SCOPE OF WORK
NOTICE OF REQUEST FOR QUALIFICATIONS NO. 222865
ON-CALL ARCHITECT SERVICES

I. INTRODUCTION AND DESCRIPTION OF SCOPE OF SERVICES

The City of Tucson wishes to award approximately seven (7) contracts to provide on-call architectural services on an “as-needed” basis. This is to establish nonexclusive “services-on-demand” retainer type professional service contracts. The contracts will be based on a negotiated hourly billing rate. A scope of work and a total not-to-exceed fee amount will be negotiated as each project arises. These contracts will reduce the administrative burden associated with multiple short form professional service contracts, provide adjunct consultant service to accelerate the design process, and furnish auxiliary construction administration for small projects.

As described below, the City of Tucson has partnered with OMNIA Partners, Public Sector to create a cooperative contract. **NOTE:** Participation in the OMNIA contract is encouraged but not a mandatory requirement. Consultants will be first evaluated technically based on the evaluation criteria and once negotiations are entered, there will be additional discussions regarding OMNIA and the cooperative program. Cooperative contracts may be awarded at a local, regional, or more national level. All Consultants are encouraged to attend the pre-proposal and to submit a proposal.

PROJECT: Professional Architectural Services for Miscellaneous Projects

LOCATION: Various

FEE BASIS: Negotiated Hourly Billing Rates

COOPERATIVE CONTRACT:

The City of Tucson, as the Principal Procurement Agency, defined in Attachment E, has partnered with OMNIA Partners, Public Sector (“OMNIA Partners”) to make the resultant contract (also known as the “Master Agreement” in materials distributed by OMNIA Partners) from this solicitation available to other public agencies locally, regionally, and/or nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The City of Tucson is acting as the contracting agency for any other Public Agency that elects to utilize the resulting Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners (a “Participating Public Agency”) and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of a Master Intergovernmental Cooperative Purchasing Agreement, a form of which is attached hereto on Attachment E, or as otherwise agreed to. Attachment E contains additional information about OMNIA Partners and the cooperative purchasing program.

OMNIA Partners is the largest and most experienced purchasing organization for public and private sector procurement. Through the economies of scale created by OMNIA Partners public sector subsidiaries and affiliates, National IPA and U.S. Communities, OMNIA participants now have access to more competitively solicited and publicly awarded cooperative agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

OMNIA Partners provides shared services and supply chain optimization to government, education and the private sector. With corporate, pricing, and sales commitments from the Consultant, OMNIA Partners provides marketing and administrative support for the Consultant that directly promotes the Consultant’s services and products to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis. Participating Public Agencies benefit from pricing based on aggregate spend and the convenience of a contract that has already been advertised and publicly competed. The Consultant benefits from a contract that generally allows Participating Public Agencies to directly purchase goods and services without the Consultant’s need to respond to additional competitive solicitations. As such, the Consultant must be able to accommodate a demand for

services, whether it be local, regional, or nationwide, and to fulfill obligations as either a local, regional, or nationwide Consultant and respond to the OMNIA Partners documents (Attachment E).

The City of Tucson anticipates spending approximately \$3,525,000.00 over the full potential Master Agreement term for On-Call Architect Services. While no minimum volume is guaranteed to the Consultant, the estimated annual volume of On-Call Architect Services purchased under the Master Agreement through OMNIA Partners is approximately \$25,000,000. This projection is based on the current annual volumes among the City of Tucson, other Participating Public Agencies anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between the Supplier and OMNIA Partners.

AMOUNT OF CONTRACT: For projects done for the City of Tucson, the not to exceed amount is five hundred fifty thousand (\$550,000.00) per project. Typical projects at the City of Tucson are \$2,000.00 - \$165,000.00. Work performed for other Participating Public Agencies do not have a not to exceed project cap unless established by that Participating Public Agency. It is anticipated that typical work performed for other Participating Public Agencies is to be above \$165,000 as other agencies may use resultant on-call architectural service contract(s) for small, medium, or large projects.

PAYMENT FOR SERVICES: Pay request may be submitted monthly and will be certified for payment for services performed and approved by the Project Manager, consistent with City or Participating Public Agency procedures. Each project will have its own invoice.

ARTICLE 1: THE PROJECT

The below items under Article 1 are from the City of Tucson for City of Tucson work. Participating Public Agencies may have differing requirements.

1.1 Design Criteria:

- 1.1.1 Preliminary design program requirements for each increment of service (project) are compiled from information provided by the User Department(s). The Project requirements are not all inclusive and are only presented in an effort to relate the general Project and the scope of the design problem. The Consultant shall use this data as a basis to establish the detailed space requirements and functional relations required for development of a definitive Architectural Design Program and Long-Range Site Development Plan, if required.
- 1.1.2 The basic Project requirements that determine the design of the facilities shall be a product of the Consultant's detailed analysis and research of the needs and requirements of the facility with direction provide by the Environmental General Services Department (EGSD) Architecture and Engineering (A/E) Division and the User Departments(s).

1.2 Goals and Objectives:

- 1.2.1 If required, prepare a community supported Architectural Design Program for development of the Project, and areas directly adjacent to these facilities that take into consideration any future development component selected by the City.
- 1.2.2 Evaluate the proposed facilities for compliance with the Americans with Disabilities Accessibility Guidelines (ADAG) and providing good traffic flow for ease of circulation, mobility, and accessibility in and around the site.
- 1.2.3 Improve and expand the services of the User Departments(s) and making new facilities functional for the staff and inviting to the public.
- 1.2.4 Prepare construction documents that satisfy the functional requirements as described by EGSD A/E Project Manager and the User Departments (s) and as established in the approved Architectural Program Statement and Long-Range Site Development Plan (if required) as attainable with the budgeted funds.

1.3 Architectural Character:

1.3.1 Facilities designed under this Contract must be as barrier free, as safe, and accessible to the staff as possible and be expressive of the functional activities taking place within and around the facility. The resulting design should reflect a character corresponding to the spirit of the facility while being responsive to the project budget and environmental considerations. The Consultant is to provide innovative guidance in the design approach with the selection of materials, orientation, and structural systems that respond to today's need for the conservation of energy and water while being responsive to the project budget.

1.3.2 Careful consideration should be given to service circulation as well as security of and around City facilities in the Project design. Vehicular traffic and parking requirements are to be analyzed with the design solution reflecting the results of this analysis without sacrificing the architectural character of the proposed facilities.

1.3.3 City facilities should reflect the commitment to public service through the provision of a functional, flexible facility that is operationally cost effective in terms that minimize staffing requirements and maximize energy conservation.

1.4 General Requirements:

1.4.1 Mechanical Equipment: The Consultant shall design spaces large enough to accommodate the required mechanical equipment with ample room for performance of maintenance and service functions and in compliance with all applicable codes. Requirements include, but are not limited to, the following:

- 1.4.1.1 All conditioned spaces shall have forced air heating and refrigerated cooling.
- 1.4.1.2 All lavatories, sinks, and showers shall have both hot and cold water, with provisions that meet or exceed ADA requirements.
- 1.4.1.3 Locate drinking fountains which meet or exceed ADA requirements.
- 1.4.1.4 Provide adequate HVAC filter storage room.

1.4.2 Communications and Electrical Equipment: The Consultant shall design spaces large enough to accommodate the following:

- .1 A computer system which interfaces with the City's central system,
- .2 Electrical equipment with ample room for the performance of maintenance functions, and
- .3 Communications equipment, such as telephone, alarm, etc.

1.4.3 Public Participation: Public participation is an important aspect of Projects. Consultant shall participate with the City for any required public meetings.

1.4.4 Trees for Tucson: Tree plantings should be responsive to the "Trees for Tucson" program endorsed by the City's Mayor and Council.

1.4.5 Landscaping: Shade is important for outdoor public areas and parking. Required landscaping should be integrated to meet zoning requirements and be designed to enhance the new facility.

1.4.6 Parking/Service: Analysis of parking lot circulation, surfacing, striping, lighting, landscaping and the entry and exiting process will be based upon the accessing and the servicing of the new facility. Areas of primary importance are:

- 1.4.6.1 Parking spaces and loading space(s) as required by code with required landscape buffering to accommodate the facility's multiple uses as well as the physically disabled;
- 1.4.6.2 Drop-off area at facility entrance;
- 1.4.6.3 Refuse dumpster area with visual screening;
- 1.4.6.4 Bicycle racks/lockers;
- 1.4.6.5 Covered walkways;

1.5 Special Considerations:

1.5.1 Energy and Water Efficiency:

1.5.1.1 The facilities designed under this Contract shall be designed for maximum efficiency in the use of both energy and water. Design must meet the requirements of the latest adopted version of the International Energy Conservation Code. Consideration should be given to provide additional energy savings through guidelines such as ASHRAE's Advanced Energy Design Guidelines.

1.5.1.2 The City has adopted a policy that all new City Buildings and major renovations over 5,000 ft² shall be designed and constructed to meet LEED at the Silver certification level unless the project team determines it is not in the best interest of the City due to excessive cost or unsuitability.

1.5.2 Operation and Maintenance Costs:

1.5.2.1 Provide HVAC, lighting and electric load calculations, and develop estimates of the cost of operating and maintaining the facilities designed under this Contract. The estimated operation and maintenance costs are to be projected for each of the five (5) consecutive fiscal years following acceptance of the facilities by the City.

1.5.3 Americans with Disabilities Act (ADA):

1.5.3.1 City facilities, as public buildings, shall be designed, constructed, and altered for accessibility and use by the Disabled. In this connection, with the ADA, the Department of Justice 2010 ADA Standards for Accessible Design, (ADAAG) for Title II entities shall determine the criteria to be used for the design of these facilities to ensure accessibility and compliance.

A PDF Format copy can be downloaded from the DOJ site at:

http://www.ada.gov/regs2010/2010ADAStandards/2010ADAStandards_prt.pdf

The specific design criteria applicable to provisions for the disabled shall be incorporated in the Architectural Design Program document for the facility.

The DOJ standards stipulate minimums and maximums as guidelines. The City of Tucson uses these guidelines as the minimum or maximum allowable standards within which universal access is provided.

1.6 Site Requirements:

1.6.1 If required, the Consultant shall conduct a complete site analysis to clearly identify problems and opportunities connected with the development of the site. Included in this analysis are all existing facilities, zoning, and other legal requirements. The functional and visual relationship between all site components, both the existing and the proposed facilities, will be studied, and design options on their total integration will be presented for approval and development as part of this project. Alterations to the site circulation, paving and landscaping to accommodate the new facility as well as the physically disabled is of primary importance.

1.7 Project Budget:

1.7.1 The Architectural Program Statement (if required) prepared by the Consultant will provide an estimate of all probable costs for the development of a suitable new facility and related improvements. Construction documents will be prepared for those facilities and improvements that can be completed for the amount budgeted.

1.7.2 The final project budget will be established as a result of the cost analysis provided by the Consultant and reviewed and approved by the User Department(s). The budget is to provide for the construction of the facilities and site improvements that are determined as the highest priority by the User Department(s).

- 1.7.3 All parties understand that the City of Tucson, as a public entity, has limited funds for each project. Therefore, City facilities are to be designed so that the completed facilities represent quality consistent with wise budget management.

Consultant will be responsible for making modifications to the plans, specifications and supporting documents as required to obtain all required building permits.

Submit signed copy in pdf format of the final opinion of the probable construction cost to the Project Manager.

2.5.6 Evaluation of Budget and Cost of the Work:

2.5.6.1 When the Project requirements have been sufficiently identified, the Consultant shall prepare a preliminary estimate of the Cost of the Work. This estimate may be based on current area, volume or similar conceptual estimating techniques. As the design process progresses through the end of the preparation of the Construction Documents, the Consultant shall update and refine the preliminary estimate of the Cost of the Work. The Consultant shall advise the Operations A/E Project Manager of any adjustments to previous estimates of the Cost of the Work indicated by changes in Project requirements or general market conditions. If at any time the Consultant's estimate of the Cost of the Work exceeds the Project budget, the Consultant shall make appropriate recommendations to the Project Manager to adjust the Project's size, quality or budget, and the Project Manager and the Using Department shall cooperate with the Consultant in making such adjustments.

