

**Kill germs
without harsh
chemicals.**

POWERFUL AGAINST GERMS

Quickly kill 99.9% of viruses and bacteria, including RSV, Cold & Flu, and SARS-CoV-2 (the virus that causes COVID-19) in 30 seconds or less.

Save time with easy-to-use surface products that sanitize, disinfect, and clean.

WORRY-FREE DISINFECTION

EPA's lowest toxicity rating. No precautionary statements and no rinse required, even on food-contact surfaces.

VERSATILE COMPATIBILITY

Safe on most hard and soft surfaces
