Proposals Received: 3

Awarded to: Geo-Logic Associates

The Region 14 Education Service Center (ESC) issued RFP 15-23 on October 10, 2023, to establish a national cooperative contract for Environmental Services.

The solicitation included cooperative purchasing language in the following sections:

NOTICE TO RESPONDENT:

It is the intention of Region 14 Education Service Center (herein "Region 14 ESC") to establish a Master Agreement for Environmental Services for use by Region 14 ESC and other public agencies supported under this contract. This Request for Proposal is issued on behalf of the National Cooperative Purchasing Alliance through a public agency clause, which provides that any county, city, special district, local government, school district, private K-12 school, higher education institution, state, other government agency, healthcare organization or nonprofit organization may purchase Products and Services through this contract. Respondents will be required to execute the NCPA Administration Agreement upon award.

INTRODUCTION/SCOPE:

Region 14 ESC, as the lead public agency, has partnered with NCPA to make the resultant contract available to all participating agencies in the United States. NCPA provides marketing and administrative support for the awarded vendor that promotes the successful vendor's products and services to Public Agencies nationwide. The Vendor will execute the NCPA Administration Agreement (Tab 2) upon award. Vendor should thoroughly review all documents and note any exceptions to NCPA terms and conditions in their proposal.

Notice of the solicitation was sent to potential offerors, as well as advertised in the following:

- OMNIA Partners website
- Abilene Reporter
- USA Today, nationwide

On November 16, 2023 proposals were received from the following offerors:

- Chase Construction
- Geo-Logic Associates
- Rose City Contracting

The proposals were evaluated by an evaluation committee. Using the evaluation criteria established in the RFP, the committee elected to enter into negotiations with Geo-Logic Associates and proceeding with contract award upon successful completion of negotiations.