2.5.6.2 Evaluations of the Project budget, the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work prepared by the Consultant represent the Consultant's judgment as a design professional familiar with the construction industry. It is recognized, however, that the Consultant, the Project Manager and/or the Using Department have no control over the cost of labor, materials or equipment, over the Contractor's methods of determining bid prices, or over competitive bidding, market or negotiating conditions.

2.5.6.3 In preparing estimates of the Cost of the Work, the Consultant shall be permitted to include contingencies for design, bidding and price escalation; to determine what materials, equipment, component systems and types of construction are to be included in the Contract Documents; to make reasonable adjustments in the scope of the Project and to include in the Contract Documents alternate bids as may be necessary to adjust the estimated Cost of the Work to meet the Project budget for the Cost of the Work. If an increase in the Contract Sum occurring after execution of the Contract between the City and the Contractor causes the budget for the Cost of the Work to be exceeded, that budget shall be increased accordingly.

2.5.6.4 If bidding or negotiation has not commenced within 90 days after the Consultant submits the Construction Documents to the Environmental General Services Department A/E Project Manager, the budget for the Cost of the Work may be adjusted to reflect changes in the general level of prices in the construction industry.

2.5.6.5 If the budget for the Cost of the Work is exceeded by the lowest bona fide bid or negotiated proposal, the Project Manager and Using Department may:

- .1 give written approval of an increase in the budget for the Cost of the Work; or
- .2 authorize rebidding or renegotiating of the Project within a reasonable time; or
- .3 terminate in accordance with contract provisions contained in Standard Terms and Conditions, Section 13; or
- .4 cooperate in revising the Project scope and quality as required to reduce the Cost of the Work.

2.5.6.6 If the City chooses to proceed under Clause 2.4.6.5.4, the Consultant, without additional compensation, shall modify the documents for which the Consultant is responsible under the Contract as necessary to comply with the budget for the Cost of the Work.

2.5.7 The Consultant is required to include the design services for geotechnical engineering.

- 2.5.8 The Consultant is required to obtain written approval for all necessary permits for construction, including, but not limited to, the Federal Stormwater Quality National Pollutant Discharge Elimination System (NPDES), the Environmental Protection Agency (EPA), National Environmental Policy Act (NEPA), Arizona Department of Environmental Quality (ADEQ) (Aquifer Protection Permit), Pima County Department of Environmental Quality (PDEQ) (Air Quality Permit) and Pima County Waste Water Management (Industrial Wastewater Control Permit). Consultant shall prepare Stormwater Pollution Prevention Plans (SWPPP) for construction activities and on-going operational and maintenance activities. 12. **CONTRACT MODIFICATIONS:** No work outside of the contracted scope of work shall begin without an executed Contract Amendment and a written Notice to Proceed. Contractor shall notify COT immediately when projected hours for individuals under contract are within no less than 20% of exceeding the proposed hours. All direction regarding tasks, deliverables and

level of effort shall originate with the designated City Project Manager/Contract Representative or the Department of Procurement. No direction shall be taken from, nor shall any work commence with direction from, any other party.

13. CONTRACT AMENDMENTS: The Procurement Department has the sole authority to:

- A. Amend the contract or enter into supplemental verbal or written agreements;
- B. Grant time extensions or contract renewals;
- C. Otherwise modify the scope or terms and provisions of the contract.

This Contract shall only be modified with the approval of the Department of Procurement. Except in the case of a documented emergency, approval must be granted prior to performance. Any contract modification not explicitly approved by the Procurement Department through a written contract amendment or change order is performed at the sole risk of the Contractor and may not be eligible for payment by the City.

14. CONTRACT: The Contract shall be based upon the Request for Qualifications issued by the City and the Offer submitted by the Contractor in response to the Request for Qualifications. The offer shall substantially conform to the terms, conditions, specifications and other requirements set forth within the text of the Request for Qualifications. The City reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by the City's Director of Procurement, shall be deemed non-responsive and the offer rejected. The Contract shall contain the entire agreement between the City of Tucson and the Contractor relating to this requirement and shall prevail over any and all previous agreements, contracts, proposals, negotiations, purchase orders, or master agreements in any form.

15. DEFAULT IN ONE INSTALLMENT TO CONSTITUTE TOTAL BREACH: Contractor shall deliver conforming materials in each installment or lot of this Contract and may not substitute nonconforming materials. Delivery of nonconforming materials, or default of any nature, may constitute breach of the Contract. Noncompliance may be deemed a cause for possible Contract termination.

16. DUPLEXED/RECYCLED PAPER: In accordance with efficient resource procurement and utilization policies adopted by the City of Tucson, the Contractor shall ensure that, whenever practicable, all printed materials produced by the Contractor in the performance of this Contract are duplexed (two-sided copies), printed on recycled paper and labeled as such.

17. EXCLUSIVE POSSESSION: All services, information, computer program elements, reports and other deliverables created under this Contract are the sole property of the City of Tucson and shall not be used or released by the Contractor or any other person except with prior written permission by the City.

18. FEDERAL IMMIGRATION LAWS AND REGULATIONS: Contractor warrants that it complies with all Federal Immigration laws and regulations that relate to its employees and complies with A.R.S. § 23-214(A) and that it requires the same compliance of all subcontractors under this Contract. Contractor acknowledges that pursuant to A.R.S. § 41-4401 and effective September 30, 2008, a breach of this warranty is a material breach of this Contract subject to penalties up to and including termination of this Contract. The City retains the legal right to audit the records of the Contractor and inspect the papers of any employee who works for the Contractor to ensure compliance with this warranty and the Contractor shall assist in any such audit. The Contractor shall include the requirements of this paragraph in each contract with subcontractors under this Contract.

If the Contractor or subcontractor warrants that it has complied with the employment verification provisions prescribed by sections 274(a) and 274(b) of the Federal Immigration and Nationality Act and the E-verify requirements prescribed by A.R.S. § 23-214(A), the Contractor or subcontractor shall be deemed to be in compliance with this provision. The City may request proof of such compliance at any time during the term of this Contract by the Contractor and any subcontractor.

19. FORCE MAJEURE: Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of Force Majeure. The term "Force Majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force Majeure shall not include late performance by a subcontractor unless the delay arises out of a Force Majeure occurrence in accordance with this Force Majeure term and condition.

If either party is delayed at any time in the progress of the work by Force Majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand-delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

20. GRATUITIES: The City may, by written notice to the Contractor, terminate this Contract if it is found that gratuities, in the form of entertainment, gifts, meals or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the City amending, or the making of any determinations with respect to the performing of such Contract. In the event this Contract is terminated by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity.

21. HUMAN RELATIONS: Contractor shall abide by the provisions of the Tucson City Code Chapter 28, Article XII.

22. INDEMNIFICATION: To the fullest extent permitted by law, Consultant, its successors, assigns and guarantors, shall pay, defend, indemnify and hold harmless City of Tucson and Regional Transportation Authority (RTA), its agents, representatives, officers, directors, officials and employees from and against all allegations, demands, proceedings, suits, actions, claims, damages, losses, expenses, including but not limited to, reasonable attorney fees, court costs, and the cost of appellate proceedings, and all claim adjusting and handling expense, related to, arising from or out of or resulting from any actions, acts, errors, mistakes or omissions caused in whole or part by Consultant relating to work or services in the performance of this Contract, but only to the extent caused by negligence, recklessness or intentional wrongful conduct including but not limited to, any Subconsultant or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable and any injury or damages claimed by any of Consultant's and Subconsultant's employees, provided, however, that this duty to indemnify, hold harmless and defend shall not include losses, damages, claims, liabilities, costs and expenses to the extent arising from the acts or omissions of the City. If Consultant or any of Consultant's employees are certified to receive a premium tax credit or cost sharing reduction which triggers a \$4980H (a) or (b) penalty against the City, the Consultant shall indemnify the City from and shall pay any assessed tax penalty.

23. INDEPENDENT CONTRACTOR: It is understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venturer, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose.

The Contractor shall not be entitled to compensation in the form of salaries, holidays, paid vacation, sick days, or pension contributions by the City. The City of Tucson will not provide any insurance coverage to the Contractor, including Worker's Compensation coverage. The Contractor is advised that taxes, social security payments, and other withholdings shall not be withheld from a City payment issued under this Contract and that Contractor should make arrangements to directly pay such expenses. Contractor is responsible for compliance with the Affordable Care Act for Contractor and any of Contractor's employees.

24. INSPECTION AND ACCEPTANCE: All material or service is subject to final inspection and acceptance by the City. Material or service failing to conform to the specifications of this Contract shall be held at the Contractor's risk and may be returned to the Contractor. If returned, all costs are the responsibility of the Contractor. Noncompliance may be deemed a cause for possible Contract termination.

25. INTERPRETATION-PAROLE EVIDENCE: This Contract is intended by the parties to be a final expression of their agreement and is intended also as a complete and exclusive statement of the terms of this agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in the Contract. Acceptance or consent in the course of performance under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or consenting party has knowledge of the nature of the performance and the opportunity to object.

26. ISRAEL BOYCOTT DIVESTMENTS: Acceptance of the contract warrants that the vendor is in compliance with A.R.S. § 35-393 and does not participate in a boycott of Israel as that term is defined within A.R.S. § 35-393.

- 27. LICENSES:** Contractor shall maintain in current status all Federal, State, and local licenses and permits required for the operation of the business conducted by the Contractor as applicable to this Contract.
- 28. LIENS:** All materials, services, and other deliverables supplied to the City under this Contract shall be free of all liens other than the security interest. Security interest shall extinguish upon full payment made by the City. Upon the City's request, the Contractor shall provide a formal release of all liens.
- 29. NO REPLACEMENT OF DEFECTIVE TENDER:** Every tender of materials must fully comply with all provisions of this Contract. If a tender is made which does not fully comply, this shall conform to the termination clause set forth within this document.
- 30. NON-EXCLUSIVE CONTRACT:** Any contract resulting from this solicitation shall be awarded with the understanding and agreement that it is for the sole convenience of the City of Tucson. The City reserves the right to obtain like goods or services from another source when necessary.
- 31. OVERCHARGES BY ANTITRUST VIOLATIONS:** The City maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the City any and all claims for such overcharges as to the materials or services used to fulfill the Contract.
- 32. PATENT INFRINGEMENT:** The Consultant and the surety shall defend any suit or proceeding brought against the procuring agency, during the prosecution or after the completion of the work, based on a claim that manufacture, sale, or use of any method, process, machine, technique, design, living thing, genetic material, or composition of matter, or any part thereof, furnished or used under this Contract constitutes an infringement of any patent, trademark or copyright and the Consultant shall pay all damages and costs awarded therein, against the procuring agency and any affected third party or political subdivision. If manufacture, sale, or use of said method, process, machine, technique, design, living thing, genetic material, or composition of matter, or any part thereof, is in such suit held to constitute infringement and if manufacture, sale, or use of said method, process, machine, technique, design, living thing, genetic material, or composition of matter, or part thereof, is enjoined, the Consultant shall, at its own expense, either procure for the procuring agency the right to continue manufacture, sale, or use of said method, process, machine, technique, design, living thing, genetic material, or composition of matter, or part thereof, or replace same with noninfringing method, process, machine, technique, design, living thing, genetic material, or composition of matter, or part, or modify it so it becomes noninfringing.
- If appropriate, the Consultant shall furnish the City Contract Representative satisfactory evidence of patent licenses or patent releases covering City-specified proprietary materials, equipment, devices or processes, as the case may be.
- 33. PAYMENT:** The City's preferred method of payment is via credit card. The City will issue a Purchase Order and, in some cases, either provide a credit card for payment at the time of ordering or pay subsequent invoices by credit card upon receipt of goods or services in good order. However, not all City employees will possess a credit card and, therefore, the City reserves the right to make payment by check as it deems necessary.
- Unless payment is made by credit card at time of order or point of sale, a separate invoice shall be issued for each shipment of material or service performed, and no payment shall be issued prior to receipt of material or service and correct invoice.
- The City shall make every effort to process payment for the purchase of materials or services within twenty-one (21) calendar days after receipt of materials or services and a correct invoice.
- The Contractor's payment terms shall apply to all purchases and to all payment methods.
- 34. PROTECTION OF GOVERNMENT PROPERTY:** The Contractor shall use reasonable care to avoid damaging existing buildings, equipment, and vegetation (such as trees, shrubs, and grass) on City property. If the Contractor fails to do so and damages such property, the Contractor shall replace or repair the damage at no expense to the City, as determined and approved by the City's Director of Procurement. If the Contractor fails or refuses to make such repair or replacement, the City will determine a cost and the Contractor shall be liable for the cost thereof, which may be deducted from the Contract price.

