Dear Mark,

SUBJECT: Notice of Intent to Award – (Multiple Award)
RFP # (003101-Mar2023) RFP-UC Systemwide Hazardous and Medical Waste

The University of California (UC) has completed its evaluation of proposals in response to the above-referenced RFP and intends to award a contract to your company. I will represent UC in this regard with appropriate representation from UC and OMNIA Partners members moving forward, and I will contact you soon to begin negotiating the contract. Kindly direct to me all communications regarding this Notice of Intent to Award.

This Notice of Intent to Award is non-binding. UC reserves the right to cancel this Notice of Intent to Award any time before both parties sign a contract. UC and Clean Harbors will go over the contract terms and other requirements. UC will not award a contract if we cannot agree on contract terms.

Clean Harbors must have my written approval to work on a scope of work not covered by an existing campus or systemwide agreement, such as purchasing materials or entering into subcontracts relating to the project, before both parties sign a contract.

I look forward to working with you to put contract terms in place. Please don't hesitate to contact me with any questions about this Notice of Intent to Award.

Sincerely,

A handwritten signature in black ink that reads 'Reynaldo A. Cano-Boza'.
