RE: Hightower Price Adjustment - Omnia Partners 07-94

To Whom It May Concern:

Please accept this as notification that Hightower prices will increase effective Monday, January 5th, 2026. The updated prices will vary, with some prices staying the same and most increasing 1%-6% for an average adjustment of 3.3%.

We will continue to include a 5% tariff surcharge, approved previously, on all orders to reflect the additional important fees and domestic supply chain price increases resulting from tariffs and supply chain disruptions.

Please reach out if you have any questions.

Thank you,

Anissa Norris