35. PROVISIONS REQUIRED BY LAW: Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall be amended to make such insertion or correction.

36. RECORDS: Internal control over all financial transactions related to this Contract shall be in accordance with sound fiscal policies. The City may, at reasonable times and places, audit the books and records of the Contractor and/or any subcontractors. Said audit shall be limited to this Contract.

Consultant shall maintain all pertinent files, records, and documents which relate to the delivery of the services provided in this Contract. Supporting documents, files, and records shall be retained by Consultant for at least five (5) years after the termination of this Contract.

37. RIGHT TO ASSURANCE: Whenever one party to this Contract has reason to question, in good faith, the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as the other party's intent not to perform and as a cause for possible Contract termination.

38. RIGHT TO INSPECT: The City may, at reasonable times, and at the City's expense, inspect the place of business of a Contractor or subcontractor which is related to the performance of any Contract as awarded or to be awarded.

39. RIGHTS AND REMEDIES: No provision in this document or in the Contractor's proposal shall be construed, expressly or by implication, as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim, default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract, to exercise or delay the exercise of any right or remedy provided in the Contract or by law, or to accept materials or services required by this Contract or by law shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.

40. SEVERABILITY: The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract which may remain in effect without the valid provision or application.

41. SHIPMENT UNDER RESERVATION PROHIBITED: No tender of a bill of lading shall operate as a tender of the materials. Non-compliance shall conform to the termination clause set forth within this document.

42. SUBCONTRACTS: No subcontract shall be entered into by the Contractor with any other party to furnish any of the material/service specified herein without the advance written approval of the City's Director of Procurement. All subcontracts shall comply with Federal and State laws and regulations which are applicable to the services covered by the subcontract and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. The Contractor is responsible for contract performance whether or not subcontractors are used.

43. SUBSEQUENT EMPLOYMENT: The City may terminate this Contract without penalty or further obligation pursuant to A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract, on behalf of the City, is or becomes, at any time while the Contract or any extension of the Contract is in effect, an employee of, or a contractor to, any other party to this Contract with respect to the subject matter of the Contract. Termination shall be effective when written notice from the City's Director of Procurement is received by the parties to this Contract, unless the notice specifies a later time.

44. SUSPENSION OF WORK:

- A. The City may order the Consultant, in writing, to suspend, delay, or interrupt all or any part of the work under this Contract for the period of time that the City determines appropriate for the convenience of the City.
- B. The Consultant agrees that no charges or claims for damages shall be made against the City for any delays or hindrances during the progress of this Contract. Such delays or hindrances, if any will be covered by an extension of time for such reasonable period as mutually agreed upon between the parties. It is agreed and understood,

however, that permission to proceed with the Contract after the established completion date, shall not be construed as a waiver by the City of any of the rights herein.

45. TERMINATION OF CONTRACT: This Contract may be terminated at any time by mutual written consent, or by the City, with or without cause, upon giving thirty (30) days written notice. The City, at its convenience, by written notice, may terminate this Contract, in whole or in part. If this Contract is terminated, the City shall be liable only for payment under the payment provisions of this Contract for services rendered and accepted material received by the City before the effective date of termination.

The City reserves the right to terminate the whole or any part of this Contract due to the failure of the Contractor to carry out any term or condition of the Contract. The City will issue a written ten (10) day notice of default to the Contractor for acting or failing to act as specified in any of the following:

In the opinion of the City, the Contractor provides personnel that do not meet the requirements of the Contract;

In the opinion of the City, the Contractor fails to perform adequately the stipulations, conditions or services/specifications required in this Contract;

In the opinion of the City, the Contractor attempts to impose personnel, materials, products or workmanship of an unacceptable quality;

The Contractor fails to furnish the required service and/or product within the time stipulated in the Contract;

In the opinion of the City, the Contractor fails to make progress in the performance of the requirements of the Contract;

The Contractor gives the City a positive indication that the Contractor will not or cannot perform to the requirements of the Contract.

Each payment obligation of the City created by this Contract is conditioned upon the availability of City, State and Federal funds that are appropriated or allocated for the payment of such an obligation. If funds are not allocated by the City and available for the continued purchase of the services and/or materials provided under this Contract, this Contract may be terminated by the City at the end of the period for which funds are available. The City will endeavor to notify the Contractor in the event that continued service will or may be affected by non-appropriation. No penalty shall accrue to the City in the event this provision is exercised, and the City shall not be obligated or liable for any future payments due or for any damages as a result of termination under this paragraph.

46. TITLE AND RISK OF LOSS: The title and risk of loss of material or service shall not pass to the City until the City actually receives the material or service at the point of delivery, unless otherwise provided within this Contract.

47. WARRANTIES: Contractor warrants that all material or service delivered under this Contract shall conform to the specifications of this Contract. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by the City shall not alter or affect the obligations of the Contractor or the rights of the City under the foregoing warranties. Additional warranty requirements may be set forth in this document.

SBE Program Provisions (Informational at this time)

SBE PROGRAM PROVISIONS FOR ALTERNATIVE PROJECT DELIVERY METHOD (APDM) CONSTRUCTION SERVICES

PROJECT GOAL

The City of Tucson's Small Business Enterprise Participation goal for this project is as follows:

TBD % SBE

I. SMALL BUSINESS ENTERPRISE REQUIREMENTS

A. DEFINITIONS

Certified Small Business Enterprise (SBE) – A local small business that is an independent and continuing enterprise for profit, performing a Commercially Useful Function, that has completed the application process for certification, and has met the requirements set forth in Title 49, Code of Federal Regulations, (49 CFR Part 26).

Commercially Useful Function - Is defined as the performance of real and actual services in the discharge of any contractual endeavor. An SBE subcontractor is performing a commercially useful function when it is responsible for execution of a distinct element of a contract and carries out its responsibilities by actually performing, managing and supervising the work involved.

Contractor - The individual, partnership, or corporation who, as a result of the competitive solicitation process, is awarded a contract by the City. For the purposes of SBE plan evaluation, any Offeror in negotiations with the City of Tucson pursuant to a Request for Qualifications is also subject to the contractor SBE program compliance requirements.

Eligible Contract - Any contract undertaken by the City, unless otherwise precluded by law, *provided* the estimate meets or exceeds one hundred thousand dollars (\$100,000). An Eligible Contract does not include any project in which the estimated contract value is below one hundred thousand dollars (\$100,000); contracts which require a disadvantaged business enterprise goal pursuant to federal law; contracts awarded under sections 28-21 (sole source procurement), 28-22 (emergency procurement) or 28-23 (special procurement) of the City Procurement Code.

Joint Venture – An association of two (2) or more persons, partnerships, corporations, business enterprises, or any combination of these entities established to form a single business enterprise but limited in scope and duration for the purpose of carrying out a business activity. The agreement establishing the Joint Venture shall be in writing. The SBE partner(s) must be responsible for a clearly defined portion of the work performed which is set forth in detail and separately from the work to be performed by the non-SBE partner and is assigned a commercially reasonable dollar value. Furthermore, the SBE's interest shall be based on sharing real economic interest in the venture, include proportionate control over management, and interest in capital acquired by the Joint Venture and interest in earnings. Only the portion of work,

supplies, and/or services attributed to the SBE, as a member of the Joint Venture, may be counted towards relevant SBE participation goals.

Small Business Enterprise (SBE) – A Minority, woman or non-Minority Owned business that meets the North American Industry Classification System (NAIC) size standard adopted by the City for the purposes of qualifying for SBE certification.

Subcontractor and Subconsultant – A person or entity that contracts to perform work or render service to a Contractor or to another Subcontractor as part of a contract with the City.

B. APPLICABILITY

The SBE program and policies are codified in Chapter 28, Article XIII of the City Procurement Code. It is the responsibility of all contractors, subcontractors, vendors, suppliers and others who are interested in contracting with the City of Tucson to read and become familiar with this section of the City Code.

Only firms that are certified by the City of Tucson under Chapter 28, Article XIII of the City Code, ***at time of SBE Plan submittal***, are eligible to fulfill SBE goals for City of Tucson projects.

In addition to subcontractors, the Prime Contractor may use their own participation towards fulfillment of the SBE participation goal if they are certified through the City of Tucson SBE program.

The City of Tucson's most recent SBE Directory contains the ***complete*** listing of those firms which are currently certified with the City, and therefore eligible to participate as an SBE on a project. You may access the most current SBE Directory at <http://www.tucsonprocurement.com/bidders/SBE.aspx>, scroll to the bottom of the page and click on SBE Directory. If the name of an SBE firm does not appear in the directory, it shall be the contractor's responsibility to ascertain the certification status of the SBE and determine the eligibility of the firm to meet the established goal. For any questions regarding the SBE Program and requirements, please call (520) 837-4000 for assistance.

C. SBE PARTICIPATION

An SBE may participate as a prime contractor, subcontractor, second-tier subcontractor, joint venture partner with either a prime contractor or a subcontractor, or as a vendor of materials or supplies. An SBE shall be responsible for a clearly defined portion of the work to be performed.

D. SBE GOALS

To satisfy SBE goals, a certified SBE must perform a commercially useful function, i.e., must be responsible for a clearly defined portion of the work and must carry out its responsibility by actually performing, managing and supervising the work. Contractors may meet the SBE project goals through the following methods:

Prime Contractor Participation – SBE prime contractors may use their own participation towards fulfillment of the SBE participation goals. Credit will only be given for the dollar value of actual work performed by the prime contractor's work force.

Subcontractor Participation - Contractors may utilize one or more certified SBE subcontractors to satisfy its SBE participation commitment and may claim the value of the commercially useful function to be performed by such subcontractor(s) to obtain credit toward the satisfaction of the applicable goal.

1. Contractors who utilize certified SBE firms whose participation are included in Force Account items, Allowances or in a Cost Reimbursement type contract, shall establish a signed contract value with the SBE firm and may only take credit for the dollar value of that contract towards satisfying its SBE commitment in their proposed SBE plan. The dollar value must be a specific amount based on anticipated work calculated by the subcontractor and is not reliant on any estimated values and cannot be specified as a range.
2. If a certified SBE subcontractor enters into second tier subcontracts consistent with the standard industry practices, such SBE subcontractor is performing a commercially useful function. If an SBE subcontractor subcontracts a significantly greater portion of its work to a non-SBE than would be expected by standard industry practices, it shall be presumed that the SBE is not performing a commercially useful function. Therefore, contractors are required to identify and report the use of any second tier subcontractors on the project on the Prime Contractor Report of Subcontractor Utilization.
3. Credit will be given when a SBE subcontracts part of the work of its contract to another firm only if the SBE's subcontractor is itself a SBE.
4. A contractor may not use another certified SBE general contractor to meet SBE participation goals as a subcontractor unless they are certified as an SBE subcontractor in a specific trade area other than "General Contractor."

Supplier Participation - The contractor may contract with one or more certified SBE suppliers, provided that the supplier is a regular dealer of the materials supplied, to obtain credit toward SBE goals. The value of the commercially useful function to be performed by such SBE's and credited toward satisfaction of the applicable SBE goals is as follows:

1. **If an SBE supplier manufactures the goods supplied, one hundred percent (100%) of the contract amount is credited towards the applicable SBE participation goal.**
2. If an SBE supplier is a wholesaler warehousing the goods supplied or is a manufacturer's representative, the total contract amount is credited toward the established SBE goal; however, only twenty-five percent (25%) of the total SBE project goal may be met in this manner.
3. If an extraordinarily large proportion of a contract price is for equipment or supplies, a lower project goal may be set than otherwise would be required, or the twenty-five percent (25%) limit for suppliers may be increased, or a combination of these two methods may be utilized.

Joint Venture - Where a contractor engages in a joint venture to satisfy its SBE commitment, the SBE joint venture partner must be responsible for a clearly defined portion of the work to be performed in addition to satisfying the requirements of ownership and control. The SBE joint venture partner must submit information for determining joint venture eligibility. ***The SBE joint venture must be approved as a SBE joint venture prior to SBE Plan submittal.*** The City's Department of Procurement, Business Enterprise & Compliance Program shall determine the degree of SBE participation resulting from the joint venture which may be credited toward the applicable SBE goal of the project.

