Notes: Vendor may include other notes regarding the contract update here: (attach another page if necessary). We are submitting pricing for the Industrial Health & Hygiene Services offered by DKI (these services were described in our 2020 RFP submission as offerings of G2 Consultants, but we did not submit pricing for their services at that time). In addition, we are requesting a 5% increase to our contracted 2020 pricing based on the significant national increases in the cost of commodities, labor, equipment, fuel, etc. over the past three years. NSA Market Commentary (June 2022) supports the increase.
