

# OMNIA Partners & BerryDunn

## PUBLIC SECTOR | K-12, HIGHER EDUCATION, STATE & LOCAL GOVERNMENT

BerryDunn is a leading national professional services firm providing assurance, tax, and consulting services to businesses, nonprofits, and government agencies throughout the US and its territories. Since 1974, we have been a client-centered, people-first firm with a mission to empower the meaningful growth of our people, clients, and communities. BerryDunn's consultants help clients plan for, procure, and implement new systems; improve business processes; achieve programmatic outcomes; meet financial and regulatory requirements; manage risk; and strengthen systems security. Public agencies can take advantage of cost savings, reduce the need for multiple quotes, and eliminate the lengthy RFP process by utilizing BerryDunn's competitively solicited and publicly awarded contract through OMNIA Partners.

**Fueling innovation with grounded perspective**  
Inspire change. Impact communities.

## BENEFITS

- Save time and money while increasing efficiency by allowing public agencies to leverage pre-negotiated terms, conditions, and competitive pricing to procure consulting services
- Agencies benefit from significant cost savings as there is no fee to register and become a member
