**BASIC DETAILS**

Event Name  
UC-wide\_IT\_Consulting\_Services\_RFP\_002997

Description  
The overall objective of this RFP is to engage multiple Suppliers to provide UC locations with a systemwide, centrally managed core of IT consulting firms to provide assessments, advisory, and delivery of various IT initiatives. Our goal is to create a strategic partnership with IT consulting firms who can work across the UC organization and foster collaboration amongst campuses. The selected Supplier(s) will provide IT consulting services for a variety of areas of support across the UC’s campuses, health centers, and offices contained within Cloud Software Implementation, IT Security Risk Assessments, Payroll Processing and Finance Systems Assessments and Delivery, Hypercare and On-going support, Data Storage and AWS Initiatives, and other strategic initiatives.
