May 26, 2022

Dear Ms. [REDACTED],

The proposal evaluation process for the University of California's Microscope, Related Accessories and Services (RFP 2681-DEC 2021), is complete. We are pleased to announce that Olympus Scientific Solutions Americas Corp DBA Evident Scientific has been selected an Awardee for Microscope supplier at the ten UC Campuses and Affiliates. This award will include a national program component provided through Omnia Partners. The initial agreement period will run from July 1st, 2022 through June 30th, 2027, with optional renewals at the University's discretion.

This is not a guarantee of contract; any finalized contract is pending successful negotiation of agreement terms, as specified in the RFP.

Successful completion of contract award by July 1st, 2022 depends upon the following:

1. UC contract documentation.
2. OMNIA Partners documentation.

I will be your primary point of contact and will be finalizing the agreement, through signatures. Please reach out to me if you have any questions.

Congratulations and thank you again for your cooperation during this process.

Sincerely,

Robert Stueber
