Ritz

Flip Top Tables

A new standard for training tables.

Comprised of equal parts timeless design and smart engineering, Ritz is a world-class training table platform. The tables' modernist forms and patent pending, custom machined flip mechanism makes Ritz perfect for today's dynamic classroom and training spaces.

Slim and intuitive mechanism. Designed without cables for extra longevity. Tops are backed with black laminate, allowing the mechanism to essentially disappear.

Flexible & Stable. Ready for prime-time or standby.

Ritz is designed to enable dozens of room layouts. The intuitive flip-top mechanism and stable base allow tables to reconfigure or store effortlessly. Tops lock in up and down positions for easy movement. Dual surface casters are ideal on carpet and hard surfaces.

Available with rectangular tops ranging from 48" to 96" wide, and 24" or 30" depths. 18" and 36" depths are unavailable.

Widths spanning from 48 to 96 inches.

Ritz easily accommodates up to 3 users per side.

96" W Ritz tables: Optional modesty panel flips with the surface for hassle-free movement and storage.
