MORE INFORMATION

Address germs without compromise.

The PURELL SOLUTION™ for Education helps colleges and universities with effective, efficient, thoroughly tested, trusted products.

Soap

Help wash away germs while being gentle on hands.
Works well in education environments.

Hand Sanitizer

Proven in hospitals. Available in classrooms, hallways, cafeterias, and dormitories.

Surface Spray and Wipes

Kill 99.9% of viruses and bacteria without harsh chemicals. No rinse required, even on food-contact surfaces.

Dispensers

Time-saving dispensers require less maintenance and ensure products are ready for the day.
