

THE PREMIER PROVIDER OF ELEVATOR & ESCALATOR CONSULTING SOLUTIONS

Elevating your vertical transportation experience with a reputation for excellence and a track record of success, we specialize in a comprehensive range of services tailored to meet your elevator and escalator needs.

At BOCA Group, we are committed to providing consulting services in a manner that helps our clients achieve their goals. We believe that building owners and managers have the right to expect safe and code-compliant vertical transportation systems, as well as proper maintenance programs to provide peak reliability and performance.

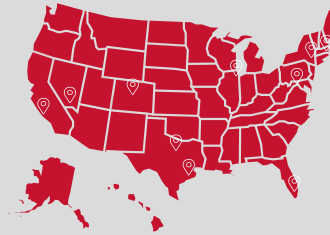

Building owners and managers have the right to expect fair and competitive pricing for maintenance, modernization, and construction projects, along with the freedom to choose the right contractor.

Our unique combination of project management and vertical transportation expertise makes us the company of choice for clients seeking complete, turnkey management of challenging elevator and escalator projects, along with all associated ancillary construction.
