Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Contractor agrees to comply with any implementing requirements FTA may issue that are flowed to Contractor from Awarding Participating Agency.
 - b. Age. In accordance with the Age Discrimination in Employment Act (ADEA) of 1967, as amended, 29 U.S.C. Sections 621 through 634, and Equal Employment Opportunity Commission (EEOC)

implementing regulations, "Age Discrimination in Employment Act", 29 CFR Part 1625, prohibit employment discrimination by Contractor against individuals on the basis of age, including present and prospective employees. In addition, Contractor agrees to comply with any implementing requirements FTA may issue that are flowed to Contractor from Awarding Participating Agency.

- c. Disabilities. In accordance with Section 102 of the Americans with Disabilities Act of 1990, as amended (ADA), 42 U.S.C. Sections 12101 *et seq.*, prohibits discrimination against qualified individuals with disabilities in programs, activities, and services, and imposes specific requirements on public and private entities. Contractor agrees that it will comply with the requirements of the Equal Employment Opportunity Commission (EEOC), "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 CFR, Part 1630, pertaining to employment of persons with disabilities and with their responsibilities under Titles I through V of the ADA in employment, public services, public accommodations, telecommunications, and other provisions.
 - d. Segregated Facilities. Contractor certifies that their company does not and will not maintain or provide for their employees any segregated facilities at any of their establishments, and that they do not and will not permit their employees to perform their services at any location under the Contractor's control where segregated facilities are maintained. As used in this certification the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion or national origin because of habit, local custom, or otherwise. Contractor agrees that a breach of this certification will be a violation of this Civil Rights clause.
- 3) Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations, either by competitive bidding or negotiation, made by Contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by Contractor of Contractor's obligations under this Contract and the regulations relative to non-discrimination on the grounds of race, color, creed, sex, disability, age or national origin.
 - 4) Sanctions of Non-Compliance. In the event of Contractor's non-compliance with the non-discrimination provisions of this Contract, Public Agency shall impose such Contract sanctions as it or the FTA may determine to be appropriate, including, but not limited to: 1) Withholding of payments to Contractor under the Contract until Contractor complies, and/or; 2) Cancellation, termination or suspension of the Contract, in whole or in part.

Contractor agrees to include the requirements of this clause in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

DISADVANTAGED BUSINESS PARTICIPATION

This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, "*Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*", therefore, it is the policy of the Department of Transportation (DOT) to ensure that Disadvantaged Business Enterprises (DBEs), as defined in 49 CFR Part 26, have an equal opportunity to receive and participate in the performance of DOT-assisted contracts.

- 1) Non-Discrimination Assurances. Contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. Contractor shall carry out all

applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or other such remedy as public agency deems appropriate. Each subcontract Contractor signs with a subcontractor must include the assurance in this paragraph. (See 49 CFR 26.13(b)).

- 2) Prompt Payment. Contractor is required to pay each subcontractor performing Work under this prime Contract for satisfactory performance of that work no later than thirty (30) days after Contractor's receipt of payment for that Work from public agency. In addition, Contractor is required to return any retainage payments to those subcontractors within thirty (30) days after the subcontractor's work related to this Contract is satisfactorily completed and any liens have been secured. Any delay or postponement of payment from the above time frames may occur only for good cause following written approval of public agency. This clause applies to both DBE and non-DBE subcontractors. Contractor must promptly notify public agency whenever a DBE subcontractor performing Work related to this Contract is terminated or fails to complete its Work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. Contractor may not terminate any DBE subcontractor and perform that Work through its own forces, or those of an affiliate, without prior written consent of public agency.
- 3) DBE Program. In connection with the performance of this Contract, Contractor will cooperate with public agency in meeting its commitments and goals to ensure that DBEs shall have the maximum practicable opportunity to compete for subcontract work, regardless of whether a contract goal is set for this Contract. Contractor agrees to use good faith efforts to carry out a policy in the award of its subcontracts, agent agreements, and procurement contracts which will, to the fullest extent, utilize DBEs consistent with the efficient performance of the Contract.

ENERGY CONSERVATION REQUIREMENTS

Contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plans issued under the Energy Policy and Conservation Act, as amended, 42 U.S.C. Sections 6321 *et seq.* and 41 CFR Part 301-10.

FEDERAL CHANGES

Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, listed directly or by reference in the Contract between Public Agency and the FTA, and those applicable regulatory and procedural updates that are communicated to Contractor by Public Agency, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this Contract.

INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS

The provisions include, in part, certain Standard Terms and Conditions required by the U.S. Department of Transportation (DOT), whether or not expressly set forth in the preceding Contract provisions. All contractual provisions required by the DOT and applicable to the scope of a particular Contract awarded to Contractor by a Public Agency as a result of solicitation, as set forth in the most current FTA Circular 4220.1F, published February 8th, 2016, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. Contractor agrees not to knowingly perform any act, knowingly fail to perform any act, or refuse to comply with any reasonable public agency requests that would directly cause public agency to be in violation of the FTA terms and conditions.

NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES

Agency and Contractor acknowledge and agree that, absent the Federal Government's express written consent and notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to agency, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract.

Contractor agrees to include the above clause in each subcontract financed in whole or in part with federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS

Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to its actions pertaining to this Contract. Upon execution of the underlying Contract, Contractor certifies or affirms, to the best of its knowledge, the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Contract or the FTA assisted project for which this Contract Work is being performed.

In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.

Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307 (n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

Contractor agrees to include the above clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

“Since we opened our doors in 1953, Ferguson has built strong connections through an unwavering commitment to our customers, associates, suppliers and communities. OUR ENVIRONMENTAL ROAD MAP

Our fleet of trucks and vans is essential for getting products to customers on time.

Always looking for ways to use less fuel, we implemented an innovative solution for 50 vehicles, applying regenerative braking technology developed by XL Hybrids. By adding this, we're saving over 22,000 gallons of fuel annually.

Eduardo Gomez, Dania Enriquez and Teresa Leau – associates in Pomona, California – enlisted the help of Good360 to repurpose discontinued items destined for landfill.

More than 50 toilets and 30 porcelain sinks were sent to help disaster recovery efforts in Florida and areas affected by Hurricane Harvey. These efforts were not a one-off; we are in the process of donating additional products to Good360.

People are still putting their lives together after the hurricanes. We're happy these products found a second life, helping people who lost their homes to natural disasters."

Eduardo Gomez, Configuration Analyst, Ferguson Pomona, California, branch

Recycling and fitness don't necessarily go hand in hand – but at Ferguson, they do!

We have high standards for product quality, and our Front Royal Distribution Center associates upcycle water tubing that doesn't make the cut, building hula hoops for local public schools. We've donated more than 3,200 hula hoops over the last 8 years.

BEING RECOGNIZED FOR SUSTAINABILITY

At Ferguson, we're passionate about great product design.

That's why it was an honor to be awarded Platinum Award for Design Excellence (ADEX) awards for both our Mirabelle and Park Harbor product lines. These awards were presented by ADEX, based on the design and sustainability of our products.

We know that offering a range of products with lower environmental impact is important for our customers, which is why the products in these two ranges champion the use of high-efficiency flushing technologies for our toilets and LED bulbs for lights, which are energy efficient as well as stylish.

Adopted by all United Nations Member States in 2015, the Sustainable Development Goals are a call for action by all countries to promote prosperity while protecting the environment.

CREATING A BETTER TOMORROW FOR ALL

SUPPORTING OUR PEOPLE

Our people are our business – they go above and beyond for our customers, and we want to go above and beyond for them.

In times of disaster or emergency need, the Ferguson Family Fund is available to help all Ferguson associates who may be experiencing unfortunate events beyond their reasonable control. Since its inception, this employee assistance fund has granted over \$2 million in financial help to nearly 550 associates and their families impacted by wildfires, hurricanes or other natural disasters.

SkillsUSA

There is a growing need for trained trade professionals such as plumbers, HVAC technicians, electricians and welders; if unaddressed, there could be more than 30 million unfilled skilled trade jobs by 2020. That's why Ferguson signed a three-year, \$300,000 partnership with SkillsUSA. Together, we want to inspire young people to enter America's skilled workforce.

“Through our collective efforts, we can positively impact the industry and illustrate the value – both personally and professionally – of a career in the trades.”

Kevin Murphy,
Chief Executive Officer,

DIGDEEP

Access to clean, safe drinking water is a basic human right – 1.6 million Americans currently lack access to this necessity. This is a cause close to our hearts at Ferguson. Through a range of Community Plumbing Challenges, we have partnered with DIGDEEP to deliver running water and safe wastewater disposal to our neighbors in need across the United States.

FEED THE NEED

Over 13 million children in the U.S. don't receive enough nutritious food, and more than half a million people are homeless. For seven years, Ferguson associates have made a difference in their communities through Feed the Need – the company's annual food donation campaign. Last year, they collected over 50,000 pounds of food, providing more than 43,000 meals to local foodbanks.

HOMES FOR OUR TROOPS

Everyone deserves to be in a home where they can thrive. Homes For Our Troops (HFOT) builds mortgage-free, specially adapted homes for injured veterans. We are proud to be HFOT's official plumbing supplier, as well as supporting them financially. Through local events and volunteering, our associates are empowering veterans to recover and rebuild their lives.

CREATING A POSITIVE WORKPLACE

People can't do their best work if they don't feel comfortable and supported in their workplace. We strive to create a positive and open culture, attracting passionate people who bring innovative ideas to Ferguson.

Our associates are dedicated to performing their roles as well as they can, and we want them to know their efforts don't go unnoticed. By surveying associate satisfaction on a regular basis, we make sure we know what our people want to get from their experience at Ferguson and what we can do to improve at all levels of our business.