II. SUBMITTAL REQUIREMENTS

A. SUBMISSION OF AN SBE PLAN

The SBE Plan and/or Affidavit of Good Faith Efforts must be submitted with the project proposal.

The SBE Plan must include:

1. The name of the SBE subcontractors/suppliers;
2. The type and scope of work or service each SBE will perform;
3. The dollar value of each SBE's subcontract;
4. Identify the prime contractor as an SBE, if applicable;
5. The dollar value of the prime contractor's self-performed work if claiming SBE credit;
6. The total dollar value of SBE work performed and percentage of the contract value.
7. If the contract goal is not met, evidence of good faith efforts.

B. REVIEW OF SBE PLANS

The Procurement Director may determine that the contractor is nonresponsive where the contractor: (1) failed to provide a completed Statement of Proposed SBE Plan; (2) failed to identify SBEs by name, the scope of work and value of work as a percent of the total project amount sufficient to meet the applicable SBE goal for that project; (3) failed to achieve the dollar value of credible participation by certified SBEs necessary to meet the project goals; or (4) failed to meet the requirements for a waiver of the SBE goal.

C. PRIME CONTRACTOR REPORT OF SUBCONTRACTOR UTILIZATION FORM

Prior to award, the Contractor is required to identify all subcontractors proposed to perform work on the project with the submission of the Prime Contractor Report of Subcontractor Utilization form to the Department of Procurement. This form will be submitted twice by the contractor, once prior to contract award and again at the end of the project with the final subcontractor contract amounts and subcontractor performance ratings.

III. GOOD FAITH EFFORT

If the SBE plan does not meet the project goals, the contractor may seek a good faith effort waiver. The application for a waiver shall be in writing and **must be completed and submitted with the project proposal**. The request must indicate whether a complete or partial waiver is sought. If a partial waiver is being sought the scope of such waiver must be indicated and an SBE plan must also be submitted. The contractor must provide documented evidence including a narrative statement with supporting affidavits and/or exhibits verifying the good faith efforts to meet the goals. Evidence of the good faith efforts shall include, but is not limited to the following:

- a. Documentation of communication with the Department of Procurement seeking technical/professional assistance identifying available SBE's.
- b. Copies of written notification to Certified SBE's regarding subcontracting opportunities on a project.
- c. Documentation of efforts made to select portions of work for SBE subcontracting in order to increase the likelihood of meeting the SBE goals, including where appropriate breaking down subcontracts into economically feasible units in order to facilitate SBE participation.
- d. Documentation of efforts to assist and negotiate with SBE's for specific sub-proposals and reasons for rejection of any such offer, including the names, addresses, and telephone numbers of SBE's who were contacted and reason for the rejection.

- e. As to each SBE contacted which was considered not to be qualified, a written statement of the reasons for the conclusion.
- f. Written quotes or records of verbal quotes solicited from all SBE's seeking subcontract work at the time of the proposal submittal.
- g. Verification that the offeror rejected available SBE's because they submitted proposals which were unreasonably high, or they were not qualified. Such verification shall include a statement of the amounts of all proposals received from potential Subcontractors and all relevant dates.

The City's Procurement Director shall review the waiver and approve the waiver where the contractor has demonstrated good faith efforts or deem the contractor nonresponsive where they failed to meet the good faith efforts and shall recommend that the Project Manager reject the proposal.

Right to Appeal Good Faith Effort Waiver or Plan Decision An aggrieved party has a right to protest a good faith waiver request or plan decision made by the Procurement Director as follows:

- 1. An aggrieved party may submit a protest in writing to the Procurement Director within five (5) days from the date of notice of the adverse decision notice. The protest must include the legal and factual basis for the protest along with any supporting documents.
- 2. Within five (5) days of receipt of the protest, the Procurement Director shall review the protest and all relevant supporting documents and render a decision notice in writing which includes the basis for the decision.
- 3. The decision of the director is final and not appealable.

General Waiver or Reduction of SBE Goals The Procurement Director may waive or reduce the project goals if it is determined that the SBE availability is less than projected. In such circumstances, the Procurement Director shall certify that SBE's are not in fact available or that the amount of work, which occurred under the contract, was insufficient to support the established goals.

The City shall waive a project goal, at least in part, if the contractor requesting a waiver receives from all qualified SBE's, in one trade or industry, quotes or proposal that exceeds the lowest quote or proposal of a qualified non-SBE competing for the same work by the lesser of fifteen percent (15%) or five hundred thousand dollars (\$500,000). In such circumstances, the Procurement Director shall certify that SBE's are not ready, willing and able to provide the needed labor and materials at competitive prices.

A contractor may not compare self-performed costs against an SBE subcontractor proposal as justification for the rejection of a proposal.

The Procurement Director may verify and / or clarify information as it relates to the affidavit of good faith efforts, and / or the bidders' subcontractors list and statement of proposed SBE plan.

IV. MISCELLANEOUS PROVISIONS

A. SUBCONTRACTOR PERFORMANCE & SUBSTITUTION REQUESTS:

The contractor's distinct contract items of work to be awarded to SBE's shall be performed by the designated SBE. The SBE must perform a commercially useful function, that is, the SBE must manage, perform and supervise a distinct element of work.

All SBE subcontractor modifications, (addition, substitution, deletion) pursuant to the Tucson Procurement Code Section 28-48(2), may only be allowed at the sole discretion of the Procurement Director. Approval must be obtained prior to the subcontractor beginning the work.

In the event that an SBE is unable or unwilling to fulfill its agreement with the contractor, the contractor shall immediately notify the Procurement Department's Business Enterprise & Compliance Program, the Contract Officer and the Project Manager. The SBE firm can only be terminated for good cause. The contractor shall immediately take reasonable good faith efforts to obtain another certified SBE to perform an equal or greater dollar value of the work. The contractor shall provide all pertinent information regarding the SBE substitution request including but not limited to:

1. The name of the original SBE firm, the description of work, the dollar value and the reason for the substitution request and a statement from the original SBE firm explaining why they can't perform the work;
2. The name of the proposed substitute SBE's, description of proposed work and estimated dollar value of the work and any relevant information such as a written quote, etc.

SBE contract work items shall not be performed by the contractor in lieu of subcontracting, without obtaining approval as outlined above.

Contract items eliminated from the project, with the approval of the Project Manager, may not reduce the contractor's credit for SBE participation.

B. SBE PROGRAM COMPLIANCE

The contractor and all SBE subcontractors must comply with all aspects of the SBE Program. By submitting a bid to the City of Tucson; bidders bind themselves to make every good faith effort to meet the City's SBE goal. The contractor must also include a copy of the SBE contract provisions in every subcontract. An executed subcontract with all SBE subcontractors shall be completed prior to the Notice To Proceed, and available to the City of Tucson upon request.

Failure by the contractor to comply with the SBE provisions is a material breach of the contract which may result in remedies as deemed appropriate by the City, including but not limited to the following:

- (1) Withholding monthly progress or final payments;
- (2) Withholding 10% of future payments;
- (3) Contract termination;
- (4) Disqualifying the contractor from future bidding as non-responsible.

The contractor must comply with applicable Prompt Payment regulations, Tucson Code Section 11-38 and Arizona Revised Statutes Title 32-1129. The City of Tucson may withhold payment from the prime contractor for work performed by subcontractors unless and until the prime contractor ensures that the subcontractors are promptly paid for the work they have performed.

The prime contractors must provide notice to all subcontractors that complaints of violations of the prompt payment provision may be submitted in writing to the City of Tucson, Department of Procurement, 255 W. Alameda, 6th floor Tucson, Arizona 85701 – PO Box 27210, Tucson, Arizona 85726. The complaint shall set forth the facts and identify the prime contractor and the construction project. Subcontractors will be assisted by the Department of Procurement, Business Enterprise & Compliance Program with the complaint process as detailed in the City of Tucson Construction Fairness Ordinance comprised of Chapter

28, Tucson Procurement Code Section 28-101, Tucson Code Chapter 11-38 and Tucson Code, Chapter 8-2.2.

C. CONTRACTOR PERFORMANCE EVALUATION

At the conclusion of every City of Tucson construction project, the prime contractor is required to complete the Department of Procurement, Business Enterprise & Compliance Program Prime Contractor Report of Subcontractor Utilization. The report will include a section to rate the performance of project subcontractors from 1 – 5, based on industry standards. The performance rating section shall be completed. A score of 3 is considered average. A score of 4 or 5 is considered above average. A score of 1 or 2 is considered as poor performance. A rating of 1 or 2 of a subcontractor will require the prime contractor to complete a Substandard Performance Report documenting the cause for the substandard performance rating. The City of Tucson Project Manager must concur with all poor performance ratings.

DBE PROGRAM PROVISIONS FOR PROFESSIONAL DESIGN SERVICES

PROJECT GOAL

The City of Tucson's Disadvantaged Business Enterprise Participation goal for this project is as follows:

TBD % DBE

In consideration of the DBE goal on this project, the City identified the following trade areas as potential subcontracting opportunities to meet the goal, however, the Contractor may elect to meet the goal utilizing any subcontracting opportunity they deem appropriate.

I. DISADVANTAGED BUSINESS ENTERPRISE REQUIREMENTS

A. DEFINITIONS

Commercially Useful Function - The performance of real and actual services in the discharge of any contractual endeavor. A DBE is performing a commercially useful function when it is responsible for execution of a distinct element of a contract and carries out its responsibilities by actually performing, managing, and supervising the work involved.

If a DBE does not perform or exercise responsibility for at least 30 percent of the total cost of its contract with its own work force, or the DBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, it is presumed that the DBE firm is not performing a commercially useful function and no DBE credit may be awarded toward the DBE goal.

Contract - A legally binding relationship obligating a seller to furnish supplies or services (including, but not limited to, construction and professional services) and the buyer to pay for them.

Contractor - One who participates, through a contract or subcontract (at any tier), in a federally funded program. For the purposes of DBE Plan evaluation, any offeror in negotiations with the City of Tucson pursuant to a Request for Qualifications is also subject to the Contractor DBE program compliance requirements.

Disadvantaged Business Enterprise or DBE - A for-profit small business concern certified under the Arizona Unified Certification Program (AZUCP) --

- (a) That is at least 51 percent owned by one or more individuals who are both socially and economically disadvantaged or, in the case of a corporation, in which 51 percent of the stock is owned by one or more such individuals; and
- (b) Whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.

Eligible Contract - Any federally contract undertaken by the City, unless otherwise precluded by law, provided the estimate meets or exceeds one hundred thousand dollars (\$100,000). An Eligible Contract does not include any project in which the estimated contract value is below one hundred thousand dollars (\$100,000); contracts which are require a small business enterprise goal pursuant to the Tucson Procurement Code Chapter 28, Article XIII; contracts awarded under sections 28-21 (sole source

procurement), 28-22 (emergency procurement) or 28-23 (special procurement) of the City Procurement Code.

Good Faith Efforts - Efforts to achieve a DBE goal or other requirement of this part which, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program requirement.

Joint Venture - An association of a DBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which the parties combine their property, capital, efforts, skills and knowledge, and in which the DBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

Primary Industry Classification - The four digit Standard Industrial Classification (SIC) code designation which best describes the primary business of a firm. The SIC code designations are described in the Standard Industry Classification Manual. As the North American Industrial Classification System (NAICS) replaces the SIC system, references to SIC codes and the SIC Manual are deemed to refer to the NAICS manual and applicable codes. The SIC Manual and the NAICS Manual are available through the National Technical Information Service (NTIS) of the U.S. Department of Commerce (Springfield, VA 22261). NTIS also makes materials available through its web site (www.ntis.gov/products/naics.aspx).

Program - Any undertaking on the City of Tucson's part to use federal financial assistance, authorized by the laws to which this part applies.

Race and Gender-Conscious - A measure or program that is focused specifically on assisting only DBEs.

Race and Gender-Neutral - A measure or program that is, or can be, used to assist all small businesses.

Recipient - Any entity, public or private, to which federal financial assistance is extended, whether directly or through another recipient, or who has applied for such assistance.

