Dear Mr. Tabor,

A small price increase of approximately 3.5% is included with this update. This price adjustment directly ties with the cost increases faced by Enwork since launching its V.19 price increase in June 2023 and varies by production collection. *The following collections were not affected: Disc/Square bases (fixed height), Emerson, Lugano, Zori X bases, XTBA, Foundation EX bases, Expanse bases and Odyssey bases.*

- Office Furniture (Including Fixtures) Manufacturing (outlined in the attached PPI report)
- Aluminum Sheets, Plate and Foil Manufacturing (outlined in the attached PPI report)
- Wood Office Furniture Manufacturing (outlined in the attached PPI report)
- Office Furniture, Except Wood, Manufacturing (outlined in the attached PPI report)

Enwork is formally requesting a price increase with OMNIA to our new V.20 price list on 11/01/2024.

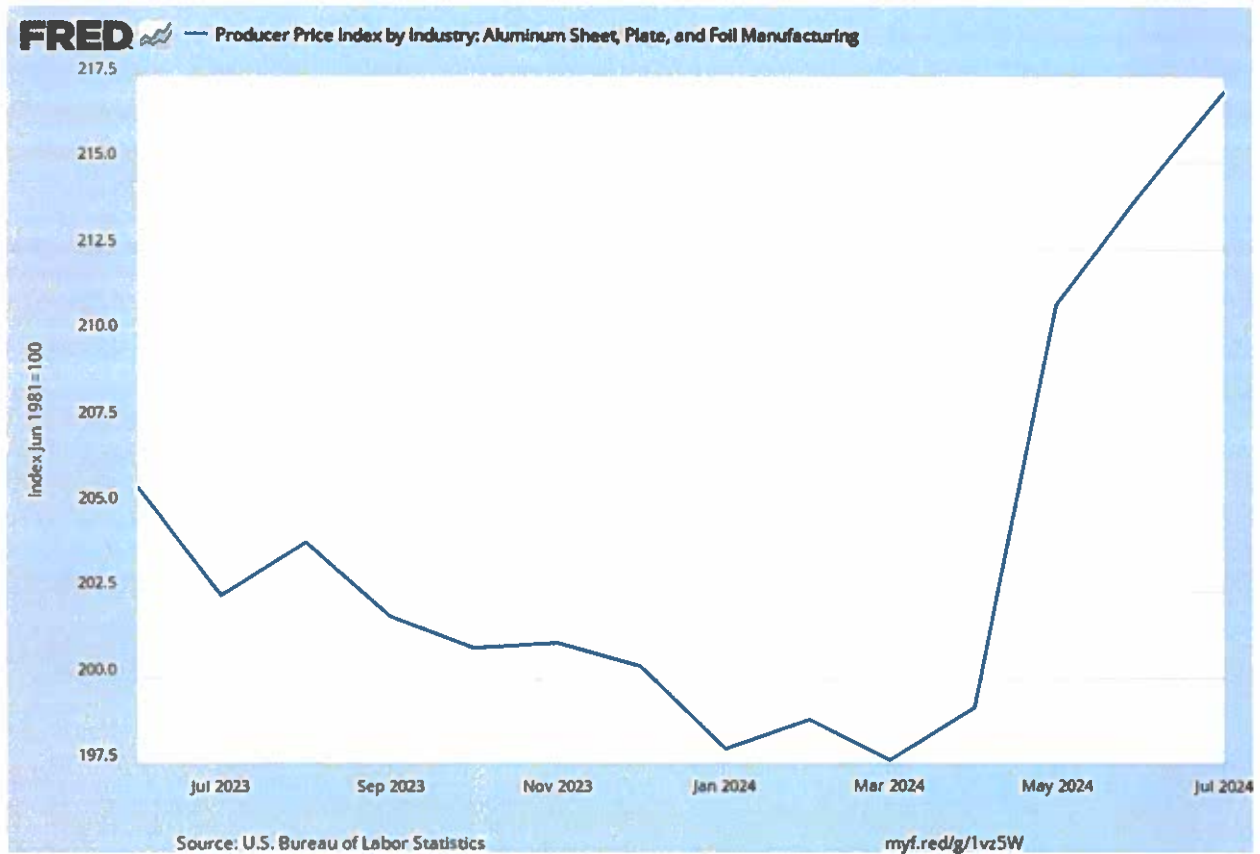

If you have any questions or concerns, please do not hesitate to contact me directly.

