With the inflation rate being up 9.1% overall and the price of tools and hardware is still up 10% compared to November of 2021 according to the Bureau of Labor and Statistics. We will need to adjust the price of many of products. We are deleting 4,229 items due to inactivity or manufacturer discontining, adding 1,990 items, reducing the price on 124 items, with an average decrease of 118%, and increasing the price on 8,467, with an average increase of 8%.
