E-Z-GO offers tax-exempt financing or leasing to municipalities who are wanting to spread the cost of capital over the life of the vehicles being financed. E-Z-GO has a handful of preferred partners that can either offer a Fair Market Value Lease (FMV Lease) or a \$1 Buyout Lease. E-Z-GO has designated representatives who work with customers through the streamlined financing documentation process, including the nuances such as non-appropriation language. E-Z-GO's preferred commercial finance partner is Wells Fargo and preferred golf finance partners are Huntington (formerly TCF), PNC and Wells Fargo. These preferred partners can change from time to time as E-Z-GO strives to work with the best partner who can provide the best lease rates to both educational and governmental agencies given market conditions.
