

Help Hands Stay Healthy and Clean

PURELL CRT HEALTHY SOAP™ High Performance Foam

Formulated for dry and sensitive skin, our hypoallergenic CRT soap **removes 99% of dirt and germs^{1,4}** while being free of the most common skin irritants – antimicrobials³ and harsh preservatives.^{2,3}

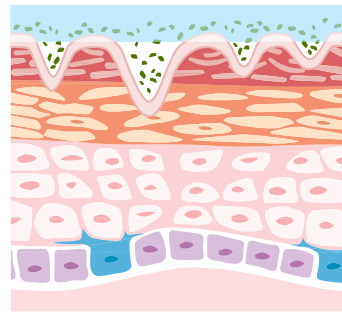

Comprehensive Skin Health

Enhanced Soap Performance

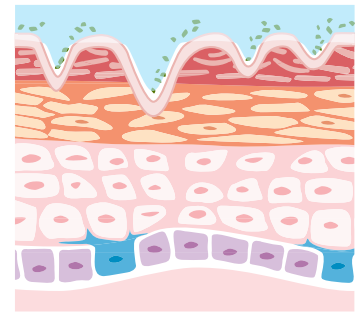

Designed to optimize cleaning power, CLEAN RELEASE® Technology cleans deeper. Here's how:

- **2X Lower** – CLEAN RELEASE Technology improves soap's ability to spread over the skin's topography, allowing it to **better remove soils & germs**.
- **Better Wash Experience** – **95% preferred** over regular soap⁶
- **Water Conservation** – Saves an average of 15,000 gallons per year in a 500-bed hospital⁷

Regular Soap*

Higher interfacial tension prevents regular soap from reaching into crevices where soil and germs may hide.

High Performance HEALTHY SOAP®

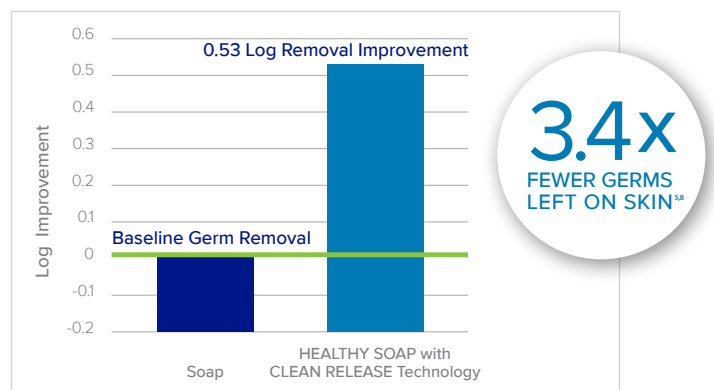

CLEAN RELEASE Technology lifts and washes away more than 99% of soil and germs.^{1,2,4}

Soap that Works Better

CLEAN RELEASE Technology helps soap work better and remove more than 99% of soil & germs.^{1,2}

- **3.4X Fewer Germs** – CRT® High Performance Soap lifts & washes away germs better than regular soap⁸

Germ Removal on Dry, Irritated Skin

A 0.53 log removal improvement on dry, irritated skin compared to regular soap.⁸
