Efficient Solutions. Proven Results.

Cleaning Product Portfolio

A Smarter Way to a Healthier Clean™

For over a century, cleaning professionals have trusted Clorox to help keep commercial facilities clean and healthy. Why? Because Clorox provides science-backed cleaning and disinfecting products that save time and get the job done right the first time—so your team can confidently create shared spaces where people can thrive.

You face a spectrum of challenges, from cleaning and disinfecting common spaces every day to combating tough tasks like mold, mildew, odors and stains. That's why CloroxPro has developed a complete package of convenient, ready-to-use cleaning and disinfecting solutions to help you tackle any cleaning challenge in any area of your facility effectively, efficiently and confidently.

Everyday Cleaning Tasks