Small Business Concern - With respect to firms seeking to participate as a DBE, a small business concern (SBC) as defined pursuant to section 3 of the Small Business Act and Small Business Administration regulations implementing it (13 CFR 121) that also does not exceed the cap on average annual gross receipts specified in §26.65(b).

Socially and Economically Disadvantaged Individual - Any individual who is a citizen (or lawfully admitted permanent resident) of the United States and who is --

- (a) Any individual who the City of Tucson finds to be a socially and economically disadvantaged individual on a case-by-case basis.
- (b) Any individual in the following groups, members of which are rebuttably presumed to be socially and economically disadvantaged:
 - (i) "Black Americans," which includes persons having origins in any of the Black racial groups of Africa;
 - (ii) "Hispanic Americans," which includes persons of Mexican, Puerto Rican, Cuban, Dominican, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
 - (iii) "Native Americans," which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians;
 - (iv) "Asian-Pacific Americans," which includes persons whose origins are from Japan, China, Taiwan, Lorea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust

- Territories of the Pacific Islands (Republic of Palau), the Commonwealth of the Northern Marianas Islands, Macao, Fiji, Tonga, Kirbati, Juvalu, Nauru, Federated States of Micronesia, or Hong Kong;
- (v) "Subcontinent Asian Americans," which includes persons who origins are from India, Pakistan, Bangladesh, Bhutan, the Maldives Islands, Nepal, or Sri Lanka;
 - (vi) Women;
 - (vii) Any additional groups whose members are designated as socially and economically disadvantaged by the SBA, at such time as the SBA designation becomes effective.

B. APPLICABILITY

The City of Tucson has received federal financial assistance and has established a DBE Diversity Program for Contracts in accordance with 49 CFR 26, which is incorporated herein by this reference. The DBE Diversity Program applies to all City and subrecipient contracts that are funded, in whole or in part, by federal financial assistance. In the event of any conflicts or inconsistencies between 49 CFR 26 and this DBE Diversity Program, 49 CFR 26 shall prevail.

ALL CONTRACTORS INCLUDING DBEs MUST COMPLY. Contractors who are DBEs must also comply with all requirements stated herein. However, a DBE on a prime contract may meet the contract goal by virtue of the work it performs on the prime contract with its own forces. By submitting to the City of Tucson, contractors bind themselves to make every good faith effort to meet the City's DBE goals and federal regulations.

Firms that are certified **at time of DBE Plan submittal** through the Arizona Unified Certification Program (AZUCP) under 49 CFR Part 26 are eligible to participate as DBEs on City of Tucson contracts that are federally funded wholly or in part.

The Arizona Unified Certification Program (AZUCP) Database contains the **complete** listing of those firms which are certified and therefore eligible to participate as a DBE on a project. DBE participation is NOT limited to Pima County firms. Any DBE firm recognized through the AZUCP is eligible to be recognized as a certified DBE. The AZUCP Database can be accessed through the following internet address: <https://utracs.azdot.gov>. If the name of a firm does not appear in the AZUCP database, it shall be the Offeror's responsibility to ascertain the certification status of the firm.

Questions regarding the AZUCP and the City's DBE Program can be addressed to the City's Department of Procurement, Business Enterprise and Compliance Program at 520-837-4000.

The City of Tucson has provided an overall DBE goal for this project. Prime contractors should be aware that **your obligation is to meet the DBE goal or submit an Affidavit of Good Faith Effort** to waive any or all of the portion of the goal not met.

C. DBE PARTICIPATION

A DBE goal may only be met by a certified DBE firm performing a commercially useful function. A DBE may participate as a prime contractor, subcontractor, second-tier subcontractor, joint venture partner with either a prime contractor or a subcontractor, or as a vendor of materials or supplies. A DBE shall be responsible for a specific contract amount and a clearly defined portion of the work to be performed, in addition to meeting the requirements for ownership and control. Open ended contracts or reimbursable contracts may not be used to meet a DBE goal at the time of bid submission. The contractor must also include a copy of the DBE contract provisions in every subcontract. An executed subcontract with all DBE subcontractors shall be completed prior to the Notice To Proceed, and available to the City of Tucson upon request..

D. DBE GOALS

To satisfy the DBE goals, a certified DBE must perform a commercially useful function, i.e., must be responsible for a clearly defined portion of the work and must carry out its responsibility by actually performing, managing and supervising the work. Unless specific subcontractor participation goals are expressed in the specifications, contractors may meet the DBE project goals through the following methods:

Subcontractor Participation - Where a prime contractor utilizes one or more certified DBE subcontractor(s) to satisfy its DBE participation commitment, the prime contractor may claim only the value of the commercially useful function to be performed by such subcontractor(s) in order to obtain credit toward the satisfaction of the applicable goal.

1. Prime Contractors who utilize certified DBE firms whose participation is included in Force Account items, Allowances or in a Cost Reimbursement type contract, shall establish a signed contract value with the DBE firm and may only take credit for the dollar value of that contract towards satisfying its DBE commitment in their proposed DBE plan. The dollar value must be a specific amount based on anticipated work calculated by the subcontractor and is not reliant on any estimated values that may be listed in the bid schedule and cannot be specified as a range.

2. When a DBE participates in a contract, only the work actually performed by the DBE will count toward DBE goals.

- a. Credit will be given for the entire amount of that portion of a contract by the DBE performing a commercially useful function, including the cost of supplies and materials obtained by the DBE for the work of the contract (including supplies purchased or equipment leased by the DBE except supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate).
- b. Credit will be given for the entire amount of fees or commissions charged by a DBE firm for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of a federally funded contract, toward DBE goals, provided the fee is reasonable and not excessive as compared with fees customarily allowed for similar services.
- c. When a DBE subcontracts part of the work of its contract to another firm, the value of the subcontracted work may be counted toward DBE goals only if the DBE's subcontractor is itself a DBE. Work that a DBE subcontracts to a non-DBE firm does not count toward DBE goals. The value of work that a non-DBE subcontractor subcontracts (second-tier) to a DBE firm may count toward DBE goals. Therefore, **prime contractors are required to identify and report the use of any second tier subcontractors on the project on the DBE Plan form.**
- d. Credit will be given when a DBE subcontracts part of the work of its contract to another firm only if the DBE's subcontractor is itself a DBE.

3. When a DBE is used as the source for materials or supplies:

- a. If a DBE supplier manufactures the goods supplied, one hundred percent (100%) of the contract amount is credited towards the applicable DBE participation goal.

- b. If a DBE supplier is a regular dealer (a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials, supplies, articles or equipment are bought, kept in stock, and regularly sold or leased to the public), 60% of the cost of the materials or supplies will be credited toward DBE goals.

4. Where a contractor engages in a joint venture to satisfy its DBE commitment, the DBE joint venture partner must be responsible for a distinct and clearly defined portion of the work to be performed in addition to satisfying the requirements of ownership and control. DBE joint ventures do not have to be certified as a joint venture by the City prior to bid opening. However, prime contractors must submit information at the time of bid opening that includes a copy of the joint venture agreement and clearly outlines the work to be performed by the DBE joint venture partner, including the dollar amount and percentage of the contract to be performed.

When a DBE performs as a joint venture, the City will count a portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the DBE performs with its own forces toward DBE goals.

II. SUBMITTAL REQUIREMENTS

A. SUBMISSION OF A DBE PLAN

The DBE Plan and/or Affidavit of Good Faith Efforts must be submitted with the project proposal.

The DBE Plan must include:

1. The names of the DBE subcontractors/suppliers;
2. The type and scope of work or service each DBE will perform;
3. The dollar value of work as a percentage of the total contract value
4. If the contract goal is not met, evidence of good faith efforts.

If the completed Statement of Proposed DBE Plan or, if necessary, a documented waiver application is not included with the proposal, the proposal will be considered non-responsive.

B. DBE ACKNOWLEDGMENT OF PARTICIPATION

The Contractor will be required to submit to the Department of Procurement, Business Enterprise and Compliance Program, a DBE Acknowledgment of Participation for each DBE listed on the proposed DBE Plan which provides signed confirmation that they are participating in the contract as provided in the prime contractor's commitment in their DBE plan.

C. REVIEW OF DBE PLANS

The Director of Procurement may determine that the Plan and/or Affidavit of Good Faith Effort is nonresponsive where the contractor, (1) failed to provide a completed Statement of Proposed DBE Plan; (2) failed to identify DBEs by name, the scope of work and value of work as a percent of the total project amount sufficient to meet the applicable DBE goals for this project; (3) failed to achieve the dollar value of credible participation by certified DBEs as necessary to meet the project goals; (4) failed to provide written and signed documentation of commitment to use a DBE subcontractor whose participation it submits to meet a contract goal prior to contract execution; or (5) failed to meet the requirements for a waiver of the DBE goals. The Director's determination shall be in writing and shall state the basis for such decision.

III. GOOD FAITH EFFORT

A contractor must, in order to be responsive, make good faith efforts to meet the goal. The contractor can meet this requirement in either of two ways. First, the contractor can meet the goal, documenting commitments for participation by DBE firms sufficient for this purpose. Second, even if it does not meet the goal, the contractor can document adequate good faith efforts. This means that the contractor must show that it took all necessary and reasonable steps to achieve a DBE goal or other requirements of this part which, by their scope, intensity, and appropriateness to the objective, could reasonably be expected to obtain sufficient DBE participation, even if they were not fully successful.

The application for a waiver shall be in writing and must be submitted with the project proposal. The request must indicate whether a complete or partial waiver is sought. If a partial waiver is being sought the scope of such waiver must be indicated. The contractor must provide documented evidence including a narrative statement with supporting affidavits and/or exhibits verifying the good faith efforts to meet the goals.

The following is a list of types of actions which the City will consider as part of the good faith efforts to obtain DBE participation. It is not intended to be a mandatory checklist, nor is it intended to be exclusive or exhaustive. Other factors or types of efforts may be relevant in appropriate cases.

- A.** Soliciting through all reasonable and available means the interest of all certified DBEs who have the capability to perform the work of the contract. The contractor must solicit this interest within sufficient time to allow the DBEs to respond to the solicitation. The contractor must determine with certainty if the DBEs are interested by taking appropriate steps to follow up initial solicitations.
- B.** Selecting portions of the work to be performed by DBEs in order to increase the likelihood that the DBE goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate DBE participation, even when the prime contractor might otherwise prefer to perform these work items with its own forces.
- C.** Providing interested DBEs with adequate information about the plans, specifications, and requirements of the contract in a timely manner to assist them in responding to a solicitation.
- D.** **(1)** Negotiating in good faith with interested DBEs. It is the contractors responsibility to make a portion of the work available to DBE subcontractors and suppliers and to select those portions of the work or material needs consistent with the available DBE subcontractors and suppliers, so as to facilitate DBE participation. Evidence of such negotiation includes the names, addresses, and telephone numbers of DBEs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why additional agreements could not be reached for DBEs to perform the work.
(2) A contractor using good business judgment would consider a number of factors in negotiating with subcontractors, including DBE subcontractors, and would take a firm's price and capabilities as well as contract goals into consideration. However, the fact that there may be some additional costs involved in finding and using DBEs is not itself sufficient reason for failure to meet the contract DBE goal, as long as such costs are reasonable. Also, the ability or desire of a prime contractor to perform the work of a contract with its own organization does not relieve them of the responsibility to make good faith efforts. Prime contractors are not, however, required to accept higher quotes from DBEs if the price difference is excessive or unreasonable.
- E.** Not rejecting DBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. The contractor's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union

vs. non-union employee status) are not legitimate causes for rejection or non-solicitation of bids in the contractor's efforts to meet the project goal.

F. Making efforts to assist interested DBEs in obtaining bonding, lines of credit, or insurance as required by the City of Tucson or contractor.

G. Making efforts to assist interested DBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.

H. Effectively using the services of available minority/women community organizations; minority/women contractors' groups; local, state, and Federal minority/women business assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of DBEs.

I. Communicating with the Department of Procurement, Business Enterprise & Compliance Program seeking technical or professional assistance in identifying available DBEs and requesting the most current Arizona Unified Certification Program (AZUCP) directory of certified DBE firms.

The City's Director of Procurement shall review the waiver application and approve the waiver where the contractor has demonstrated good faith efforts or deem them nonresponsive where they failed to meet the good faith efforts.

