionally, the China-imposed tariffs have created an unavoidable increase in Allsteel and Gunlocke's raw material pricing on certain imported goods and materials. Because of this we are requesting to apply the following surcharge amounts on all furniture products as outlined below:

- Allsteel – 3.125%
- Gunlocke – 1.5%

Overall, we remain focused on assuring our pricing practices allow us to compete successfully in the market.

Thank you for your continued business and opportunity to provide Region 4 customers quality Allsteel and Gunlocke products.
