Notes: Vendor may include other notes regarding the contract update here: (attach another page if necessary). Burke submitted 2022 Pricing as part of our RFP response. Since the response was submitted, we have added several new playground products along with a new line of Play4Pups equipment and ShadePlay Max shade equipment. These new products have been added to the price list to ensure it includes our complete line of products. BCI Burke is requesting an increase on 75 Burke Tile Surfacing SKUs due to increased rubber costs passed on by our supplier as of April 1, 2022. Re-assessment of prices will be done in December, 2022 at which time if prices need to remain (or change), a new contract update will be re-submitted, otherwise prices will revert back to today's pricing after December 31, 2022.
