

## Streamline Payments, Reduce Fraud, and Earn More Rebates

Corpay Payments Automation enables comprehensive automation for all payments, including virtual card benefits, for businesses of all sizes. Our full-service, ERP-agnostic, automated payment solutions empower your AP team to save time and costs by consolidating all your vendor payments into a single workflow.

### CREATE VALUE WITH CORPAY PAYMENTS AUTOMATION

Streamline your AP process and save team time with a *single automated workflow*

Earn monthly rebates on virtual card spend, totaling **\$800M+**<sup>1</sup> paid annually across all clients

Cut costs by reducing paper check payments, and *save the average cost of \$31 per business check*<sup>2</sup>

*Outsource data management* and vendor support tasks

*Mitigate fraud risk* with secure data storage and a *comprehensive security infrastructure*

### Monetize Your Payments

Earn cash rebates on your vendor payments with solutions that pay out over \$800M annually across our clients, and enjoy our vendor enrollment rate that's 2 to 3 times the payments industry average.

### Expand Working Capital

Boost your working capital with our flexible payment terms and funding options — including our \$1B in credit lines. Leverage our proprietary CorpayDirect payment network to maximize vendor payment acceptance.

### Improve Efficiency

Streamline your payment process to maximize efficiency. Create a single workflow for all payment types and maintain full control and visibility of your payment process.

### Mitigate Fraud

Protect your payments against fraud with our fully resourced security and compliance infrastructure that protects all payments in our network, regardless of transaction type.

### Reduce Costs

Cut your payment costs in terms of both money and time. Use the rebates you earn to offset payment solution costs, reduce your check-payment costs, avoid costs due to payment errors, and outsource your vendor data storage and maintenance tasks.

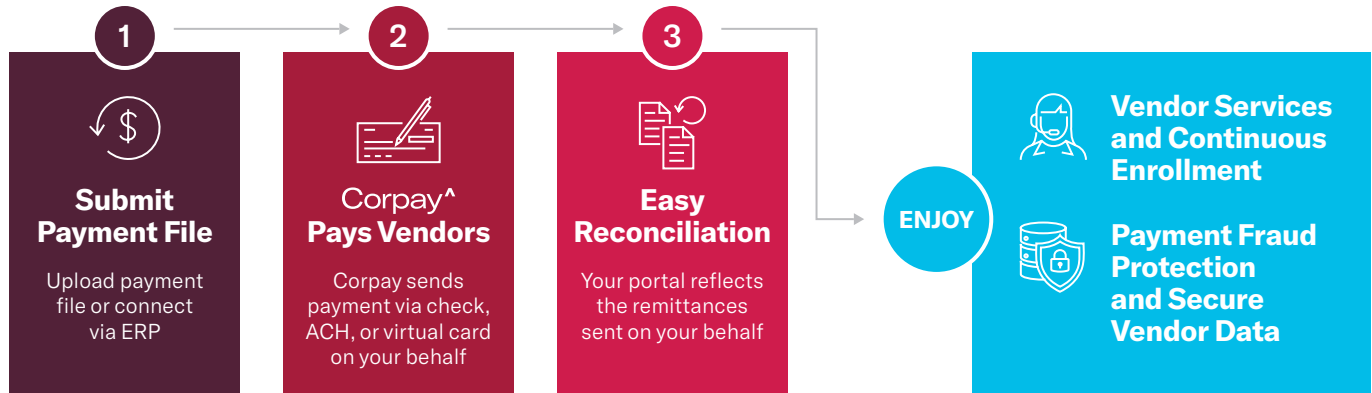

### More Card Spend

Optimize your payment strategy with more virtual card spend. Our dynamic, continuous vendor enablement and extensive 3.8M vendor network means more rebate opportunity for you on card payments that keep you in control of your processes.

# How Corpay Payments Automation Works

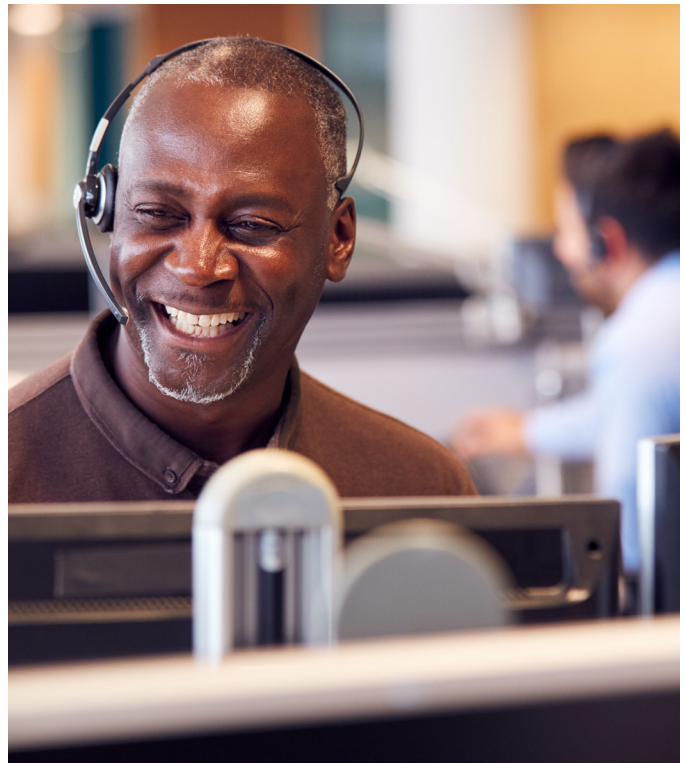

## Comprehensive Implementation Support and Payment Services

### Implementation and Onboarding

- A dedicated team helps you implement Corpay Payments Automation with minimal to no burden on your IT team.
- Technical resources work with you to help plug our bank- and ERP-agnostic solution into your existing accounting software.
- Throughout the process, we work closely with your team, providing the training and resources you need for successful onboarding.

### Payment Services

- Our vendor network includes 3.8M vendors ready to receive payments via Corpay Payments Automation — with nearly half a million accepting Corpay Virtual Card.
- Our vendor teams follow up on unprocessed payments and field payment status calls on your behalf.
- Our PayForYou team can submit payments to vendors over the phone or via portals, saving you time and headaches.

### About Corpay

As a global leader in business payments, Corpay helps companies of all sizes better track, manage and pay their expenses through a comprehensive and trusted suite of online payment solutions. Corpay is also North America's largest commercial Mastercard® issuer, handling more than a billion transactions each year. Corpay is part of the FLEETCOR (NYSE: FLT) portfolio of brands.
