Absorb	3.00%	https://www.absorblms.com/	<p>Absorb is a cloud-based learning management system (LMS) engineered to inspire learning and fuel business productivity. Our online learning platform combines forward-thinking technology built to scale as your organization grows, with superb customer service rarely seen in the LMS space.</p> <p>With Absorb LMS, you get a single, unified platform that can meet the learning needs of all your stakeholders, including employees, customers, partners, etc. This means you don't have to worry about managing multiple systems or trying to integrate different platforms.</p>
ArmorerLink	0.50%	https://www.armorerlink.com/	<p>The ArmorerLink® Firearm Management System (ALFMS) is an integrated, easy-to-use, and functional system for tracking firearms, ammunition, maintenance, qualifications, equipment, and training. The system includes a native iOS Application for the Rangemaster to use for qualifying officers in real-time with the ability to photograph targets, note scores, and work online or offline. We also offer a Mobile-Web application for the iOS and Android platforms.</p> <p>ALFMS includes the essential tools for not only asset management, but all related tasks. No need to buy three or four programs to track it all. We leverage cloud technology, mobile technology, machine learning, and modern security to satisfy the most demanding I.T. requirements. We also offer on premises (perpetual) solutions and custom development project requirements.</p>
Evolv Technology	4.00%	https://www.evolvtechnology.com/	<p>Evolv provides a secure and seamless screening experience, making it possible for venues of all kinds to keep visitors safe from concealed weapons and intruders. Founded in 2013, they are a mission-driven company headquartered and manufactured in the United States with a proven track record in screening people for threats without sacrificing the visitor experience. People screening that's intelligent, low-profile and highly accurate.</p> <p>Evolv transforms human security to make a safer, faster, and better experience for all. Using industry leading artificial intelligence (AI)-powered weapons detection and analytics, we are partnering with customers to create safer spaces for people to gather around the globe.</p> <p>They work closely with customers and prospects from the moment of contact through the lifetime of our partnership. From education and training to deployment and service of our systems, Evolv is dedicated to helping security professionals make the best decisions to secure their venues for today's threat landscape and that of the future, so that we can all make the world a safer place.</p>
Hanwha	5.00%	https://www.hanwha.com/	<p>Hanwha is South Korea's seventh-largest business group, with innovative businesses in the areas of aerospace & mechatronics, clean energy & ocean solutions, finance, and retail & services. Ranked in the Fortune Global 500®, we're a multinational company with a robust global network of affiliates, which allows us to leverage synergy to deliver transformative solutions and impactful innovations that catalyze sustainable growth across industries and communities. In 2024, we were named to TIME's list of the TIME 100 Most Influential Companies list. With strong fundamentals in core industries, we enhance lives through our technologies, products, and services. Our relentless commitment to sustainability drives our bold innovation, allowing us to create transformative solutions for individuals, society, and the planet.</p>
Lansweeper	4.00%	https://www.lansweeper.com/	<p>Lansweeper is an IT Asset Management platform provider helping businesses better understand, manage and protect their IT devices and network. Lansweeper helps customers minimize risks and optimize their IT assets by providing actionable insight into their technology assets at all times, offering trustworthy, valuable, and accurate insights about the state of users, devices, and software.</p>
