

Boost sales and customer satisfaction with **Grab 'n Go**

Access convenient, healthy food for all dayparts, including sandwiches, salads, wraps, snacks, meal kits, breakfast and balanced desserts

Enhance your food offerings with turnkey, convenient and on-trend meal and snack solutions. Easily prepared in advance with minimal effort and investment, all Grab 'n Go offerings can be branded with your logo and imagery.

Maximize sales with minimal labor and effort

- Get started easily — less than 10 feet of space is required for implementation
- Access a full set of training and operating materials, including bilingual build cards and planograms for easy preparation
- Meet your sustainability goals with recyclable and compostable packaging options
- Increase your margins by using only contracted products and eliminating nonapproved purchases

100% turnkey. Zero hassle.

- Implement your program in as few as eight weeks
- Maximize efficiency with curated recipes, ingredients and procedures
- Access over 50 on-trend menu items fully ready to execute for all dayparts
- Market your business externally with ready-to-brand offerings
- Eliminate guessing with order guides for equipment, merchandising, labels and packaging
- Instill confidence with complete nutritional information
