Hygienic Solutions to Support Healthy Campuses

GP PRO Solution Bundles for K-12

K-12

Georgia-Pacific

A Contemporary Approach to Keeping Schools Streamlined and Safe

K-12 schools are busy places. So much activity and interaction make it challenging to reduce the spread of germs and keep facilities hygienic. So, we're here to help.

Heightened Hand Hygiene

A fresh approach to hand hygiene can help protect students and staff. A critical step is increasing access to soaps, sanitizers and paper towels using touchless dispensers.

Moving to Touchless Technology

Automated, closed-system dispensers are engineered for hygiene, efficiency and aesthetics—enhancing your classrooms, restrooms, and break areas.

Rethinking Your Public Restrooms

Upgrading restrooms with touchless automation and high-capacity dispensers can help elevate hygiene, improve the user experience and minimize service interactions.

Waste Reduction and Cost Efficiency

More K-12 schools are realizing the impact of efficient, one-at-a-time dispensing on product usage and waste reduction—which can lead to less-frequent changeouts by staff.

Disposables for Break Areas and Cafes

It's no wonder more K-12 schools are adopting Dixie® disposable cups, plates, napkins and cutlery as convenient, hygienic alternatives to permanent-ware dishes and silverware.

School Restroom Bundle

GP PRO restroom solutions are engineered to help improve restroom hygiene and freshness.

They also help improve efficiency by reducing refill frequency. Many schools include both staff and high-traffic public restrooms, so we offer products as versatile as your needs are varied.

SofPull® High-Capacity Centerpull Toilet Paper Dispenser
56501

Compact® 2-Roll Side-by-Side Coreless High-Capacity Toilet Paper Dispenser

Our all-in-one hand soaps are tough on germs while keeping skin moisturized and smooth.

Common Area Bundle

More than ever, cleanliness is imperative for K-12 schools. Products like our Brawny® Professional Cleaning Towels can handle everything from light wiping to heavy-duty cleaning. And the Pacific Blue Select® Surface System is ideal and efficient for sanitizing hard surfaces.*

79% say they would be concerned about cross-contamination when cleaning staff uses re-usable rags to clean various surfaces.

GP PRO Proprietary Research: CBT-20-4930

PRODUCTIVE PARTNERSHIP WITH GP PRO
Cooperative Contracts Help Simplify Purchasing

Co-ops can help save time, money and provide more options. With a co-op, you can choose from a variety of GP PRO solutions that are available for purchase on a competitively solicited and awarded contract by a lead agency in accordance with public purchasing rules and regulations.

Advantages of leveraging a Cooperative purchasing contract:

REDUCED COSTS

Access to pricing that leverages combined membership spend

VARIETY OF SOLUTIONS

Ability to choose from a variety of compliant GP PRO products that have already been vetted and approved for purchase

REDUCE ADMINISTRATIVE TIME

Allow procurement team to focus on bigger, more important projects

ALTERNATIVE TO LENGTHY BID PROCESS

Ability to instantly order off contracts rather than submitting an individual RFP (which can take up to a year)

To get started, register directly with a Co-op or contact your GP PRO representative today!
