Notes: Vendor may include other notes regarding the contract update here: (attach another page if necessary). EZGO is updating it's pricing for 2024 model year. The models that were affected by a pricing increase were as followed: RXV Series and Titans. This is due to increase in raw materials and product redesign (RXV Series). Additionally, EZGO would like to add our new Low Speed Vehicles (LSV's) to this agreement. The pricing structure will follow the contract, 10% off ELITE Series units. The new models are: EZGO Liberty LSV, Cushman Tour, and Cushman Hauler Pro LSV.
