Corrections & Clarifications

The football team that Danny Gonzales coaches was incorrect in a feature in the Oct. 14 edition on Latinos in college and high schools. He coaches at New Mexico.

Dueling images: WNBA, soccer

Scott Gleeson
USA TODAY

Seattle Storm guard Sue Bird said U.S. women's soccer players are better supported by fans because of their perception as "cute little white girls," in contrast to less popular WNBA players.

Bird

"Even though we're female athletes playing at a high level, our worlds - the soccer world and the basketball world are just totally different," Bird told CNN in an interview Sunday.

Bird blamed a societal stereotype and noted the WNBA. "It's how society and how the outside world is willing to accept the cute girl next door, but not willing to accept, or embrace, or not judge these basketball players who are tall, Black, gay," Bird said.

Rapinoe, a star of the 2019 World Cup team that generated mainstream national attention, shared similar views in a recent Players Tribune article, writing: "This country has a deep history of racism, and a deep history of homophobia. And if you look at the players in the 'W' (WNBA) most of them are Black, and a lot of them are gay. ... Where's that same energy for the best women's basketball players on the planet?"

NCPA
National Cooperative Purchasing Alliance

Is a leading national government purchasing cooperative working to reduce the cost of goods and services by leveraging the purchasing power of public agencies in all 50 states. NCPA utilizes state of the art procurement resources and solutions that result in cooperative purchasing contracts that ensure all public agencies are receiving products and services of the highest quality at the lowest prices.
