

MANUFACTURING

INDUSTRY PROFILE

We have the solutions you need to keep your business moving forward, including batteries for important equipment like scrubbers, forklifts, two-way radios, cordless tools, custom battery packs, backup generators, along with a wide range of lighting. Do you use tablets in your daily operations? Our device repair technicians can help you keep them in good working order.

Our online ordering and multiple fulfillment options make us a valuable partner to your company. We have expert staff trained to ensure that you get the right product for your specific application. Plus, our industry experts can work with you to help solve business critical OEM and MRO issues.

SLA Batteries

Choose between general purpose, deep cycle, gel and high-rate UPS batteries.

Alkaline Batteries

Power devices with strong, high-quality alkaline and lithium batteries.

Lighting

Choose lighting based on the size and usage of your space.

Device Repair

Repair for broken phone & tablet screens, faulty ports, cameras & more