IV. ADMINISTRATIVE RECONSIDERATION

If it is determined by the City's Director of Procurement that the contractor has failed to meet the goal and/or document adequate good faith efforts, the contractor shall have the opportunity for administrative reconsideration. Therefore, within five (5) working days of being notified by the Department of Procurement that it is not responsive because it has not met the goal or documented adequate good faith efforts, a contractor may request administrative reconsideration. Contractors must make this request in writing to the following individual:

Procurement Director
City of Tucson
255 W. Alameda – PO Box 27210
Tucson, Arizona 85726.

The request for reconsideration must include the reasons and factual grounds for reconsideration with any supporting documents. The Procurement Director shall appoint a Reconsideration Official who will not have played any role in the original determination that the Offeror did not document sufficient good faith efforts. The Reconsideration Official shall hold a hearing within ten (10) working days of the request for reconsideration. The contractor will have the opportunity to meet in person with the City's Reconsideration Official to discuss the issue of whether it met the goal or made adequate good faith efforts to do so. The Reconsideration Official can also take testimony from City employees.

The City will send the contractor, via certified mail, a written decision on reconsideration, explaining the basis for finding that the contractor did or did not meet the goal or make adequate good faith efforts to do so. The decision will be sent within five (5) working days of the Reconsideration Hearing. The result of the reconsideration process is not administratively appealable. Copies of the reconsideration documentation, including supporting documents and the Reconsideration Officials final decision, shall be maintained in the contract file at the Department of Procurement.

Failure to submit the required information by the stated time and in the manner herein specified **shall** be cause for the contractor to be deemed non-responsive.

The Procurement Director may verify and/or clarify information and request resubmittal of information based on clarification as it relates to the affidavit of good faith efforts, and/or the statement of proposed DBE plan.

V. GENERAL WAIVER OR REDUCTION OF DBE GOALS

If, after consultation with appropriate City departments, the Procurement Director determines that DBE availability is less than projected, the Procurement Director may waive or reduce established project goals. In such circumstances, the Procurement Director shall certify that DBEs are not in fact available.

The City shall waive a project goal, at least in part, if the contractor requesting a waiver receives from all qualified DBEs, in one trade or industry, quotes or proposal that exceeds the lowest quote or proposal of a qualified non-DBE competing for the same work by the lesser of fifteen percent (15%) or two hundred and fifty thousand dollars (\$250,000). In such circumstances, the Procurement Director shall certify that DBEs are not in fact available to provide the needed labor and materials at competitive prices.

VI. MONITORING PAYMENTS TO SUBCONTRACTORS

Prime contractors must maintain records and documents of payments to DBEs for three years following the performance of the contract. These records will be made available for inspection upon request by any authorized representative of the City of Tucson or federal government. This reporting requirement also extends to any certified DBE subcontractor. As part of the contract documents requirement, the contractor will submit company procedures and policy for prompt payment of work and prompt release of retention to subcontractors.

Prime contractors are required to pay all subcontractors for satisfactory performance of their contracts no later than 30 days from receipt of each progress payment made by the City of Tucson to the prime contractor.

The prime contractor is to pay all retention owed to a subcontractor within 30 days of satisfactory completion of the contracted work. For the purposes of this section, a subcontractor's work is satisfactorily completed when all the tasks called for in the subcontract have been accomplished and accepted by the prime contractor as required by the City of Tucson. Payment of retention by a prime contractor to subcontractors following completion and acceptance of work is NOT dependent on the billing of, or payment from, the City of Tucson for the retention release. Required timelines are indicated below:

- A. When a subcontractor has completed all the tasks called for in the subcontract, the subcontractor will submit a written request to the prime contractor for an acceptance inspection and release of all retention.
- B. Within 10 days of receipt of an inspection request by a subcontractor, the contractor shall schedule an inspection / walk through for acceptance of the work.
- C. Within 30 days of the acceptance of a subcontractors work, the prime contractor shall pay all retention owed to a subcontractor.

Once a subcontractor's work has been accepted, a prime contractor may bill the City of Tucson for release of retention equal to the amount of retention that is/has been released to a subcontractor.

Prime contractors are asked to submit the attached Certification of Payments, for each DBE subcontractor utilized on this project, once that portion of the work has been completed and the subcontractor has been paid in full.

5. Prime contractors will report the actual value of any contract to DBE firms for work committed to them at the time of the contract award. Contractors must submit the enclosed Prime Contractor Report of Subcontractor Utilization for Final Payment Record to Department of Procurement, Business Enterprise & Compliance Program with their request for final payment. The Final Payment Record will record total dollar amounts paid to both DBE and non-DBE suppliers and subcontractors.

Prime contractors must provide notice to subcontractors that complaints of violations of the prompt payment provision may be submitted in writing to the City of Tucson, Department of Procurement, Director, 255 W. Alameda, 6th Floor, Tucson, Arizona 85701. The complaint shall set forth the facts and identify the prime contractor and the project. Subcontractors will be assisted by the Department of Procurement with the complaint process.

The City of Tucson may withhold payment from the prime contractor for work performed by subcontractors unless and until the prime contractor ensures that the subcontractors are promptly paid for the work they have performed.

The City of Tucson may withhold payment from the prime contractor for failure to submit and/or complete required documents.

VII. MISCELLANEOUS PROVISIONS

B. SUBCONTRACTOR PERFORMANCE & SUBSTITUTION REQUESTS:

The contractor's distinct contract items of work to be awarded to DBE's shall be performed by the designated DBE. The DBE must perform a commercially useful function, that is, the DBE must manage, perform, and supervise a distinct element of work.

All subcontractor modifications (addition, substitution, deletion) pursuant to the Tucson Procurement Code Section 28-48(2), may only be allowed at the sole discretion of the Procurement Director. Approval must be obtained prior to the subcontractor beginning the work.

In the event that a DBE is unable or unwilling to fulfill its agreement with the contractor, the contractor shall immediately notify the Procurement Department's Business Enterprise & Compliance Program, the Contract Officer and the Project Manager. The DBE firm can only be terminated for good cause. The contractor shall immediately take reasonable good faith efforts to obtain another certified DBE firm to perform an equal or greater dollar value of the work. The contractor shall provide all pertinent information regarding the DBE substitution request including but not limited to:

4. The name of the proposed substitute DBE's, description of proposed work and estimated dollar value of the work and any relevant information such as a written quote, etc.

DBE contract work items shall not be performed by the contractor in lieu of subcontracting, without obtaining prior approval as outlined above.

Contract items eliminated from the project, with the approval of the Project Manager, may not reduce the contractor's obligation for DBE participation.

B. DBE PROGRAM COMPLIANCE

The contractor and all DBE subcontractors must comply with all aspects of the DBE federal program requirements as specified in 49 CFR Part 26. By submitting an offer to the City of Tucson; Offeror's bind themselves to make every good faith effort to meet the City's DBE goal. The contractor must also include a copy of the DBE contract provisions in every subcontract. An executed subcontract with all DBE subcontractors shall be completed prior to the Notice To Proceed, and available to the City of Tucson upon request.

Failure by the contractor to comply with the DBE provisions is a material breach of the contract which may result in remedies as deemed appropriate by the City, including but not limited to the following:

- (1) Withholding monthly progress or final payments;
- (2) Assessing sanctions;
- (3) Liquidated damages; and/or;
- (4) Disqualifying the contractor from future bidding as non-responsible.

The contractor must comply with applicable Prompt Payment regulations, Tucson Code Section 11-38 and Arizona Revised Statutes Title 32-1129. The City of Tucson may withhold payment from the prime contractor for work performed by subcontractors unless and until the prime contractor ensures that the subcontractors are promptly paid for the work they have performed.

The prime contractors must provide notice to all subcontractors that complaints of violations of the prompt payment provision may be submitted in writing to the City of Tucson, Department of Procurement, 255 W. Alameda, 6th floor Tucson, Arizona 85701 – PO Box 27210, Tucson, Arizona 85726. The complaint shall set forth the facts and identify the prime contractor and the construction project. C. CONTRACTOR PERFORMANCE EVALUATION

At the conclusion of every City of Tucson construction project, the prime contractor is required to complete the Prime Contractor Report of Subcontractor Utilization form. In addition to identifying all subcontractors utilized on a project, the report will include a section to rate the performance of project subcontractors from 1 – 5, based on industry standards. The performance rating section shall be completed. A score of 3 is considered average. A score of 4 or 5 is considered above average. A score of 1 or 2 is considered as poor performance. A rating of 1 or 2 of a subcontractor will require the prime contractor to complete a Substandard Performance Report documenting the cause for the substandard performance rating. The City of Tucson Project Manager must concur with all poor performance ratings.

D. RECORD-KEEPING

The City of Tucson will require prime contractors to maintain records and documents of payments to DBE for three years following the performance of the contract. These records will be made available for inspection upon request by any authorized representative of the City of Tucson or federal government. The reporting requirement also extends to any certified DBE subcontractors.

E. FALSE, FRAUDULENT OR DISHONEST CONDUCT

The City of Tucson will bring to the attention of the federal government any false, fraudulent or dishonest conduct in connection with the DBE Diversity Program for Contracts so that the federal government can take steps (e.g., referral to the Department of Justice for criminal prosecution, action under suspension and debarment or Program Fraud and Civil Penalties rules) provided in 49 CFR 26.109. The City will also consider similar action under its own legal authorities, including responsibility determinations in future contracts.

The City of Tucson shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any federal contract or in the administration of its DBE Program or the requirements of 49 CFR 26. The recipient's DBE Program, as required by 49 CFR 26, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the City of Tucson of its failure to carry out its approved program, the Department may impose sanctions as provided for under Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

If this contract is terminated while the Contractor has possession of Recipient goods, the Contractor shall, upon direction of the City of Tucson, protect and preserve the goods until surrendered to the City of Tucson or its agent. The Contractor and the City of Tucson shall agree on payment for the preservation and protection of goods. Failure to agree on an amount will be resolved under the Dispute clause.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the City of Tucson.

8. **Termination for Default (Construction):** If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provisions of this contract, the City of Tucson may terminate this contract for default. The City of Tucson shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, the City of Tucson may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to the City of Tucson resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the City of Tucson in completing the work.

The Contractor's right to proceed shall not be terminated nor the Contractor charged with damages under this clause if-

- a. the delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of the City of Tucson, acts of another Contractor in the performance of a contract with the City of Tucson, epidemics, quarantine restrictions, strikes, freight embargoes; and
- b. the contractor, within ten [10] days from the beginning of any delay, notifies the City of Tucson in writing of the causes of delay. If in the judgment of the City of Tucson, the delay is excusable,

the time for completing the work shall be extended. The judgment of the City of Tucson shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.

If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of the City of Tucson.

9. **Termination for Convenience or Default (Architect and Engineering):** The City of Tucson may terminate this contract in whole or in part, for the City of Tucson's convenience or because of the failure of the Contractor to fulfill the contract obligations. The City of Tucson shall terminate by delivering to the Contractor a Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Contracting Officer all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process.

If the termination is for the convenience of the City of Tucson, the Contracting Officer shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services.

If the termination is for failure of the Contractor to fulfill the contract obligations, the City of Tucson may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by the City of Tucson.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the City of Tucson.

10. **Termination for Convenience or Default (Cost-Type Contracts):** The City of Tucson may terminate this contract, or any portion of it, by serving a notice of termination on the Contractor. The notice shall state whether the termination is for convenience of the City of Tucson or for the default of the Contractor. If the termination is for default, the notice shall state the manner in which the contractor has failed to perform the requirements of the contract. The Contractor shall account for any property in its possession paid for from funds received from the City of Tucson, or property supplied to the Contractor by the City of Tucson. If the termination is for default, the City of Tucson may fix the fee, if the contract provides for a fee, to be paid the contractor in proportion to the value, if any, of work performed up to the time of termination. The Contractor shall promptly submit its termination claim to the City of Tucson and the parties shall negotiate the termination settlement to be paid the Contractor.

If the termination is for the convenience of the City of Tucson, the Contractor shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination.

If, after serving a notice of termination for default, the City of Tucson determines that the Contractor has an excusable reason for not performing, such as strike, fire, flood, events which are not the fault of and are beyond the control of the contractor, the City of Tucson, after setting up a new work schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.

