Georgia-Pacific

You may be looking for ways in which your operations could run more smoothly and safely; some modest improvements that could help you to control costs while having less of an impact on the environment.

GP PRO CAN HELP...

Help reduce cross-contamination

40%
of workers

do not wash their hands
often or long enough,
to protect against the
spread of germs¹

MAKE IT PRODUCTIVE

Help reduce labor costs
and increase efficiency

19M
number of lost
work days
per year at industrial
employers due to cold
& flu absences²

61% of industrial manufacturing CEOs

surveyed cited cost
reduction as their primary
driver of growth³

MAKE IT COST EFFECTIVE

Help deliver cost savings through
less consumption and waste

At GP PRO, we focus on ways to help improve your work-spaces and washrooms, including your cafeteria and break rooms... all with the goal of helping to make your shop a more productive and safe place while operating more sustainably and with lower costs.
