|                                                                        | <input type="checkbox"/> Other (explained below)                      |

#### Additional Information:

(Brief description of any major changes checked above.)

Ability to upload a redlined OMNIA Partners, Exhibit B Administration Agreement Example for Region IV ESC has been added to the "Response Attachments" tab.

Update Attribute#87.

Add question 2/B/5 to "Attributes" tab from Evaluation Process and Criteria document.

Removed OMNIA Partners Exhibit A upload requirement on "Response Attachments" tab.

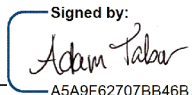

#### Certification:

I certify that, based on my review and the information provided, this summary accurately describes the changes included in this addendum.