A. Rights in Data - This following requirements apply to each contract involving experimental, developmental or research work:

1. The term "subject data" used in this clause means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the contract. The term includes graphic or pictorial delineation in media such as drawings or photographs; text in specifications or related performance or design-type documents; machine forms such as punched cards, magnetic tape, or computer memory printouts; and information retained in computer memory. Examples include, but are not limited to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to contract administration.
2. The following restrictions apply to all subject data first produced in the performance of the contract to which this Attachment has been added:
 - a. Except for its own internal use, the Purchaser or Contractor may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may the Purchaser or Contractor authorize others to do so, without the written consent of the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public; this restriction on publication, however, does not apply to any contract with an academic institution.
 - b. In accordance with 49 C.F.R. § 18.34 and 49 C.F.R. § 19.36, the Federal Government reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for "Federal Government purposes," any subject data or copyright described in subsections (2)(b)1 and (2)(b)2 of this clause below. As used in the previous sentence, "for Federal Government purposes," means use only for the direct purposes of the Federal Government. Without the copyright owner's consent, the Federal Government may not extend its Federal license to any other party.
 1. Any subject data developed under that contract, whether or not a copyright has been obtained; and
 2. Any rights of copyright purchased by the Purchaser or Contractor using Federal assistance in whole or in part provided by FTA.
 - c. When FTA awards Federal assistance for experimental, developmental, or research work, it is FTA's general intention to increase transportation knowledge available to the public, rather than to restrict the benefits resulting from the work to participants in that work. Therefore, unless FTA determines otherwise, the Purchaser and the Contractor performing experimental, developmental, or research work required by the underlying contract to which this Attachment is added agrees to permit FTA to make available to the public, either FTA's license in the copyright to any subject data developed in the course

of that contract, or a copy of the subject data first produced under the contract for which a copyright has not been obtained. If the experimental, developmental, or research work, which is the subject of the underlying contract, is not completed for any reason whatsoever, all data developed under that contract shall become subject data as defined in subsection (a) of this clause and shall be delivered as the Federal Government may direct. This subsection (c) , however, does not apply to adaptations of automatic data processing equipment or programs for the Purchaser or Contractor's use whose costs are financed in whole or in part with Federal assistance provided by FTA for transportation capital projects.

- d. Unless prohibited by state law, upon request by the Federal Government, the Purchaser and the Contractor agree to indemnify, save, and hold harmless the Federal Government, its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Purchaser or Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under that contract. Neither the Purchaser nor the Contractor shall be required to indemnify the Federal Government for any such liability arising out of the wrongful act of any employee, official, or agents of the Federal Government.
 - e. Nothing contained in this clause on rights in data shall imply a license to the Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the Federal Government under any patent.
 - f. Data developed by the Purchaser or Contractor and financed entirely without using Federal assistance provided by the Federal Government that has been incorporated into work required by the underlying contract to which this Attachment has been added is exempt from the requirements of subsections (b), (c), and (d) of this clause , provided that the Purchaser or Contractor identifies that data in writing at the time of delivery of the contract work.
 - g. Unless FTA determines otherwise, the Contractor agrees to include these requirements in each subcontract for experimental, developmental, or research work financed in whole or in part with Federal assistance provided by FTA.
3. Unless the Federal Government later makes a contrary determination in writing, irrespective of the Contractor's status (i.e., a large business, small business, state government or state instrumentality, local government, nonprofit organization, institution of higher education, individual, etc.), the Purchaser and the Contractor agree to take the necessary actions to provide, through FTA, those rights in that invention due the Federal Government as described in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," 37 C.F.R. Part 401.
4. The Contractor also agrees to include these requirements in each subcontract for experimental, developmental, or research work financed in whole or in part with Federal assistance provided by FTA.

- B. Patent Rights - The following requirements apply to each contract involving experimental, developmental, or research work:
1. General - If any invention, improvement, or discovery is conceived or first actually reduced to practice in the course of or under the contract to which this Attachment has been added, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Purchaser and Contractor agree to take actions necessary to provide immediate notice and a detailed report to the party at a higher tier until FTA is ultimately notified.
 2. Unless the Federal Government later makes a contrary determination in writing, irrespective of the Contractor's status (a large business, small business, state government or state instrumentality, local government, nonprofit organization, institution of higher education, individual), the Purchaser and the Contractor agree to take the necessary actions to provide, through FTA, those rights in that invention due the Federal Government as described in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,"
2. The Contractor also agrees to include the requirements of this clause in each subcontract for experimental, developmental, or research work financed in whole or in part with Federal assistance provided by FTA.

A protest of a proposed award or rejection shall be filed within ten (10) calendar days after the protestor knows or should have known the basis of the protest. The Contract Officer shall respond to a protest within fourteen (14) calendar days after the receipt of the protest. The Procurement Director may grant the Contract Officer an extension for the response if warranted. A request for reconsideration of any and all determinations by the Contract Officer shall be filed with the Procurement Director within seven (7) calendar days after the receipt of the determination.
2. A protest shall include:

4. The City will not make award prior to the resolution of a protest, or open bids prior to resolution of a protest filed before bid opening unless the Procurement Director determines in writing that it is in the best interests of the City or in keeping with Item 7 of this procedure to do otherwise. Potential contractors will be advised of a pending protest if the protest is filed before award.
5. The Procurement Director may allow for an informal conference on the merits of a protest with all interested parties allowed to attend. Interested parties include all bidders/offerors, and may also include a subcontractor or supplier provided they have a substantial economic interest in a portion of the IFB or RFP.
6. The Procurement Director shall respond "in writing", in detail, to each substantial issue raised in the protest. The Procurement Director has the sole authority to make determinations for the City, and a determination shall be considered final when it is labeled as such. A request for reconsideration will be allowed by the Procurement Director if he determines that data has become available that was not previously known, or that there has been an error of law or regulation.

7. The City may proceed with a procurement when a protest is pending if the City determines that:
 - A. The items to be procured are urgently required;
 - B. Delivery or performance will be unduly delayed by failure to make the award promptly; or
 - C. Failure to make award will otherwise cause undue harm to the grantee for the Federal Government.
8. FTA will only entertain a protest that alleges:
 1. The City failed to have or to adhere to its protest procedures, or failed to review a complaint or protest; or
 2. Violations of Federal law or regulation.

A protest to FTA must be filed in accordance with FTA Circular 4220.1F, available from the Contract Officer. A protest filed with FTA shall:

- A. Include the name and address of the protestor.
- B. Identify the grantee, project number, and the number of the contract solicitation.

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

The terms and pricing established in the resulting Master Agreement between the Consultant and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Consultant and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Consultant for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Consultant is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Consultants based on OMNIA Partners' requirements to market the resulting Master Agreement locally, regionally, or nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Consultants on a local, regional, or national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFQ. OMNIA Partners reserves the right to determine whether to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFQ acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Consultant pursuant to this section that directly promotes the Consultant's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a local, regional, or national basis.

OMNIA Partners will assign the Consultant a Director of Partner Development who will serve as the main point of contact for the Consultant and will be responsible for managing the overall relationship between the Consultant and OMNIA Partners. The Director of Partner Development will work with the Consultant to develop a comprehensive strategy to promote the Master Agreement and will connect the Consultant with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Consultant to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

- A. Marketing collateral (print, electronic, email, presentations)
- B. Website
- C. Trade shows/conferences/meetings
- D. Advertising
- E. Social Media

The OMNIA Partners sales teams will work in conjunction with Consultant to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

- A. Individual sales calls
- B. Joint sales calls

- C. Communications/customer service
- D. Training sessions for Public Agency teams
- E. Training sessions for Consultant teams

The OMNIA Partners contracting teams will work in conjunction with Consultant to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
- B. Training sessions for Public Agency teams
- C. Training sessions for Consultant teams
- D. Regular business reviews to monitor program success
- E. General contract administration

Consultants are required to pay an Administrative Fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Qualification. Consultants should not include, address, or discuss the fee as part of their proposal. Discussion around the Administrative Fee will occur after the technical evaluations are complete and Consultant(s) have moved into negotiations. Consultant will be required to execute the OMNIA Partners Administration Agreement (Exhibit B).

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately \$25M annually. While no minimum volume is guaranteed to Consultant, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Consultant and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFQ made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a local, regional, or national level through OMNIA Partners. If multiple Consultants are awarded by Principal Procurement Agency under the Master Agreement, those same Consultants will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g., governing law) are subject to modification for each Participating Public Agency as Consultant and such Participating Public Agency

may agree without being in conflict with the Master Agreement as a condition of the Participating Agency's purchase and not a modification of the Master Agreement applicable to all Participating Agencies. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (e.g., governing law, invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, etc.) ("Supplemental Agreement"). It shall be the responsibility of the Consultant to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Consultant to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. In instances where supplemental terms and conditions create additional risk and cost for Consultant, Consultant and Participating Public Agency may negotiate additional pricing above and beyond the stated contract not-to-exceed pricing so long as the added price is commensurate with the additional cost incurred by the Consultant. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Consultant (Contract Sales are reported to OMNIA Partners).

All signed Supplemental Agreements and purchase orders issued and accepted by the Consultant may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Consultant is responsible for reporting all sales and paying the applicable Administrative Fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFQ is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

Consultant commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. All Administrative Fees not paid when due shall bear interest at a rate equal to the lesser of one and one-half percent (1 1/2%) per month or the maximum rate permitted by law until paid in full.

15. Supplier shall maintain an accounting of all purchases made by Participating Public Agencies under the Master Agreement. OMNIA Partners, or its designee, in OMNIA Partners' sole discretion, reserves the right to compare Participating Public Agency records with Contract Sales Reports submitted by Supplier for a period of four (4) years from the date OMNIA Partners receives such report. In addition, OMNIA Partners may engage a third party to conduct an independent audit of Supplier's monthly reports. In the event of such an audit, Supplier shall provide all materials reasonably requested relating to such audit by OMNIA Partners at the location designated by OMNIA Partners. In the event an underreporting of Contract Sales and a resulting underpayment of

Administrative Fees is revealed, OMNIA Partners will notify the Supplier in writing. Supplier will have thirty (30) days from the date of such notice to resolve the discrepancy to OMNIA Partners' reasonable satisfaction, including payment of any Administrative Fees due and owing, together with interest thereon in accordance with Section 13, and reimbursement of OMNIA Partners' costs and expenses related to such audit.

This Master Intergovernmental Cooperative Purchasing Agreement (this “**Agreement**”) is entered into by and between those certain government agencies that execute a Principal Procurement Agency Certificate (“**Principal Procurement Agencies**”) with National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector and/or Communities Program Management, LLC, a California limited liability company d/b/a U.S. Communities (collectively, “**OMNIA Partners**”), in its capacity as the cooperative administrator, to be appended and made a part hereof and such other public agencies (“**Participating Public Agencies**”) who register to participate in the cooperative purchasing programs administered by OMNIA Partners and its affiliates and subsidiaries (collectively, the “**OMNIA Partners Parties**”) by either registering on the OMNIA Partners website (www.omniapartners.com/publicsector or any successor website), or by executing a copy of this Agreement.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Principal Procurement Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers have entered into “**Master Agreements**” (herein so called) to provide a variety of goods, products and services (“**Products**”) to the applicable Principal Procurement Agency and the Participating Public Agencies;

WHEREAS, Master Agreements are made available by Principal Procurement Agencies through the OMNIA Partners Parties and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Principal Procurement Agency, subject to any applicable federal and/or local purchasing ordinances and the laws of the State of purchase; and

WHEREAS, in addition to Master Agreements, the OMNIA Partners Parties may from time to time offer Participating Public Agencies the opportunity to acquire Products through other group purchasing agreements.

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties hereby agree as follows:

1. Each party will facilitate the cooperative procurement of Products.
2. The Participating Public Agencies shall procure Products in accordance with and subject to the relevant federal, state and local statutes, ordinances, rules and regulations that govern Participating Public Agency’s procurement practices. The Participating Public Agencies hereby acknowledge and agree that it is the intent of the parties that all provisions of this Agreement and that Principal Procurement Agencies’ participation in the program described herein comply with all applicable laws, including but not limited to the requirements of 42 C.F.R. § 1001.952(j), as may be amended from time to time. The Participating Public Agencies further acknowledge and agree that they are solely responsible for their compliance with all applicable “safe harbor” regulations, including but not limited to any and all obligations to fully and accurately report discounts and incentives.

