# Work from Home

Whether it's a full-time or hybrid schedule, the more we work from home the more we need to lean (and sit) on products that can keep up. Our Home Edition collections let you work out of the office with comfort, style and some of the industry's most popular chairs, desks and workstation accessories—transforming residential spaces into productive workplaces.

# Reya - The Desk for Everyone

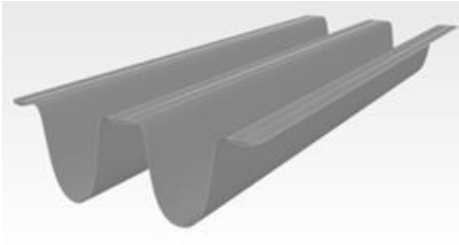

# What is Reya?

Reya is a modern desking solution designed for home that goes together in less time than it takes to reheat your leftovers.

The background of the left half of the image is a blue-tinted photograph. It features several tall palm trees on the left side and a modern building with a grid-like facade of windows on the right side. The text is overlaid on this background.

# SitOnIt • Seating®

**CALIFORNIA BORN AND BRED**

We're a leading manufacturer of commercial solutions in the U.S.—and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for almost 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for any (and every) space.
