Notes: Vendor may include other notes regarding the contract update here: (attach another page if necessary).

Due to the current global economic raw material cost increases, inflation, supply change issues particularly impacting international and domestic freight, and labor wage rate increases, FieldTurf is requesting price increases for several coop contract product offerings. Impacted several Turf, Track Court selections. See attached price sheet for details and links below regarding economic factors related to request for price increase. Also increased sq. footage/yardage minimums for consistency in Pricing Notes document. Re-assessment of prices will be done in June, 2023 at which time if prices need to remain (or change), a new contract update will be re-submitted.