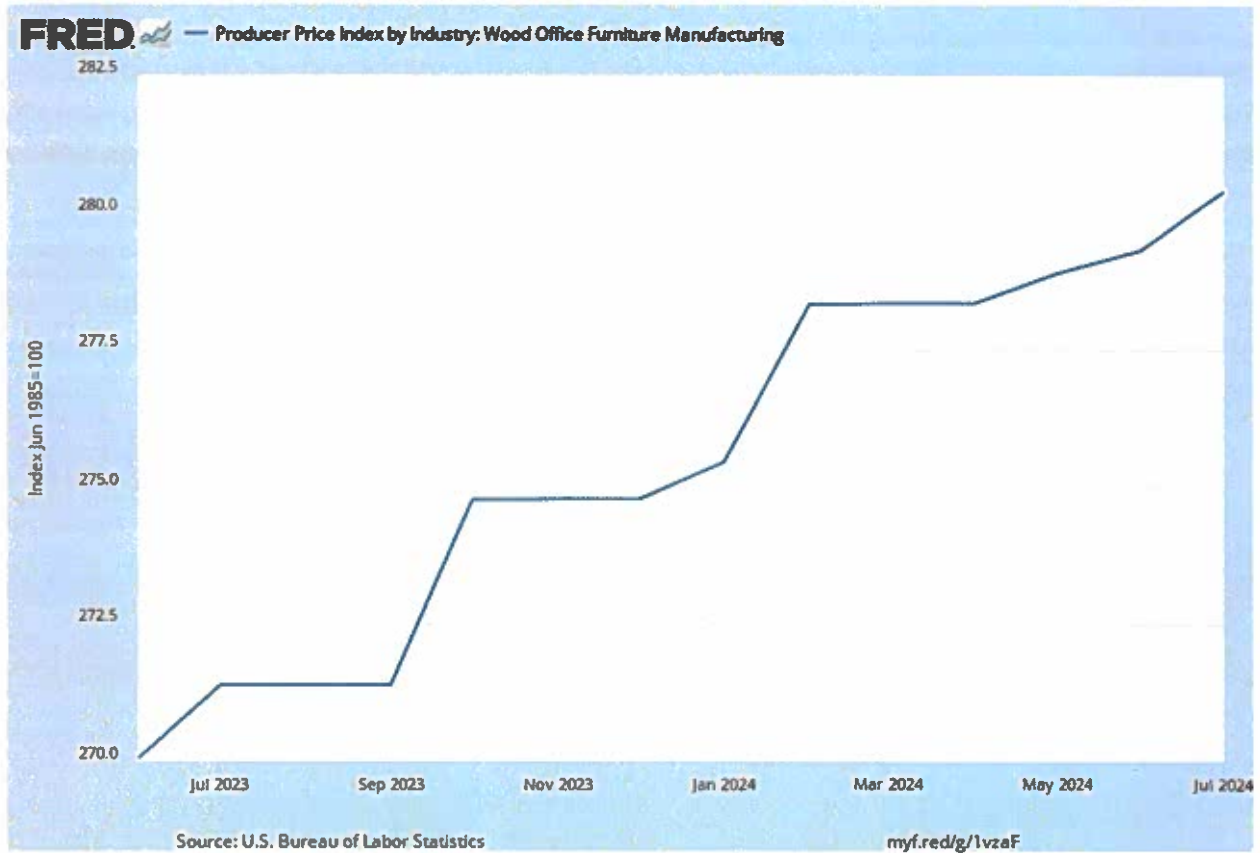

Sincerely,

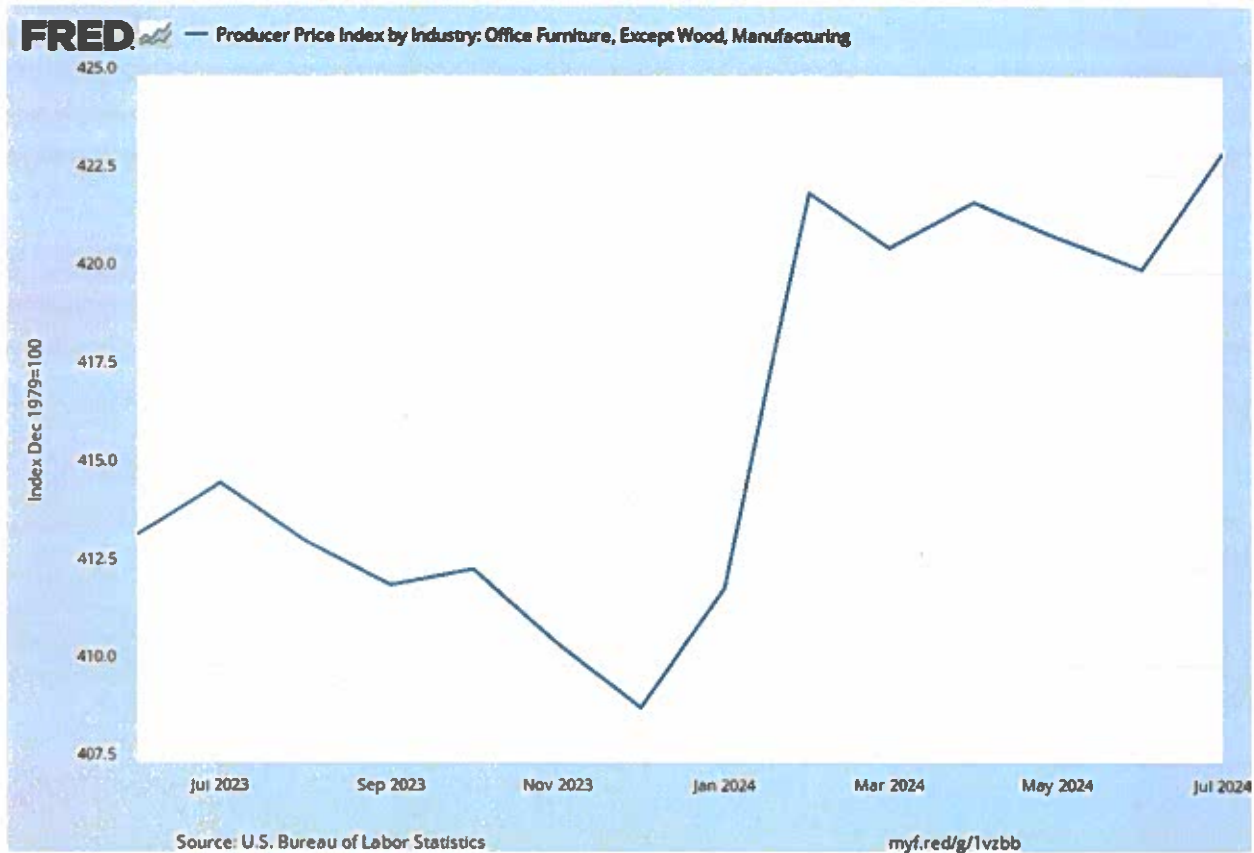

George Kudwa
