DATE: 07/20/2018

FROM: Adrian Ferreira
Sr. Commodity Manager – MRO & Facilities
University of California
SUBJECT: RFP # RFP-MRO-UCSystemWide-Jan312018 – Maintenance Repair and Operations (MRO)
Supplies and Related Services

The Evaluation Committee reviewed the responses and recommended the following companies be awarded:

- W.W. Grainger, Inc.
- Fastenal Company
- CED (All-Phase Electric Supply)

The recommended vendors submitted offers that were determined to be most advantageous to the University of California Office of the President, based upon the evaluation criteria stated in the RFP. All the recommended respondents were determined to be competitively priced and best suited to provide the specified services outlined in the RFP.

We believe all recommended vendors demonstrate the ability to provide and perform the services requested in the proposal. We will monitor their performance and determine at the end of each term if they are eligible for renewal with each new term.

This multiple award is most advantageous as it limits contract awards to the least number of suppliers necessary to meet the requirements of end-users.

Sincerely,

Adrian Ferreira
