This Addendum No. 1 amends the Request for Proposals (RFP) for Environmental Services ("Addendum"). To the extent of any discrepancy between the original RFP and this Addendum, this Addendum shall prevail.

Region 14 ESC on behalf of itself and all states, local governments, school districts, and higher education institutions in the United States of America, and other government agencies and non-profit organizations (herein "Public Agency" or collectively "Public Agencies") is soliciting proposals from qualified vendors to enter into a Master Agreement for a complete line of Environmental Services.

See Addendum No. 1 Acknowledgement included on the last page.

QUESTIONS AND ANSWERS:

1. Question:

Could you please provide clarification on the following in reference to "Pricing Information" under TAB 3 VENDOR QUESTIONNAIRE, where it reads: "In addition to the current typical unit pricing furnished herein, the Vendor agrees to offer all future product introductions at prices that are proportionate to Contract Pricing. If answer is no, attach a statement detailing how pricing for NCPA participants would be calculated for future product introductions."

- Does this also apply to services, or just product introductions? If so, by “proportionate to Contract Pricing”, does this mean at the same discounted rates, or something else?

Answer: This would apply to products and services. Services may be offered at a different discount or rate than products but they would still need to follow a standard pricing mechanism compared to other services a vendor is offering.

No material items in the RFP have been modified. All items in the RFP shall remain.
