# Corporate Gifting Overview

## The Opportunity

Whether you're offering a warm welcome to new employees, rewarding your team for their hard work, or showing appreciation to valued clients, make a statement with unique, fully-grown plants shipped in our eco-friendly pots directly from our greenhouse!

**Can you say perfect gift?**

## Why Bloomscape

We're here to help you strengthen your relationship with your most important assets: your employees, clients, customers and vendors. **We make gifting plants easy.**

## Eco-Friendly Business Gifts for Anyone and Everyone

Bloomscape is here to make plant gifting easy. We offer an amazing selection of vibrant plants to help show appreciation, sympathy or any occasion in between.

These unique business gifts are healthy, ready-to-go plants that we deliver to your client's office, a new hire's home, or the workspace of a team that's returned to the office. **Anywhere. For Any Occasion.**
