We'll keep you **Ready for the Workday®** — so you can keep focusing on your business.

UNIFORM RENTAL

Your team's image is a reflection of your business, and there's nothing like having them report to work in a clean, professional-looking uniform. With a Cintas uniform rental program, your employees are always **ready™** to impress ... whether they're wearing our Classic Workwear, exclusive Carhartt® Rental Workwear or our line of apparel tailored just for women. Every week, you'll simply turn in your uniforms that are ready for laundering — and we'll take care of all your cleaning, repairs and maintenance.

FACILITY SERVICES

You're busy focusing on your business. So the last thing you need to worry about is your lobby being clean, your restrooms being disinfected and your floor mats being replaced. With scheduled service visits, Cintas will help you keep every corner of your facility **ready** — by restocking your restroom supplies and cleaning chemicals, and delivering fresh mats, mops and towels. We even keep you at your professional best with deep-cleaned tile, carpets and restrooms. It all adds up to streamlining your day, saving time and money.

FIRST AID & SAFETY

Are you **ready** for the unexpected? You will be with the help of a Cintas First Aid & Safety program. We know running a business and keeping your employees protected can be a challenge. So we're here to help. With regularly scheduled visits, we'll help you keep your first aid cabinets stocked, your personal protective equipment inventoried, your employees trained and your AEDs and eyewash stations ready to go.

Keep your facilities prepared, assets protected and people safe with the help of Fire Protection services from Cintas. Trained technicians, advanced reporting technology and bundled offerings deliver a convenient service experience.
