

# EXCLUSIVE TRAVEL OFFERS FOR OMNIA PRIVATE EQUITY MEMBERS

OMNIA members receive three Engine benefits designed to reduce unmanaged travel spend, protect cash flow, and limit financial risk across portfolio companies.

## ABOUT ENGINE

Engine is a no-cost travel platform used by private equity-backed companies to control travel spend across portfolio companies. Through OMNIA, portfolio companies gain access to negotiated hotel rates, direct billing terms, and built-in protections that reduce leakage.

Flexible cancellations

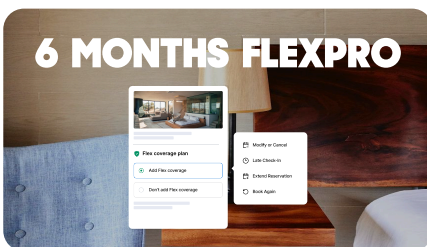

BestPrice hotel guarantee

Net45 payment terms

One platform for all travel

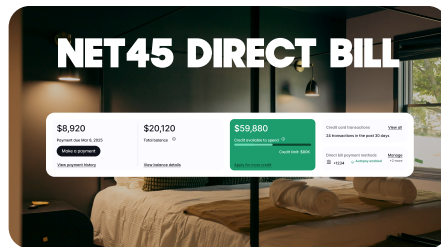

## EXCLUSIVE OFFERS JUST FOR OMNIA MEMBERS:

### 6 MONTHS FLEXPRO

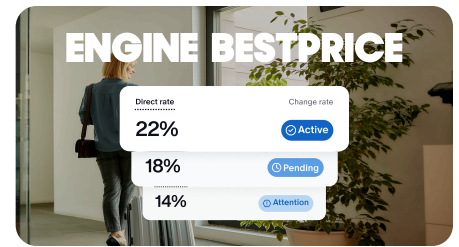

- Reduce write-offs from unused or canceled hotel nights
- Modify or cancel reservations without penalty as plans change
- Recover value from non-refundable bookings through refunds
- Six months of added protection across fluctuating travel demand

### NET45 DIRECT BILL

- Delay payment for hotel stays up to 45 days
- Reduce reliance on corporate cards and employee reimbursement
- Consolidate travel charges into a single monthly invoice
- Improve cash forecasting and payment timing across the portfolio

### ENGINE BESTPRICE

- Book knowing hotel rates are market-competitive
- Avoid manual price checks or off-platform bookings
- Capture savings if a lower qualifying rate is identified
- Prevent overpayment and rate inconsistency across companies