3. The Participating Public Agency represents and warrants that the Participating Public Agency is not a hospital or other healthcare provider and is not purchasing Products on behalf of a hospital or healthcare provider; provided that the foregoing shall not prohibit Participating Public Agency from furnishing health care services so long as the furnishing of healthcare services is not in furtherance of a primary purpose of the Participating Public Agency.

4. The cooperative use of Master Agreements shall be in accordance with the terms and conditions of the Master Agreements, except as modification of those terms and conditions is otherwise required by applicable federal, state or local law, policies or procedures.

5. The Principal Procurement Agencies will make available, upon reasonable request, Master Agreement information which may assist in improving the procurement of Products by the Participating Public Agencies.

6. The Participating Public Agency agrees the OMNIA Partners Parties may provide access to group purchasing organization (“**GPO**”) agreements directly or indirectly by enrolling the Participating Public Agency in another GPO’s purchasing program, provided that the purchase of Products through the OMNIA Partners Parties or any other GPO shall be at the Participating Public Agency’s sole discretion.

7. The Participating Public Agencies (each a “**Procuring Party**”) that procure Products through any Master Agreement or GPO Product supply agreement (each a “**GPO Contract**”) will make timely payments to the distributor, manufacturer or other vendor (collectively, “**Supplier**”) for Products received in accordance with the terms and conditions of the Master Agreement or GPO Contract, as applicable. Payment for Products and inspections and acceptance of Products ordered by the Procuring Party shall be the exclusive obligation of such Procuring Party. Disputes between Procuring Party and any Supplier shall be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Procuring Party and Supplier.

8. The Procuring Party shall not use this Agreement as a method for obtaining additional concessions or reduced prices for purchase of similar products or services outside of the Master Agreement. Master Agreements may be structured with not-to-exceed pricing, in which cases the Supplier may offer the Procuring Party and the Procuring Party may accept lower pricing or additional concessions for purchase of Products through a Master Agreement.

9. The Procuring Party shall be responsible for the ordering of Products under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a Procuring Party, and, to the extent permitted by applicable law, the Procuring Party shall hold non-procuring party harmless from any liability that may arise from the acts or omissions of the Procuring Party.

10. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE OMNIA PARTNERS PARTIES EXPRESSLY DISCLAIM ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES REGARDING ANY PRODUCT, MASTER AGREEMENT AND GPO CONTRACT. THE OMNIA PARTNERS PARTIES SHALL NOT BE LIABLE IN ANY WAY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, OR RELIANCE DAMAGES, EVEN IF THE OMNIA PARTNERS PARTIES ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE PROCURING PARTY ACKNOWLEDGES AND AGREES THAT THE OMNIA PARTNERS PARTIES SHALL HAVE NO LIABILITY FOR ANY ACT OR OMISSION BY A SUPPLIER OR OTHER PARTY UNDER A MASTER AGREEMENT OR GPO CONTRACT.

11. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of Paragraphs 6 - 10 hereof shall survive any such termination.

12. This Agreement shall take effect upon (i) execution of the Principal Procurement Agency Certificate, or (ii) registration on the OMNIA Partners website or the execution of this Agreement by a Participating Public Agency, as applicable.

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302–6305:

- (a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;
- (b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.
- (c) The term does not include:
 - (1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or
 - (2) An agreement that provides only:
 - (i) Direct United States Government cash assistance to an individual;
 - (ii) A subsidy;
 - (iii) A loan;
 - (iv) A loan guarantee; or
 - (v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non-Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

- (a)(1) The Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or
- (2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.
- (b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.
- (c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).
- (d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non-Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

- (a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
- (b) Is not organized primarily for profit; and
- (c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non-Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non-Federal entity during the same or a future period.

Pass-through entity means a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is \$250,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

The following provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Per FAR 52.204-24 and FAR 52.204-25, solicitations and resultant contracts shall contain the following provisions.

FEMA SPECIAL CONDITIONS

Awarded Supplier(s) may need to respond to events and losses where products and services are needed for the immediate and initial response to emergency situations such as, but not limited to, water damage, fire damage, vandalism cleanup, biohazard cleanup, sewage decontamination, deodorization, and/or wind damage during a disaster or emergency situation. By submitting a proposal, the Supplier is accepted these FEMA Special Conditions required by the Federal Emergency Management Agency (FEMA).

“Contract” in the below pages under FEMA SPECIAL CONDITIONS is also referred to and defined as the “Master Agreement”.

“Contractor” in the below pages under FEMA SPECIAL CONDITIONS is also referred to and defined as “Supplier” or “Awarded Supplier”.

Conflicts of Interest

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a FEMA award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for award. 2 C.F.R. § 200.318(c)(1); See also Standard Form 424D, ¶ 7; Standard Form 424B, ¶ 3. i. FEMA considers a “financial interest” to be the potential for gain or loss to the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties as a result of the particular procurement. The prohibited financial interest may arise from ownership of certain financial instruments or investments such as stock, bonds, or real estate, or from a salary, indebtedness, job offer, or similar interest that might be affected by the particular procurement. ii. FEMA considers an “apparent” conflict of interest to exist where an actual conflict does not exist, but where a reasonable person with knowledge of the relevant facts would question the impartiality of the employee, officer, or agent participating in the procurement. c. Gifts. The officers, employees, and agents of the Participating Public Agency nor the Participating Public Agency (“NFE”) must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, NFE’s may set standards for situations in which the financial interest is de minimus, not substantial, or the gift is an unsolicited item of nominal value. 2 C.F.R. § 200.318(c)(1). d. Violations. The NFE’s written standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the NFE. 2 C.F.R. § 200.318(c)(1). For example, the penalty for a NFE’s employee may be dismissal, and the penalty for a contractor might be the termination of the contract.

Part 180 and the Department of Homeland Security’s regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension), must be rejected and cannot receive contract awards at any level.

Public Policy

A contractor must comply with the public policies of the Federal Government and state, local government, or tribal government. This includes, among other things, past and current compliance with the:

- a. Equal opportunity and nondiscrimination laws

3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

Prevailing Wage Requirements

3. EQUAL EMPLOYMENT OPPORTUNITY

When applicable:

- a. Standard. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet

the definition of “federally assisted construction contract” in 41 C.F.R.

§ 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60- 1.4(b), in accordance with Executive Order 11246, *Equal Employment Opportunity* (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p.

339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41

C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II(C).

b. Key Definitions.

i. Federally Assisted Construction Contract. The regulation at 41 C.F.R. § 60-1.3 defines a “federally assisted construction contract” as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.

ii. Construction Work. The regulation at 41 C.F.R. § 60-1.3 defines “construction work” as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

c. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.

d. Required Language. The regulation at 41 C.F.R. Part 60-1.4(b) requires the insertion of the following contract clause.

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

The Copeland Anti- Kickback Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person

- c. Requirements. If applicable, the non-federal entity must include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations at 29 C.F.R. Part 3 (Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States). Each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. 6. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

- a. Standard. Where applicable (see 40 U.S.C. §§ 3701-3708), all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II(E). Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Further, no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous.
- b. Applicability. This requirement applies to all FEMA contracts awarded by the non- federal entity in excess of \$100,000 under grant and cooperative agreement programs that involve the employment of mechanics or laborers. It is applicable to construction work. - c. Suggested Language. The regulation at 29 C.F.R. § 5.5(b) provides contract clause language concerning compliance with the Contract Work Hours and Safety Standards Act. FEMA suggests including the following contract clause:

Compliance with the Contract Work Hours and Safety Standards Act.

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation

of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The Federal agency or loan/grant recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

7. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT

- a.** Standard. If the FEMA award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the non-Federal entity must comply with the requirements of 37 C.F.R. Part 401 (Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements), and any implementing regulations issued by FEMA. See 2 C.F.R. Part 200, Appendix II(F).
- b.** Applicability. This requirement applies to “funding agreements,” but it DOES NOT apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as FEMA awards under these programs do not meet the definition of “funding agreement.”
- c.** Funding Agreements Definition. The regulation at 37 C.F.R. § 401.2(a) defines “funding agreement” as any contract, grant, or cooperative agreement entered into between any Federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

8. CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

- a. Standard. If applicable, contracts must contain a provision that requires the contractor to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§ 7401-7671q.) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Violations must be reported to FEMA and the Regional Office of the Environmental Protection Agency. See 2 C.F.R. Part 200, Appendix II(G).
- b. Applicability. This requirement applies to contracts awarded by a non-federal entity of amounts in excess of \$150,000 under a federal grant.
- c. Suggested Language. The following provides a sample contract clause.

Clean Air Act

1. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
3. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

1. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
2. The contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
3. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

9. DEBARMENT AND SUSPENSION

- a. Standard. Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, *Debarment and*

Suspension (1986) and Executive Order 12689, *Debarment and Suspension* (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension).

- b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs.
- c. Requirements.
 - i. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II(H); and 2 C.F.R. § 200.213. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530.
 - ii. In general, an "excluded" party cannot receive a Federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipients.
 - iii. Specifically, a covered transaction includes the following contracts for goods or services:
 - 1. The contract is awarded by a recipient or subrecipient in the amount of at least \$25,000.
 - 2. The contract requires the approval of FEMA, regardless of amount.
 - 3. The contract is for federally-required audit services.
 - 4. A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is in excess of \$25,000.
- d. Suggested Language. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified.

Suspension and Debarment

- (1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2

C.F.R. § 180.935).

- (2) The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- (3) This certification is a material representation of fact relied upon by the Participating Public Agency. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Participating Public Agency, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

10. BYRD ANTI-LOBBYING AMENDMENT

- a. Standard. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. FEMA's regulation at 44 C.F.R. Part 18 implements the requirements of 31 U.S.C. § 1352 and provides, in Appendix A to Part 18, a copy of the certification that is required to be completed by each entity as described in 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the Federal awarding agency.
- b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs. Contractors that apply or bid for a contract of \$100,000 or more under a federal grant must file the required certification. See 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.
- c. Suggested Language.

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

- d. Required Certification. If applicable, contractors must sign and submit to the non-federal entity the following certification.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Contractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. See 2 C.F.R. Part 200, Appendix II(J); and 2 C.F.R. §200.322.
- b. Applicability. This requirement applies to all contracts awarded by a non- federal entity under FEMA grant and cooperative agreement programs.
- c. Requirements. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- d. Suggested Language.
 - i. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—
 - 1. Competitively within a timeframe providing for compliance with the contract performance schedule;
 - 2. Meeting contract performance requirements; or
 - 3. At a reasonable price.
 - ii. Information about this requirement, along with the list of EPA- designated items, is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

See DHS Standard Terms and Conditions: Version 8.1 (2018). Additionally, Section 1225 of the Disaster Recovery Reform Act of 2018 prohibits FEMA from providing reimbursement to any state, local, tribal, or territorial government, or private non-profit for activities made pursuant to a contract that purports to prohibit audits or internal reviews by the FEMA administrator or Comptroller General.

Access to Records. The following access to records requirements apply to this contract:

- i. The Contractor agrees to provide Participating Public Agency, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.
- ii. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

- b. Applicability. FEMA recommends, therefore, that a non-Federal entity include a changes clause in its contract that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the contract. The language of the clause may differ depending on the nature of the contract and the end-item procured.

14. DHS SEAL, LOGO, AND FLAGS

- c. "The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract."

17. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

- a. Standard. Recipients must comply with the requirements of The False Claims Act (31 U.S.C. §§ 3729-3733) which prohibits the submission of false or fraudulent claims for payment to the federal government. The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisement for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The contractor or subcontractor, where applicable, will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to attempt in good faith to employ minority and female workers trade consistent with the applicable county employment goal prescribed by N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time or in accordance with a binding determination of the applicable county employment goals determined by the Affirmative Action Office pursuant to N.J.A.C. 17:27-5.2 promulgated by the Treasurer pursuant to P.L. 1975, C.127, as amended and supplemented from time to time.

The contractor or subcontractor agrees to inform in writing appropriate recruitment agencies in the area, including employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the state of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

The contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and lay-off to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation, and conform with the applicable employment goals, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”
